DON'T be deceived, but for coughs, colds, sore throat, hoarseness and bronchial difficulties, use only Wells' Carbolic Tablets.

Worthless imitations are on the market, but the only scientific preparation of Carbolic Acid for Lung diseases is when chemically combined with other well known remedies, as in these Tablets, and all parties are cautioned against using any other.

In all cases of irritation of the mucous membrane these Tablets should be freely used, their cleansing and healing properties are astonishing. Be warned, never neglect a cold, it is easily cured in its incipient state, when it becomes chronic the cure is exceedingly difficult, use Wells' Carbolic Tablets as a specific.

J. W. WASHINGTON'S GRAND BARBER SHOP. In Miles Dalhine's Building, Market Street, east of the Railroad, north side, SUNBURY, Pa. The old permanent shop of the town. We decline the boast, but at the same time consider that the mighty truth may be seasonably spoken without manifesting an unbecomable amount of vanity and ambition. Just twenty years ago I began my business career in this place, in my lifetime thus far spent, I have stood upon the door of our shop—day after day, and night after night, and applied the sharp blade gleaming steel, and within that space of time, many of my embryonic friends that eventful period have I shaved nearly everybody in the country (in common parlance) and to oblige the public interest we herein solemnly announce to our patrons, old and young, that we are ready to shave them all again three hundred times or more.

Come when you please, just in time is the motto—we are always ready to work, forenoon or afternoon, to shave you, hair cut, you, shampoo you, whisker dye you, or perfume, comb and arrange the hair with artistic skill, in the "water" or water raise style to suit the customer. We work to please, not to please to work.

Stop, don't go past our shop to get shaved on the hair, and by artistic skill, in the "water" or water raise style to suit the customer. We work to please, not to please to work. A chance is all that we demand to give the proof we hold in hand. Oct. 1, 1872.
