PAINS AROUND THE HEART

When the action of the stomach is weakened by debility or defective nerve force the food is retained until it ferments. Gas forms and presses on the other organs, particularly the heart, the pains in that region often causing a fear of heart trouble. Organic heart disease rarely causes pain around the heart and when this symptom is noted you should try toning up your digestion before giving way to needless alarm. Dr. Williams' Pink Pills are a tonic that directly affects the organs of digestion. They supply to the stomach the rich, red blood which without normal digestion is impossible. They awaken into activity the gastric glands and strengthen the muscles of the stomach and give the nerve force necessary to proper digestion and assimilation. With this blood and weak nerves it is impossible to avoid stomach trouble. Build up the blood and strengthen the nerves and the increased appetite, the comfortable feeling after eating and the improvement in health and vigor.

Two books "Building Up the Blood" and "What to Eat and How to Eat" will be sent free on request by the Dr. Williams' Medicine Co., Schenectady, N. Y. Dr. Williams' Pink Pills are for sale in every drug store.—Advertisement.

Invitations were extended for the entertainment of the clan next year, the vote-carrying to accept the invitation to return to Williamsport in 1915 on the second Thursday of September.

An informal program of vocal and instrumental music and addresses was held throughout the day with a banquet at the Acadia Club in the evening, with John H. Hest, an orchestra played and everyone, old and young, joined in the grand march.

A surprise of the evening was the presentation of two handsome gifts, the recipients being Mrs. Laura Mahaffey Bennett, corresponding secretary, of Williamsport, who was presented with a set of silver teaspoons, and Mrs. Estelle H. The second surprise she was about to retreat from the gaze of several hundred people, in the form of a substantial check, handed her by the president, Mrs. Estelle H. Carst, of James Whitcomb Riley's poems as a presentation speech.

The work of the history was done by two Harrisburg printing houses, as Mrs. Carst relieves her home patronage. Doubtless it will find a ready sale among the Mahaffey descendants in this city and vicinity at a nominal price.
