

George Handy, and the \$99,000. GEORGE HANDY was summoned before the joint committee to enquire whether any corrupt means had been used by the banks to influence the Legislature, or any department of the government, and when the committee proposed to swear him to tell the truth, the whole truth and nothing but the truth, in regard to the transaction, he refused to take the oath, when the committee through their chairman, Mr. Sharswood, introduced a resolution to bring him up before the House for a contempt. On Monday at nine o'clock he was brought to the bar of the House, and having there refused to be sworn, various motions were made, first to reprimand, second to imprison in the county jail, third in the arsenal, and fourth in the east committee room of the capital, the latter place being the most comfortable, was pitched upon, and Mr. Handy is now a "State Prisoner" in the east committee room of the Capitol of Pennsylvania. The imprisonment, however, is not deemed by some to be so sanguinary as might have been supposed. From the speeches on the occasion, for we learn that Mrs. Handy submits it voluntarily, and without a resolution of the House. The reasons for Mr. Handy's refusing to testify, are that his testimony might be used to his prejudice in suits now pending against him in Philadelphia, and we learn he proposes to make a full disclosure, provided the Legislature pass a law to shield him from any evil consequences which might arise from his own testimony, and the Senate has accordingly passed a bill to meet the case, so that it is possible the truth may yet come out in regard to this extraordinary transaction. Let the truth be told, suffer who may. Since the above was in type the House has passed the Senate bill, directing the Atty Gen. to enter a nolle prosequi, in any criminal prosecution against George Handy, provided he appears before either House of the Legislature or their committee, and testify all his knowledge in regard to the above transaction, and the bill has been signed by the Governor and is now a law, and we presume Mr. Handy will have no excuse for refusing to give testimony in the case.—Keynote.

TRIANGULAR WAR.—In the House of Representatives the singular spectacle of three distinct parties is presented, viz: the whig party, the democratic party, and the Tyler party. It has been said, that when three physicians are called in, the patient is sure to die—and such we fear, will be the doom of Uncle Sam—for the political doctors who have him in hand, are more intent on plundering his chest than on curing his disease. Himself may die and his family starve, for ought they care, if they can but "put money in their purse." Leeches drop off the human body when they are filled; but political leeches stick to the body politic as long as blood can be drawn.—Balt. Chippie.

A CERTAIN REMEDY.—We with great pleasure recommend to our patrons *Brandreth's Vegetable Pills* as being a certain remedy for cold, and sudden attacks of disorder. An early use of these pills often produces the happiest effects—and in cases of indigestion, headach, dizziness, pains in the stomach and bowels, diarrhoea, dropsies, fever and ague, &c. They will be found of incalculable value in removing these diseases from the body, without producing any pain whatever. Families living remote from skillful physicians, ought always to be provided with these Pills, as their seasonable application oftentimes prevents the most serious and formidable maladies.—Saturday Courier.

On the 29th ult., by the Rev. J. P. Shindler, Mr. ARTHUR BRONSTEIN to Miss REBECCA BERGER, both of Augusta.

At Portville, on Sunday last, by the Rev. Mr. McCool, Mr. SAMUEL HARRISON to Mrs. ELIZABETH KEANA, both of this place.

His remains were conveyed to Milton on the 23d, attended by a number of friends and acquaintances, there to rest until the triumph of the Archangel shall awaken the repose of ashes of the departed. His end was peace.

Liver Complaint. Ten years standing, cured by the use of Dr. Harle's Compound Strengthening and German Aperient Pills.

MRS. SARAH BOYER, wife of William Boyer, North Fourth Street above Calowhill, Philadelphia, entirely cured of the above distressing disease. Her symptoms were habitual constiveness of the bowels, total loss of appetite, excruciating pain in the side, stomach and back, depression of spirits, extreme debility, could not lie on her left side without an aggravation of pain, with other symptoms indicating great derangement in the functions of the liver. Mrs. Boyer was attended by several of the first physicians, but received but little relief from their medicine—at last a friend of hers procured a package of Dr. Harle's Strengthening and German Aperient Pills, which, by the use of one package, induced her to continue with the medicine, which resulted in effecting a permanent cure, beyond the expectations of her friends.

Principal office for this medicine is at No. 19 North Eighth street, Philadelphia. Also for sale at the store of HENRY YOSTHEIMER, Agent.

BANKRUPTCY.
To those who wish to take the benefit of the BANKRUPT LAW.
W. M. E. AUSTIN, Attorney at Law, Pittsburg, offers his services. Office in Burke's building, 4th between Wood and Market streets. Understanding that many persons who are desirous of a discharge under this law, are not aware of its nature, it would be well perhaps to accompany this notice with a few words of explanation.—Applicants living in Northumberland county, can petition in Pittsburg, to his Honor, Thomas Irwin, Judge of the U. S. District Court, who sits for the purpose of receiving petitions every day from 10 till 3 o'clock. The petition must contain a schedule of his property and a list of his creditors, their place of residence, and the amount due to each so far as petitioner can ascertain. Any person can be discharged, without regard to the amount of his debts. The costs of an application (exclusive of the attorney's fee) will be about \$12.

From the time the application is filed the applicant cannot be arrested, nor his property levied on unless in case of a lien.

Applicants need not be present at any time, as the attorney can attend to every thing necessary. Persons wishing to apply are requested to write to me, and I will send them an approved form of petition, which it is only necessary to fill up and swear to before the Commissioner for that county, or if not near the county seat, a magistrate, and then to me, and I will, where he is discharged, send him a certificate. W. M. E. AUSTIN, Pittsburg, April 2d, 1842.—3t.

W. M. E. AUSTIN, Esq., will give his attention to all my unfinished business, and I recommend him to the patronage of my friends.

WALTER FORWARD.

They will also deliver, at any place within the borough of Sunbury, Lime for land, at 10 cts. per bushel, and Lime for plastering at 12 cts. per bushel. A NATURAL REMEDY.
Suited to our constitutions, and competent to cure every curable disease, will be found in WRIGHT'S INDIAN VEGETABLE PILLS.

OF THE NORTH AMERICAN COLLEGE OF HEALTH.

THESE extraordinary pills are composed of plants which grow spontaneously on our own soil, and are therefore better adapted to our constitutions than medicines concocted from foreign drugs however well they may be compounded; and as the INDIAN VEGETABLE PILLS are founded upon the principle that the human body is in truth subject to but one disease, viz: corrupt humors, and that said medicine cures this disease on natural principles by cleansing and purifying the body; it will be manifest that if the constitution be not entirely exhausted, a preference in their use, according to directions, is absolutely certain to drive disease of every name from the body. The Indian Vegetable Pills will be found one of the best, if not the very best medicine in the world for carrying out this grand purifying principle, because they expel from the body all morbid and corrupt humors (THE CAUSE OF DISEASE) in any easy and NATURAL manner; and while they every day give ease and pleasure, a disease of every name is rapidly driven from the body.

The above named Indian Vegetable Pills have been three years before the American public, and we can now say with out fear of contradiction, that of all the various medicines which have heretofore been popular not one has given such a permanent hold upon the affections of the people. Not only do all who use it invariably experience relief, and recommend it in the strongest terms, but it has effected some of the most astonishing cures ever performed by medicine. For sale by H. B. MASSER Sunbury. April 2d, 1842.

From the Union Times.
MR. EDITOR.—Understanding that Capt. W. H. Kase, of Rush township, Northumberland co., will be a candidate for Brigade Inspector, we take pleasure in urging his claims, and recommending him to the especial notice of every militia man in the Brigade. Were we not intimately acquainted with him, and were we ignorant of his capacity and worth, we would not undertake to speak of him in flattering terms or even recommend him for this office, but owing to our knowledge of the man, we unhesitatingly say, his equal, in every respect, is not to be found amongst any of the other candidates for this office. We trust his claims will be duly considered, and that we will have the pleasure of seeing him almost unanimously elected.
