TURK DRUG STORE of J. J. Reitmeijer & Son, at Shamokin, Lancaster county, was destroyed by fire on Thursday night of last week. The origin of the fire was the work of an incendiary. The loss will be considerable to the firm, as the store was only partly insured in the Sunbury Fire Insurance Company.

Those little girls from eight to fourteen years of age, have organized the Pardee-Schuyler Society, and take turns over Millick & Schuyler's store. The object of the society, as its name indicates, is literary culture and practice.—Lock Haven Republican.

This society is a very commendable idea, and we would be glad to see the girls of Sunbury do likewise.

The following persons were elected in Upper Augusta township:

Judge of Elections, Chas. Haas; Inspector of Election, Hiram M. Haas; Constable, A. B. Keister; Assessor, Wellington Hammel; Supervisor, Robert Lyon and Adam Renner; School Directors, Jacob Keefer and Charles Hartzel; Overseers of the Poor, John Eckman and Joseph Shipe; Auditor, Henry Robbins.

THE BOROUGH ELECTION.—The election on Tuesday last, in this borough, was the most spirited we have seen for many years. The principal contest was between the candidates for Chief Burgess who are gentlemen of the highest respectability. No party feeling was manifested, and the victory was not won upon political grounds. The issue raised between the candidates was the policy to be pursued by the elected party, or in other words, progression in our borough matters, or non-progression. Mr. Bourne having been nominated by the Republicans it was urged against him that he was not progressive, which did not meet the views of some of our progressive citizens, while a citizen's meeting was held and Solomon Malick was selected to run in opposition, and upon that question was closed. The choice of the Republican party in high water was carried with but few exceptions. The contest for clerk resulted in the election of Mr. Lewis Dewart over Mr. Peter Gray. The defeat of Mr. Gray is presumptively claimed by the *Daily*, of Wednesday as resulting through the influence of the editor of that paper, but as Mr. Gray did not take a stand for himself, nor did any one else in his behalf, while Mr. Dewart, together with a large circle of friends among the young men of the place, were all day soliciting votes, we are inclined to believe that the editor of the *Daily* is mistaken in his presumptuous claim of having been the cause of Mr. Gray's defeat. Mr. Dewart gained his election exclusively through his own exertions, and the influence of his personal friends. We give below the vote of the different candidates in both wards:
