

existed to warrant such a proceeding. As it was the heat was terminated in 7 45, Boston being just opposite the two mile distance post.

This terminated this second great trial of speed between the North and the South, and victory has once more been ours. It was a glorious contest; and although Boston was beaten, it must be borne in mind that this time was better than that of Eclipse. All that can be said is, that Boston has beaten himself, and FARRIS has beaten Boston.

BAPTISTS IN BOSTON.—Six hundred and three members have been added to the several Baptist Churches, eight in number, in Boston, during the months of March and April.

THE 44th BRITISH REGIMENT.—This Regiment, which has been annihilated by Afghans, formed part of General Packenham's army at the battle of New Orleans—it was then under Col. Mullens and was disgraced there for not bringing up the *fascines* in time—and to this circumstance, the disasters of that fatal day were attributed. The regiment then lost their colors, and were sent to India to regain them.—N. Y. Express.

Sick Headache.
Is a very common affection. Its attacks are very severe, and characterized by spasmodic pains, shifting from one part of the head to the other, frequently commencing in the morning, attended with sickness of the stomach, nausea, faintings, and sometimes vomiting, gripings, and confusion of sight, &c. &c. This disease is produced from various causes, perhaps the most common, is a derangement of the stomach and digestive organs. FEMALES are most subject to this affection, particularly those who lead a sedentary life. Dr. Harlick's Compound Strengthening Tonic and German Aperient Pills, are warranted to arrest this troublesome disease: first by cleansing the stomach and bowels, purifying the blood, and removing all diseased and excrementitious humors from the liver and intestines. By the use, first, of a few doses of the *Aperient German Pills*, afterwards two or three doses of the *Strengthening Tonic Pills*, which are used to strengthen and invigorate the nervous system, give tone to the stomach and organs of digestion, thus imparting to their subtle fluid its pristine vigor, this afflicting disease may be entirely removed. This is the only mode of treating this annoying complaint, and has been attended with success in thousands of cases.

HAVING associated with them Joseph Barnett, late of Easton, Pa., respectfully inform their friends and the public generally, that they have taken that large and well known store and wharf at foot of Willow Street Railroad, lately occupied by Jacob Martin, where they purpose doing a General Commission and Forwarding Business, and from the local advantage of the place being connected with all the public improvements that have their outlet in the city, they flatter themselves they will be able to do business to as great, if not greater advantage, and upon as reasonable terms as any other house, and they assure their friends that any consignments made to them shall have their strict attention, and no exertions spared to give entire satisfaction.

The best method for the Abolition of Disease is to cleanse and purify the Body.

WRIGHT'S INDIAN VEGETABLE PILLS

Are now acknowledged to be the best Medicine in the World for the cure of EVERY VARIETY OF DISEASE.
BECAUSE they completely cleanse the stomach and bowels from the cause not only of Headache, Giddiness, Palpitation of the Heart, Pains in the Bones, Rheumatism and Gout, but every malady incident to man. SAID INDIAN VEGETABLE PILLS are a certain cure for intermittent, remittent, nervous, inflammatory and putrid Fevers, because they cleanse the body from those morbid humors, which, when confined to the circulation, are the cause of all kinds of FEVERS. So, also, when the same impurity is deposited on the membrane and muscle, causing pains, inflammations and swellings called RHEUMATISM, GOUT, &c. Wright's Indian Vegetable Pills may be relied on as always certain to give relief, and if persevered with, according to directions will most assuredly, and without fail, make a perfect cure of the above painful maladies. From three to six of said Indian Vegetable Pills taken every night going to bed, will in a short time, so completely rid the body from every thing that is noxious to health, that Rheumatism, Gout, and pain of every description, will be literally DRIVEN FROM THE BODY. For the same reason, when, from sudden changes of atmosphere, or any other cause, the perspiration is checked, and the humors which should pass off by the skin are thrown inwardly, causing HEADACHE, GIDDINESS, nausea and sickness, sore throat, hoarseness, coughs, consumptions, rheumatic pains in various parts of the body, and many other symptoms of CATCHING COLD, Wright's Indian Vegetable Pills will invariably give immediate relief. From three to six of said Pills taken every night on going to bed, will in a short time, not only remove all the above unpleasant symptoms, but the body will, in a short time, be restored to even sounder health than before.

ASTHMA, OR DIFFICULTY OF BREATHING.—Wright's Indian Vegetable Pills will loosen and carry off by the stomach and bowels, those tough phlegmy humors, which stop up all the air cells of the lungs, and are the cause, not only of the above distressing complaint, but when neglected, often terminates in that more dreadful malady called CONSUMPTION. It should be also remembered that Wright's Indian Vegetable Pills are a certain cure for PAIN IN THE SIDE, Oppression, nausea, and sickness, loss of appetite, costiveness, a yellow tinge of the skin and eyes, and every other symptom of a torpid or diseased state of the liver; because they purge from the body those impurities which if deposited upon this important organ, are the cause of every variety of LIVER COMPLAINT. When a nation is convulsed by riot, or breaks and rebellion, the only means of preventing the dreadful consequences of a CIVIL WAR, is to expel all traitors, and evil disposed ones from the country. In like manner, when pain or sickness of any kind, indicate that the body is struggling with internal foes, the true course is to EXPEL ALL MORBID HUMORS, (Traitors to health and life.) Health will be the certain result. That the principle of curing disease, by cleansing and purifying the body, is strictly in accordance with the laws which govern the animal economy; and if properly carried out by the use of the above named WRIGHT'S INDIAN VEGETABLE PILLS, will certainly result in the complete Abolition of Disease; we offer the following testimonials, from persons of the highest respectability in New York, who have recently been cured of the most obstinate complaints, solely by the use of WRIGHT'S INDIAN VEGETABLE PILLS, of the North American College of Health:

JAMAICA, L. I., June 9th, 1841.
Dear Sir—I have been afflicted for several years with general weakness and general debility, accompanied with pains in the side and other distressing complaints. After having tried various medicines without effect, I was persuaded by a friend to make trial of Dr. Wright's Indian Vegetable Pills, which I am happy to state, have relieved me in a most wonderful manner. I have used the medicine, as yet but a short time, and have no doubt, by a perseverance in the use of the medicine according to directions, that I shall in a short time be perfectly restored.
I most willingly recommend said Pills to all persons similarly afflicted, and in the full belief that the same beneficial results will follow their use. I remain yours sincerely,
HENRY A. FOOTE.
Warrington, Ulster co., N. Y.

NEW YORK, Sept. 29, 1841.
This is to certify that I have used WRIGHT'S INDIAN VEGETABLE PILLS with the greatest benefit; having entirely cured myself of the frequent attacks of Sick Headache, to which I had previously been subject.
ANN MARIA THOMPSON,
392 Greenwich street, N. Y.

To Mr. Richard Dennis, Agent for Wright's Indian Vegetable Pills.
As there are at this time many wicked persons busily engaged in selling a counterfeit medicine under the name of the Indian Vegetable Pills—and as these desperate men are so utterly reckless of consequences, that many valuable lives may be lost in consequence of using their dreadful compounds, the public are cautioned against purchasing any Pills, unless on the tides of the boxes the following wording is found:
WRIGHT'S INDIAN VEGETABLE PILLS, (Indian Purgative) OF THE NORTH AMERICAN COLLEGE OF HEALTH. And also to be especially careful against purchasing said medicine of any person except the regular advertised agents.

ROSE OINTMENT, FOR TETTER.

RINGWORMS, PIMPLES ON THE FACE, AND OTHER CUTANEOUS ERUPTIONS.
The following certificate describes one of the most extraordinary cures ever effected by any application.
PHILADELPHIA, February 10, 1838.
FOR twenty years I was severely afflicted with Tetter on the Face and Head: the disease commenced when I was seventeen years old, and continued until the Fall of 1836, varying in violence, but without ever disappearing. During most of the time, great part of my face was covered with the eruption, frequently attended with violent itching; my head swelled at times until it felt as if it would burst—the swelling was so great, that I could scarcely get my hat on. During the long period that I was afflicted with this disease, I used a great many applications, (among them several celebrated preparations) as well as taking inward remedies, including a number of bottles of *Suzain's Panacea*, *Extract of Sarsaparilla*, &c. In fact, it would be impossible to enumerate all the medicines I used. I was also under the care of two of the most distinguished physicians of this city, but without receiving much benefit, and I despaired of ever being cured. In the Fall of 1836, the disease at the time being very violent, I commenced using the *Rose Ointment*, (prepared by Vaughan & Davis.) In a few applications the violent itching ceased, the swelling abated, the eruption began to disappear, and before I had used a jar the disease was entirely cured. It has now been nearly a year and a half since, and there is not a vestige of the disease remaining, except the scars from the deep pits formed by the disease. It is impossible for me to describe in a certificate the severity of the disease and my suffering, but I will be pleased to give a fuller account to any person wanting further satisfaction, who will call on me. At the time I commenced using the *Rose Ointment* I would have given hundreds of Dollars to be rid of the disease. Since using it, I have recommended it to several persons, (among them my mother, who had the disease badly on her arm,) who are all cured by it.
The *Rose Ointment* is prepared by E. B. Vaughan, South East corner of Third and Race Streets, Philadelphia, and sold on agency in Sunbury, by H. B. MASSER, Agent.

Rose Ointment for Tetter.

A PROOF OF ITS EFFICACY.
This is to certify that I was severely afflicted with Tetter in the hands and feet for upwards of forty years; the disease was attended generally with violent itching and swelling. I applied to a number of physicians, and used a great many applications without effecting a cure. About a year since, I applied the *Rose Ointment*, which entirely stopped the itching, and a few applications immediately cured the disease, which there has been no return of, although I had never been rid of it at any time for forty years.
RICHARD SAVAGE,

MEDICAL APPROBATION OF THE ROSE OINTMENT, for Tetter.

ALTHOUGH the superiority of the preparation above all others is fully established, the proprietors take pleasure in laying before the public the following certificate from a respectable physician, a graduate of the University of Pennsylvania. Dr. Baugh, having found in this remedy that relief for a tedious and disagreeable affection which the means within the range of his profession failed to afford, has not hesitated to give it his approbation, although the prejudices and interests of that profession are opposed to secret Remedies.
PHILADELPHIA, Sept. 19, 1836.
I was recently troubled with a tedious herpetic eruption, which covered nearly one side of my face, and extended over the ear. Mr. Vaughan, proprietor of the *Rose Ointment*, observing my face, insisted on my trying his preparation, of which he handed me a jar. Although in common with the members of my profession, I discountenance and disapprove of the numerous nostrums palmed upon the public by ignorant pretenders, I feel in justice bound to except the *Rose Ointment* from this class of medicines, and to give it my approbation, as it entirely cured the eruption, although it had resisted the usual applications.
DANIEL BAUGH, M. D.

MERCHANTS' HOUSE,

No. 237, North Third, above Callowhill St., PHILADELPHIA.
THE subscribers takes pleasure in acquainting their friends and the public in general, that they have taken the large and commodious Hotel, recently built by the Messrs. Hart, on the same site once occupied by the old established Hotel known as the Bull's Head, in Third street above Callowhill.
This Hotel is finished in the very best possible manner, and of the best materials. Its location is very desirable, particularly for country merchants; the arrangements for heating and ventilating each room is such as to secure any temperature. The bedrooms are all light and airy, all furnished in a neat style, so as to insure comfort.
The receiving parlors are also furnished in a superb style, the windows are on the French style, forming an entrance to a balcony in front, which makes a pleasant recess. Particular attention has been given to the beds and bedding, which, with the furniture, are entirely new.
From years' experience in hotel business, we trust, by strict attention to business, to make this house a desirable stopping place. Our table will always be supplied with the very best of market can afford, and our bar with the best liquors and wines of the most approved brands.
P. S. There are first rate stabling and carriage houses attached to the hotel, attended by careful and sober hostlers, and our charges will be low, in accordance with the present hard times.
