Third. It is free from squills, lobella, ipecas and opium, of which most throat and lung remedies are composed, which allay cough only, and disorganize the stomach. It has a soothing effect on the stomach, acts on the liver and kidneys, and lymphatic and nervous regions, thus reaching to every part of the system, and in its invigorating and purifying effects it has gained a reputation which it must hold above all others in

The discoverer believes he has combined to be relief. The entire is most sovereize circuity properties, which God has instilled into the vegetable kingdom for healing the sick, then were ever before combined in one medicine. The evidence of this fact is found in the great variety of most obstinate discases which it has been found to conquer. While it circs the severest Congle, it strengthens the system and purifies the blood. By its great and thorough blood purifying properties, it cares all Humors, from the wood Serofula to a common Blotch, Pimple, or Euruption.
