THROAT, LUNGS, LIVER & BLOOD In the wonderful medicine to which the afflicted are above pointed for relief, the discoverer believes he has combined to kurmony more of Nature's most sovereign curative properties, which God has instilled into the vegetable kingdom for healing the sick, than were ever before combined in one medicine. The evidence of this fact is found in the great variety of most obstinate diseases which it has been found to conquer. In the curs of Bronchitis, Severe Course, and the early stages of Consumption, it has astorished the medical faculty, and eminent physicians pronounce it the greatest medical discovery of the age. While it cares the severest Coughs, it strengthens the system and purifies the ry of the age. While it cures the severest Combe, it strengthens the system and purifies the blood. By its great and thorough blood purifying properties, it cares all Humors, from the west Serofula to a common Blotch, Pimple, or Euruption. Mecurial disease, Mineral Poisons, and their effects, are eradicated, and vigorous health and a sound constitution established. Erysipelas, Sait Rheum, Fever Sorss, Scaly or Hough Skin, in short, all the numerous diseases gaused by bad blood, are conquered by this powerful purifying and invigorating medicine. are conquered by this powerful purifying and invigorating medicine.

If you feet dull, drowsy, debilitated, have sallow color of skin, or yellowish brown spots on face or body, frequent headache or dizziness, bad taste in mouth, internal heat or chills alternated with hot flashes, low spirits, and closmy forebodings, irregular appetite, and togue coated, you are suffering from Torpid Liver or "Hillow-ness." In many cases of "Liver Complaint" only part of these symptoms are experienced. As a remedy for all such cases for Plence's Golden Medical Discovery has no equal, as it effects perfect cares, leaving the liver strengthened and healthy. For the cure of Habitual Constipation of the bowels it is a never falling remedy, and those who have used it for this purpose are load in its peake.
