Lewisburg, Pa.

FRIDAY MORNING, MAY 6, 1859.

ADVERTISE!—Manufacturers, Merchants, Mechanics, Professional men in City and Country, Farmers—and all who wish to buy or sell property, should advertise. The circulation of the *Union County Star*, which has a large and increasing circulation in a community containing a large proportion of active, intelligent producers, consumers and dealers, as any in the State.

☞ See New Advertisements.

STAR & CHRONICLE.—We think the new head for our paper can hardly be excelled. It is full, rich, neat, and appropriate. We are not partial to changes, except for the better. The first name in our estimation will be hailed with pleasure by many old patrons of the *Star* whose prejudices never led them to desire the change, but who will now learn it worthy of their patronage as ancient years. They will find our paper has more solid matter than their former favorite, and the interest and value of the business notices (as well as all the official County Advertising of which Commissioners, Auditors & Executors, &c., &c.) from May to the close of the year, place it in a position to which it justly lays claim to support at the hands of the people.

☞ Any person can send for the paper a month on trial through the Post Office or by private conveyance, and Merchants can leave their names at Mostoller's and also at the Post Office, and will also afford a good opportunity to answer to new subscriptions.

AGENTS.—We appoint no agents, but any one who can procure subscribers will have the paper sent to them on the terms. In this connection we mention particularly J. J. Sprenkle at Hartleton, Edward Gallen at New Berlin, Wm. Bogar at Middleburg, G. M. Kleckner, Wm. Hall, Asa Hall & Jas. A. Brown, Aaron Musselman at White Deer Mills, Butterworth at West Milton and Bobb's Hotel, at points where no stores are located—for a few copies, as well as clubs, desired by readers, please to address. Those having back papers can procure specimens of the present number. Those wishing to commence with the present year, or any other period of the year, can have their names entered. Those desiring their papers sent to other post offices than those to which they now go, can have the change made by addressing us. Those who receive papers and do not wish them continued, will please notify us of the fact, and not suffer the paper to accumulate in the office, as we prefer to have them pay for it and use it, besides.

☞ NEW GOODS at the Post Office, and at Hassh & Goldman's. (Advt's promised but not rec'd as our "engine" is ready for action.)

☞ A superior Farm in Union county, and another in Northumberland county, will be found among our new advertisements this week.

☞ Mr. KARRICH, at the Auction and Commission Rooms, has for sale a fine assortment of Prints and Books, principally German.

AUCTION! AUCTION!—To-morrow afternoon and evening, at Dieffenbacher's—Dry Goods, &c. &c.

☞ Hot weather coming in, HEINER takes the lead in preparing to meet it with antidotes of Ice Cream adapted to the size and the desires of patients.

Bank Dividends.

The Danville Bank last Tuesday declared a semi-annual dividend of 5 per cent., payable on the 12th inst.

The Lewisburg Bank has declared a semi-annual dividend of 4 per cent., payable the 15th inst.

The Northumberland Bank declared a semi-annual dividend of 3½ per cent.

☞ On Wednesday last, DAVID REBER was elected Cashier of the Lewisburg Bank, and J. BROWN M'LAUGHLIN, Teller—both, long and favorably known as Teller and Clerk for the same Bank.

SUDDEN DEATH.—We learn by the *Press* that the wife of Christian Weber, of West Buffalo, Union Co., died very suddenly on Sunday evening last. Her age was about 40 years. She had walked to Mifflinburg to church, during the day, and appeared well as usual up to within fifteen minutes of her death. She was running after a goose, and accidentally fell, bursting an artery, which caused the blood to flow rapidly, and before medical aid could be summoned, she was a corpse!

MISSIONARIES.—Rev. J. Q. A. Rohrer, late of the Collegiate and Theological Departments of the University at Lewisburg, has been accepted as a missionary of the Am. Bap. Board, designed for a foreign field.

Rev. Ashbel Green Simonton, of the O. S. Presbyterian church, is about to proceed as a Missionary to Brazil.

☞ At the last meeting of the Lewisburg Council, the Supervisor was directed to repair the damage to streets from laying gas pipes, unless the Company do it within ten days—to repair bridge on the Race at tan-yard—and to pave Cherry alley from Water street to the River as soon as materials can be obtained.

☞ From all parts of Union county, we have the most cheering news respecting the prospects for Wheat, Grain and Fruit. Considerable Corn has been planted, and this week has been thus far very favorable for stirring the earth. The adjoining counties also look promising for fine crops.

☞ The Jersey Shore *Vedette* styles our statement of a reward of $100 offered for the detection of the incendiary at their late fire, "news." We forgot where we derived our information, but suppose it to have been erroneous from the Vedette's reference.

☞ The Fulton has returned from Paraguay to the United States, bearing on board Commissioner Bowlin, our correspondent "G.," *and* the new Treaty of peace—all well, especially "G.," as we learn by his dispatch from Washington.

☞ The "*Swamp Fox*" and "*One-Eyed Scout*" papers are very interesting reading, just now! Such delicate morsels must greatly increase their circulation and their pay from *appreciating* patrons!

☞ The Commissioners of Union county have concluded the Appeals from the Triennial Assessments. The deductions made do not equal the amounts added to the valuations on their revision.

☞ Our columns are so crowded that we are again obliged to omit the Jury and Trial List. They will be published, again, next week.

☞ Half a day's out-door business last week, revealed to us the new store of Curry & Bro. at New Columbia in this county—Dutemans doing his accustomed large snug business at West Milton—and considerable improvements of new land around White Deer Mills. There are yet thousands of acres of land in Union county, which might be made available for grazing or for fruits. Stock growing and wool raising are among our best branches of business, and much land will serve for their purposes which are useless for grain. We obtained some light woolen goods from Mr. Stadden at his Factory in White Deer Mills, which for quality and price we considered a superior bargain. Mr. S. is an industrious and experienced manufacturer, and we regret that he has not met more encouragement for a well sustained establishment like his would be worth more than half a dozen stores to a township.

☞ We take no part yet in indicating a preference for any candidate for President. We notice, however, on the authority of a Lewisburger recently from California, that the gentleman who first nominated Col. Fremont, is again in his favor, and that the Spanish and other papers there are warming up with enthusiasm for his renomination. They think the Pacific Railroad the great necessity of the Union, and that none but a Californian would have interest in the work, and proper understanding of its importance, to push it through to a speedy, economical and serviceable completion.

CHANGE.—There has been, under new administration of the Northern Central Railroad, a general change of agents along the line, and the Lewisburg Agent, CHAS. H. M'GINLEY, has just taken his "turn" in the "rotation." We have always found him obliging and attentive, and doubt not his successor in that Company's service—CLARENCE G. FRICK, (who has taken the new Station House)—will be found equally assiduous in his efforts to serve the public. Mr. M'Ginley retains the old stand in the employ of the Sunbury & Erie Road.

☞ The Susquehanna Telegraph Line has been re-established by the way of Port Clinton, which reduces 10 word Messages to Philad. from Lewisburg to 45 cents, and a corresponding reduction to all points beyond.

☞ GEO. W. GRAHAM we observe is Superintendent of the Johnson House, Cleveland, Ohio—said to be an excellent hotel for travelers.

☞ Mr. Elias P. Rohbach, of Union county, has made arrangements to take charge of the M'Ewensville Academy.

Mr. Yeager, a respectable merchant of Easton, suddenly disappeared several weeks ago, and it was feared he had been robbed for his money. Recently, his body was found near Pittsburg, with his money about him—proving that he had probably wandered off in a state of insanity.

Ex-Judge Daniel B. Vondersmith, of Lancaster county, was tried before U. S. District Judge Cadwallader, at Philad., and found guilty of forging land warrants. He was yesterday sentenced to pay one thousand dollars fine, and serve twenty years in the penitentiary.

Mr. Samuel R. Ellis, of Pottstown, summoned as a Juror in the United States Court for the Eastern District of Pennsylvania, was fined $50 by Judge Cadwallader, last week, for expressing an opinion after having been empannelled as a juror.

Col. Joseph Paxton, of Cattawissa, recently celebrated his "golden wedding"—the fiftieth anniversary of his marriage—among quite a crowd of his descendants.

At the late session of the Juniata county court, there was no work for the Grand Jury, and one civil case only for trial.

Mr. Davis, a new hand at the business, succeeds Messrs. Laird & Campbell in the charge of the Juniata *Sentinel*.

On the 24 inst., a locomotive blew up on the Penn'a. Railroad near Greensburg in Westmoreland county, killing one engineer, conductor, and fireman. The fault is laid upon the engineer.

A gray-headed man left Sunbury, drunk, on Friday evening last, and fell asleep on the railroad track below Sunbury, when a train came along and cut off his right arm. He was left in charge of Dr. Real.

George Hill, and Shindel Gobin, Esqs., have associated in the practice of the law, at Sunbury.

Henry Lambert of Pittsburg, has been elected Grand Master of the Order of Odd Fellows in Pennsylvania.

Daniel W. Raseh, near Limestoneville, was admitted to practice in the several Courts of Lycoming county.

At the recent session of the N. S. Presbytery at Williamsport, seven churches were represented. The colored church at Harrisburg was received by the name of the second Presbyterian church of Harrisburg. Next session at Northumberland, 13th Sept. next. Rev. C. H. Hutchins and Eld. Jas. Loudon were chosen Commissioners to the General Assembly, and J. W. Davis and Dr. Carr their alternates.

Miss Coulbron, of Selinsgrove, was robbed of $12 at Harrisburg, while on her way to Philadelphia.

The uniformed militia of Snyder county are called to meet at Middleburg, on the 18th of May, for review and inspection, at which time they will be formed into a regiment, under the orders of Gen. Kase.

The Congregations of the Lutheran Church at Muney have presented their Minister, Rev. George Parsons, with a beautiful Jenny Lind Carriage, of the value of $155.

We learn from the Sunbury *American* that the ladies connected with the German Reformed Church, of that place, have, within the last few months, from the sale of refreshments and fancy articles, raised nearly seven hundred dollars, or sufficient to clear their church from debt.

Lycoming County Court.—In the case of Commonwealth vs. A. Updegraff, for libel upon Clinton Lloyd, the jury, after an absence of about forty hours, returned that they were unable to agree, and were discharged.

MUNEY, May 2, 11 P. M.—The Baltimore train from Williamsport, to-night, ran over a woman near the water tank, killing her almost instantly. We did not learn her name. She was intoxicated.

CAUSE OF THE GREAT PROSPERITY OF THE IRON CITY COLLEGE.—Owing to the thorough and comprehensive course of instruction pursued in the Iron City College, under teachers who, by their experience and scholarship, enjoy the favor of many of the most distinguished scholars in the country, its present number of students is fully ten times that of any other Commercial College in Pittsburgh, and is now the most popular and successful Commercial School in the United States.

HEALTH RENEWED.

We do not think a person can evince a more benevolent trait of character than being moved at the distress of others, and furthermore, anxious to do all in their power to alleviate by every possible means human suffering. In this view of the case, we do not know how the humane and benevolent can do an action more in accordance with their philanthropic views, than by calling the attention of their afflicted friends and acquaintances to the fact, that Dr. SETH S. HAYES, of this Borough, Pennsylvania, Physician and Surgeon, Harrisburg, Pa., has discovered a preparation, which is just up in the form of a pill, that has a specific action for curing Epilepsy, in falling fits, spasms, cramps, and all forms of nervous diseases. Among those who have been permanently cured, we might mention a member of the family of James H. Beadle, Huntsville, Alabama; Mr. M. P. Sledge, Cabin Point, Surry county, Va., and Mr. W. P. Logan, Grenada, Mississippi. We might go on enumerating a number of others, until we had exhausted all the columns of this paper; but we deem it unnecessary to do so, as we are confident the subject matter contained in this notice will be sufficient to induce every one to "Doubt" if they are a well man or woman, and if a sufferer, to procure the remedy which is in every place in effect at 25 cents per vial.

These Bitters were discovered by Gustave R. Gerson, and in their tonic and alterative powers that of any other preparation of medicine. Containing no alcoholic ingredients, it presents the purest drug—in their nature both tonic and alterative—that can be given to the afflicted. They act in combination and a true indorser of Medicine which cannot be trusted in eradicating disease and restoring the system to its pristine vigor and health. Numbers of how-to-do-nothing, or knowing fellows (or so they think themselves) will say, "Oh, I don't believe in any of your patent medicines," no matter, that is their business—the world of the public are not required to satisfy the caprice of that few dozens of unbelievers in the gospel remedy.

In the case of the many cures effected by this Remedy reference is had to the existing certificates from disinterested persons known all over the land.

[An Obdurate and Inveterate Case of Dyspepsia Cured by the Bitters.]

The following from a gentleman well known in the region in which he lives ought to satisfy all classes of the latter:

WASHINGTON, N. Y., July 28, 1858.

S. W. FOWLE & Co., Boston.—Since years since I was attacked by that curse of all diseases, Dyspepsia, which has continued to cause great oppression, fulness, and distress after eating, to bowels in the dullest, most distressing manner, rumbling, acidity, and headache, together with general debility and suffering, altogether rendering life a burthen.

After having tried every known remedy without effect, and despairing of ever receiving any benefit, I was induced to purchase of your agent, Dr. Sherman, your Bitters, the good effects of which were immediately evident on my health and system. Before using a whole bottle I was entirely cured, and I feel a pleasure in inducing all like sufferers as myself to make use of this remarkable remedy.
