As no effort was made to get up a demonstration at this place on the 4th, our citizens, generally, visited our neighboring towns, and mingled adding improvements to their establishment to with their people in celebrating the "Gidrious facilitate the manufacture of machinery and castwith their people in celebrating the "Giorious Fourth." Early in the morning, bands of mu-sic and drum corps wore heard upon our streets, and numbers of our citizens repaired to the depot to take their departure in the morning trains. As the trains arrived there was a lively scene at the depot, when each individual in the crowd was eager to be first in the passenger coaches. The trains carried away several kundred per-sons to Watsontown and Lock-Haven. About 9 sons to Watsontown and Lock-Haven. About 9 and some years subsequently moved his foundry o'clock the steamboat left her moorings at the to Sunbury. He purchased a small engine, after Market street wharf, with several hundred more bis removal, from Haywood & Sugder, Poils-

SAMUEL H. ROTHERMEL, Sherlit.

These Engines have always maintained the very highest standard of excellence. We make the manufacture of Engines, Boilers and Saw Mills a specialty. We have the largest and mosteompleto works of the kind in the country, with machinery specially adapted to the work. We keep constantly in process large numbers of Engines, which we furnish at the very lowest prices and on the shortest notice. We build Engines specially adapted to Mines, Saw Mills, Grist Mills, Tamerics, Cotton Gias, Threshers and all classes of manufacturing. We are now building the celebrated Lano Chem-lar Baw Mill, the best and most complete saw mill ever invested.

we invented. We make the manufacture of Saw Mill outlits a special feature of our business, and can furnish complete on the shortest notice. Our sin in all cases is to furnish the best ma-chinery in the market, and work absolutely un-equaled for beauty of design, economy and strength. Bend for Circular and Price List.
