AUDITOR. M. B. PRIESTLY, of Northumberland. THERE appears to be a class of journals professing to be Republican in principle, who are so infatuated with the teachings of the New York Tribune, that they are constantly assailing our standard bearers and misrepresenting the measures of our platform. The fact is that all such journals cannot be classed as Republican, but as belonging to the Liberal Republican movement advocated by the Tribane and

THE GREAT REMEDY FOR

CONSUMPTION which can be cured by a

timely resort to this stand-

ard preparation, as has been proved by the hundreds of testimonials received by the proprietors. It is acknowledged by many prominent physicians to be the most reliable preparation ever introduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to in season it seldom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Soreness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. Wistar's Balsam does not dry up a Cough, and leave the cause behind, as is the case with most preparations, but it loosens and cleanses the lungs, and allays irritation, thus removing the cause of the complaint.
