THEN we behold the bills of mortality, and WHEN we behold the bills of mortality, and the vast number that die of that fell dewho mourn their loss, when we know that secular demonstrations are daily made visible to the public, that Dr. Duocan's Expectorant Remedy will in nine cases out of ten completely eradicate the first symptoms of that fatal disease. Will patients or their nearest friends any longer delay procuring this medicine, with the expectation that the disease will naturally remove itself? The vast number many of our friends and acquaintances who are and Domestic Hardware, which they will sell at the dangerously afflicted that must ere long pay the debt of nature, should convince all afflicted that it is best to be rid of the early and evil seeds as soon as possible, before they take root and "destroy the life," when in the bloom and beauty of health.

Always ask for Dr. Duncan's Expectorant Remedy, and be sure you obtain it, as there are some persons base enough to palm some other medicine on those who are not on their guard, which they buy at a very trifling price, at the same time sell it at full price, thus floecing the afflicted of their money and bealth.

Of Dr. Harlich's Compound Strengthening Tonic and German Aperient Pills.

R. JOHN ROBERTSON, of Columbia R. JOH'S hoppy to state to the af-ficted the great benefits he received from the use of these invaluable medicines. Being afflicted for fivo or six years with a Bilieux and Nervous affection and its natural consequences, during wurch time I procured many medicines, but always found them to aggravate the diseases in a greater measure. Seeing these modicines performing cures on many of Try friends, I was induced to give them a trial,

Happy am I to say that the good results were soon visible which entirely cured me of that dreadful and peace destroying disease. I really hope that those in itarly affected will see the necessity of quitting the use of such vile and drastic compounds as some that appear in the public prints, which I am fully persuaded almost cost my life, besides bringing on the piles, which far more increased my diseases. I heard say by many of my intimate friends, that the same vile compounds fixed them the same way. I feel confident that if persons use those "Drastic Medicines" according to their directions, that they will

give any person the piles, When commencing with Dr. Harlich's Medi-cines, I found them to be an invention, viz: an Aperient Medicine, to carry off all diseases and impurities from the system, accompanied with a "Strengthening Tonic" medicine, to give strength and tone to the system and reanimate the functions of the animal economy. These medicines are truly invaluable, and the best extant.
