Dew Adbertisments.

This instrument is especially designed for the per-fect application of DR. SAGE'S CATARRH REMEDY.

DR. SAGE'S CATARRH REMEDY.

It is the only form of instrument yet invented with which fluid medicine can be carried high up and perfectly applied to all parts of the affected mass passages, and the chambers or cavities communicating therewith, in which sores and ulcers frequently exist, and from which the catarrhal discharge generally proceeds. The want of success in treating Catarrh here-tofere has arisen largely from the impossibility of applying remedies to these cavities and chambers by any of the ordinary methods. This obstacle in the way of effecting cures is entirely overcome by the invention of the Donche. In using this instrument, the Fluid is carried by its own weight) no samfing, forcing or sumping being required.) up one nostril in a full gently flowing stream to the highest portion of the passages, passes into and thoroughly cleaness hill the tubes and chambese connected therewith, and so sample that a child can understand it. Full and explicit directions accompany each instrument. When used with this instrument, Dr. Sare's Catarrh Remedy cures recont attacks of "Cold in the Hond 2" by a few applications.

Symptoms of Catarrh. Frequent headache, discharge failing into throat, sometimes profuse, watery, thick mucus, purnlent, offensive, &c. In others a dryness, dry, watery, weak or infamed eyes, stopping up or obstruction of mass passages ringing in ears, deafness, hawking and coughing to clear throat, ulcerations, scabs from ulcers, voice altered, massl twang, offensive breath, impaired or total deprivation of sense of smell and taste, dizziness, mental depression, loss of appetite, indigestion, enlarged tonsils, tickfing cough, &c. Only a few of these symptoms are likely to be present in any case at one time.

fow of these symptoms are likely to be present in any case at one time.

Dr. Sage's Catarrh Remedy, when need with Dr. Pierce's Nasal Bouche, and accompanied with the constitutional treatment which is recommended in the pamphiet that wraps each bottle of the Remedy, is a perfect specific for this loath-some disease, and the proprietor offers, in good faith, \$500 reward for a case he can not cure. The Remedy is mild and pleasant to use, containing to strong or caustic drugs or poisons. The Catarrh Remedy is sold at 50 cents, Donche at 60 cents, by all Druggists, or either will be mailed by proprietor on receipt of 60 cents.
