LUCKY .- As each of the editors in this place | 16707, had invested heavily in the Gift Concert of the Washington Independent Steam Fire Company, 1614. the public will no doubt be glad to learn that 13803, each drew the large amount of two dollars. 12309, The amounts were invested respectively as follows: The editor of the American appropriated 14037, his amount towards paying off old debts. The 8917. editor of the Gazette invested his amount in a tract of land, while the editor of the Democrat has invested the whole of his in the purchase of 6771, "rooster" and "nigger" cuts, to embellish the 16853, Democrat, to make his readers understand what pure Democracy consists of.

Lost.-An umbrella with the name of H. B. Masser printed in red ink inside and out. The person who found it will be rewarded by returning it to this other.

FLOOD .- Some persons are apprehensive that 11608. the snow on the ground will result it a high | 1574, flood. We do not think the snow in the forest is unusually deep, and we apprehend no danger 13244, unless it should go off in a heavy rain. There is 11252, more danger from gorges in narrow places, caused by the heavy ice and low water, and thus 13276. inundating some sections by ice dams and back | 18258.

SPHERICAL SAFES .- Four of Marvin's Spheri- 4606 cal iron safes were put in the First National 17050 Bank of this place on Wednesday last. These wafes have the appearance of a hoge cannon 1669 ball fifteen inches in diameter, mounted on an | 4414 | 15113 iron platform under which are castors. The 14022 walls are three inches thick and each safe weighs | 10566 one thousand pounds. They are supplied with 15836 the combination lock. There are but few if any 3778 banks in the State better secured than the First | 14488 National of Sunbury.

INSURANCE MONEY PAID .- Mr. Jacob Shipman, agent for the New York Mutual Insurance | 14525 Company, paid over to Mrs. Hazeltine the in- 13948 surance on the policy of C. S. Hazeltine, dee'd, 714 a few days ago. Mr. Hazeltine had token a 15154 policy in 1862, on which he had paid \$235 70 up | 13878 to the time of his dicease. The unused dividends and additions increased the amount to \$1,274 68, which was paid over to the widow of the dec'd. This is a large percentage on a small invest- 18188 ment, and the punctuality in paying up the 13798 claim is an evidence that the company is a good 18201 one to take a policy. It has been asserted that 13801 the New York Matual Life Insurance Company was considered the best in the world, and this | 17403 case, in our midst, is good evidence that the assertion is not without foundation.

How the Large Prizes were Disposed of .-Mr. James Madara, of Muney, who drew the \$300 prize in the late drawing at this place, is a | 16729 mechanic who was indebted just that amount on 11278 his homestead, to which he applied the money. J. Ruch, residing near Northumberland, bought | 15642 four tickets for himself, wife and two daughters. | 5578 Oue daughter, his wife and bimself each drew a | 6644 prize. Per centra, some of our citizens who had | 7527 scures of tickets did not get a dollar. A num- 12545 ber of others who drew prizes donated them to 8028 the Fire Company. W. Cameron Packer, Esq., who drew a hundred dollar prize, donated the same to the No. 1 Steam Fire Company, of which 5206 he is an active member, and for which act of liberality the company tendered him a vote of thanks. The firm of Fryling, Bowen & Engel | 19794 also generously donated their prizes, amounting | 14306 to \$64, to the Washington Steam Fire Company, to aid them in the crection of their new engine 13487

Died Suddenly of Heart Disease. How common is the aunouncement. Thousands are suddenly swept into eternity by this fatal malady. This disease generally has its origin in impure blood filled with irritating, poisonous materials, which, circulating through the heart, irritate its delicate tissues. Though the irritation may at first be only slight, producing a little palpitation or irregular action, or dull, heavy, or sharp darting pains, yet by and by the disease becomes firmly seated, and in-flammation, or hypertrophy, or thickening of the lining membrane or of the valves, is produced. How wise to give early attention to a case of this kind. Unnatural throbbing or pain in the region of the heart should admonish one that all is not right, and if you would preserve it from further disease, you must help it to beat rightly by the use of such a remedy as will remove the cause of the trouble. Use Dr. Pierce's Golden Medical Discovery before the discuse has become too seated, and it will, by its great blood parifying and wonderful regulating properties, effect a perfect cure. It contains medicinal properties which act specifically upon the tissues of

the heart, bringing about a healthy action. Sold by all first-class Druggists. HEART DISEASE CURED. ROCKPORT, Spencer Co., Ind., Feb. 1, '74. Dr. R. V. PIERCE, Buffalo, N.
