DEATH OF COL. GEO. WAGENSELLER .- After a few months' illness, Col. Geo. Wagonseller, one of our aged citizens, breathed his last on Monday the 15th met., at the Central Hotel, where he had been boarding for some fourteen years. Col. Wagenseller was a native of Chester county, this State, and after growing up to manhood migrated to Schuylkill and became a highly influential ci- Killed. tizen of that county. About twenty years ago he was elected by the Democrats to the legislature from that county, and at once took a leading part on the Democratic side of the House. During this session a United States Senator was to be elected, and there was considerable excitement on the vote being close, the Democrats having but one or two majority. Gen. Cameron was made the choice of the opposition to the Democratic candidate. On the ballot being had,

Wagenseller concluded to vote for Gen. Came-Express, 11.45 a m Mail, 9.30 a m An accommodation train leaves Shamokin at 7.10 a m, arriving at Mt. Carmel at 7.40 a m. Returing, leave Mt. THE OLDEST AND THE BEST .- These are the bold claims which the publishers of the New York Observer make for their paper. And yet the facts of history bear them out in their first, while an undeviating course in sending out a large, full, fresh, readable family newspaper, gives them at least a right to lay claim to the second. In the great multitude of papers that are published the Observer holds its own position, and an enviable position it is. No paper reaches us that we can recommend more heartily. It is published at three dollars a year, and the premium picture and chromo humbugs are left for those who have nothing better to offer. S. I. Prime & Co., 37 Park Rew, New York.

The Weather is delightful although we are in mid-winter. One week from yesterday will be Christmas, and the weather has been uniformly and remarkably mild since winter commenced It auits panic times. Currely the Lord "Tempereth the Storm to the Shorn Lamb."

It is estimated that the estate of the late Col. Geo. Wagenseller is worth about six thousand dollars. He made a will, and named Geo. Hill, Esq., of this place, as the execution of the storm to the specific of the late Col. List of Causes for Adjurned Court.

SCRIBNER'S MONTHLY for December is rich in Scenner's Montally for December is rich in illustrated letter-press. It opens with a se-cond paper of Edward King's racy and accurate description of "The Great South: Old and New Louislana." There are thirty-forr engravings, chiefly views of New Orleans noted places and chiefly views of New Orleans noted places and sketches of noted or representative persons. A great deal of statistical and other information is here given. "Savage Man," with thirteen engravings, treats of various races in many countries. A biographical sketch of Richard Anthony Proctor, the eminent English astronomer and mathematician, now only thirty-six years old, is enriched with his portrait. There is an amusing page of etchings, representing scenes, no doubt actual, in the New York Central Park. The continued papers are serial novels by Miss Trafcontinued papers are serial novels by Miss Traf-ton and Mrs. Davis, and the second part of Mr. Fronde's learned and valuable "Annals of an English Abbey" (St. Alban's), which, bet-ter than anything we have read for a long time, takes us far back, showing what English monastic life was in the remote past. monastic life was in the remote past,

In fact the change is so great that it reminds one of passing suddenly from the midst of a hard winter into the lap of spring.

Mine Accident.—On Monday as a loaded car was being hoisted up the plain at the Luke Fidler breaker, the chain broke and the car was precipitated to the bottom with a fearful yelocity. Robert Anderson and Frank Bixler, who were at the bottom of the plain, were struck by the car. Anderson had his right ankle so badly scriber, being one of the most popular and beau-tiful Chromos ever issued, "The Old Oaken Bucket," size 17x26 inches and valued at \$15. W. Jennings Demorest, 838 Broadway, New York, Publisher.
