The contest for the speakership of the National House of Representatives is waxing warm. There are several prominent aspirants besides Blaine, who however it is supposed has the "inside track."

The monthly statement of the Commissioners of the Sinking Fund of Pennsylvania shows loans to the amount of \$75,674 64 to have been redeemed during December. The total debt at the close of the year was \$27,227,020, and the balance in the Treasury \$1,553,102 31.

An Impending Flood.

Under this caption, the State Journal indulges in some suggestions which are so timely and important that we transfer them was renominated as a candidate for the to our columns. The possibility of a disastunited States Senatorship. The vote stood trous freshet as the result of the unusual amount of snow which now covers the area embraced in the lumbering region of Wm. D. Kelley, and 2 for Professor Wicker
Sham. There were seventy-one members
present and six absent. Of the absentees

the Susquehanna must have occurred to
every reflecting man in this community;
but the more contemplation of such a possibility will not avail us anything if we neglect to adopt the precautions wisely suggested by the Journal. We commend article to the thoughtful consideration exposed to destruction or damage from this source. The Journal says :

"It may seem like borrowing trouble to remind our readers, and particularly those and necessary. In the first place the fail Gen. Hartranft was announced, by all the living long the shores of the Susquehanna river and its tributaries, that an immense March or spring flood is impending, and which may even occur before that time. until late the following fall. Eight years ago, we had almost as much snow as we its banks were not prepared for the danger when it burst upon them, and as a conse quence lives were lost and property des troyed which ought to have been saved.

"The snow at this time in the forests of the northern counties is even of greater penses of Jurymen while attending court.
The wages of Jurymen was reduced several years ago to one 150 cents per day. This hearding the penses of the people and decided as we have stated.

But it is not easy the reduced several have cause to rejoice over the re-nomination. There wages ago there are the respective to the people and decided is not necessary for us to remind lumberment that a vast difference exists between that region now and that of twenty or thirty years ago. Twenty years ago there was the respective to the people and decided in the respective to the people and decided is not necessary for us to remind lumberment that a vast difference exists between that region now and that of twenty or thirty years ago. Twenty years ago there was the respective to the people and decided in the respective to the people and decided is not necessary for us to remind lumberment that a vast difference exists between the respective to the people and decided is not necessary for us to remind lumberment that a vast difference exists between the respective to the people and decided is not necessary for us to remind lumberment that a vast difference exists between the respective to the people and decided is not necessary for us to remind lumberment that a vast difference exists between the respective to the respec depth than in this part of the State. In and ice of Clearfield county, any time during February or March, will send a rush of water into the Susquehanna which would make a flood of unprecedented destructiveness. Now is the time to prepare wherever movable property is stored within reach of water marks of previous floods, it ought to be removed beyond the des trover, that like a wild beast, is concealed and devour all within his reach, A little prudence, the judgment to act at once, and the energy to carry sound plans for safety country by fire in 1872, will be equalled by the loss by flood in 1873."

THE Legislature was fully organized at Speaker-G. H. Anderson.
