HENRY YOXTHEIMER, October 24, 1840. THE CAUSE OF DISEASE.

Nearly all choses of disease, are caused by some obstruction in the system, which prevent the re-in-iar and wholes me operation of the animal fan-tions. This state of the system, is disease, which is manifested in a variety of forms, more or le a mid grout in their character. To restore the system to a state of health, then, it is only necessary to a move the cause of discare, and the end is accouplaced. The cause is obstruction somewhere. To a can be removed by purgation, which is the only means that should be resoned to, because, sugges - 1 by reason, and by nature. Dr. Hatlich's Strengt ening and German Aperions Pills, are abowed by the mousands who have used them, to be the but purgetive medicine in existence. Because, they tem of its impurities, but, because, and watch is catremely important, strengthen and give proper tonto the sto-nach, and produce a healthy action of a I the parts. Besides, they are so mild and gentle in their operation, as to render them at all times a perfeetly safe and desirable remedy. The afficted would do well, then, to purchase a box or two of thes invaluable medicine, and give it a fair trial, instead of destroying their systems with off-repeated doses of catomet, and other drugs, so injurious to

burnon life and happiness.
