WINSLOW'S BALSANO! HOREHOUND:

A N unparelleled remedy for common Colds, Coughs, Asthma, Influenza, Whooping Cough, Bronchitis, and all diseases of the Breast and Lungs, leading to consumption; composed of the concentrated virtues of Horehound, Bonset, Blood Root, Liverwort and several other vegetable substances. Prepared only by J. M. Winslow, Rochester, New

The innocence and universally admitted pectoral virtues of the Herbs from which the Balsam of Horehound is made, are too generally known to require recommendation; it is therefore only necessary to observe that this Medicine contains the whole of their Medicinal properties, highly concentrated, and so happily combined with several other vegetable substances, as to render it the most speedy, mild and certain remedy, now in use, for the complaints above mentioned.

The Balsam removes all imflammation and soreness of the Lungs, loosens tough visid phlegm, enabling the patient to expectorate with ease and freedom, assuages cough, relieves athmatic and difficult respiration, heals the injured parts, opens the pores, and composes the disturbed nerves, and gives strength to the tender lungs, and thus produces a speedy and tasting cure.

INGRATUTURE IS THE BASEST CRISE IN MAN .-We are not among that class of Editors who for a few dollars will, (at the expense of truth and honesty) "crack up" an article and bring it into rapid sale; neither are we willing to remain silent, after having tested the utility of an improvement or discovery in science or art .- Our readers will recollect we told them we were unwell with a sore throat and violent cold some few weeks ago. Well, we purchased two bottles of WINSLOW'S BALSAM

OF HOREHOUND, and so sudden was the cure,

that we forgot we ever had a cold. Those who

are afflicted, may try it upon our recommendation. - Lewiston Telegraph. For sale by HENRY YOXTHEIMER, Sunbury, JACOB BRIGHT, Northumberland. Also, by Druggists generally throughout the country. (7) Price, 50 cents per bottle. August 14th, 1841.-1y.
