The best method for the Abolition of Disease ROSE OINTMENT, FOR TETTER. RINGWORMS, PIMPLES ON THE FACE, AND OTHER

CUTANEOUS ERUPTIONS. or The following certificate describes one of the

most extraordinary cures ever effected by any application. PRILADELPHIA, February 10, 1838.

FOR twenty years I was severely afflicted with TETTER on the Face and Head: the disease commenced when I was seventeen years old, and continued until the Fall of 1836, varying in violence, but without ever disappearing. During most of the time, great part of my face was covered with the eruption, frequently attended with violent itching; my head swelled at times until it felt as if i would burst-the swellin ; was so great, that I could scarcely get my hat on. During the long period that I was afflicted with the disease, I used a great many at plications, (among them several celebrated preparations) as well as taking inward remedies. including a number of bottles of Swaim's Panacea. Extract of Surzaparilla, &c. In fact, it would be impossible to enumerate all the medicines I used. was also under the care of two of the most distinguished physicians of this city, but without receiving much benefit, and I despaired of ever being cured. In the fall of 1836, the disease at the time being very violent, I commenced using the Rose Ointment, (prepared by Vaughan & Davis.) In a f-w applications the violent itching ceased, the swelling shated, the cruption began to disappear. and before I had used a jar the disease was entirely cured. It has now been nearly a year and a half since, and there is not a vestige of the disease remaining, except the scars from the deep pits formed by the disease. It is impossible for me to describe a certificate the severity of the disease and my sufficing, but I will be pleased to give a fuller acconnt to any person wanting further satisfaction. who will call on me. At the time I commenced using the R se Ointment I would have given hundieds of do lare to be rid of the disease. Since using it. I have recommended it to several persons (among them my mother, who had the disease badon her aun.) who we read cured by it.

About a year since, I spplied the Rose Ointment, which entirely stopped the itching, and a few epplications immedioutbrocks and rebellion the only means of prevent- stely cured the disease, which there has been no return of, although I had never been rid of it at any time for forty years. MEDICAL APPROBATION

Of the ROSE OINTMENT, for Tetter. LTHOUGH the superiority of the preparation over all others is fully established, the propriers take pleasure in laying before the public the llowing certificate from a respectable physician, graduate of the University of Pennsylvania, Dr. Baugh, having found in this remedy that relief for within the range of his profession failed to afford. has not hesitated to give it his approbation, slthough | ed to apply to the subscriber. the prejudices and interests of that profession are

opposed to secret Remedies. PHILANELPHIA, Sept. 19, 1836.

I was recently traubled with a tedious herpetic eruption, which covered nearly one side of my face, and extended over the ear. Mr. Vaughan, proprietor of the Rose Ointment, observing my face, insisted on my trying his preparation, of which he handed me a jar. Although in common with the memhers of my profession, I discountenance and disapprove of the numerous nostrums palmed upon the public by ignorant pretenders, I feel in justice bound o except the Rose Ointment from that class of medicines, and to give it my approbation, as it entirely cured the eruption, although it had resisted the usual applications. DANL BAUGH, M. D. The Rose Ointment is prepared by L. B. Vaughan, South East corner of Third and Race Streets, Philadelphis, and sold on agency in Sun-H. B. MASSER, bury, by May 14th, 1842. Agent.

WINSLOW'S BALSAM OF HOREHOUND.

A N unparelleled remedy for common Col.la, Coughs, Asthma, Influenza, Whooping Cough, Bronchitis, and all diseases of the Breast and Lungs, leading to consumption; composed of the concen-trated virtues of Horehound, Bonset, Blood Root, Liverwort and several other vegetable substances. Prepared only by J. M. WINSLOW, Rochester, New York.

The innocence and universally admitted pectoral virtues of the Herbs from which the Balsam of Horehound is made, are too generally known to require recommendation ; it is therefore only necessary to observe that this Medicine contains the whole of their Medicinal properties, highly concentrated, and so happily combined with several other vege-table substances, as to render it the most speedy, mild and certain remedy, now in use, for the complaints above mentioned.

The Balsam removes all imflammation and sores ness of the Lungs, loosens tough visid phlegm, enabling the patient to expectorate with ease and freedom, sasuages cough, relieves athmatic and diffi-cult respiration, heals the injured parts, opens the pores, and composes the disturbed nerves, and gives strength to the tender longs, and thus produces a speedy and tasting cure.

INGRATITUDE IS THE BASEST CRIME IN MAN .---We are not among that class of Editors who for a few dollars will, (at the expense of treth and honesty) "crack up" an article and bring it into rapid sale ; neither are we willing to remain silent, after having tested the utility of an improvement or discovery in science or art.-Our readers will recollect we told them we were unwell with a sore throat and violent cold some few weeks ago. Well, we purchased two bottles of WINSLOW'S BALSAM Hemp Shad and Herring Twine, Best Patent Gill OF HOREHOUND, and so sudden was the cure, that we forgot we ever had a cold. Those who are afflicted, may try it upon our recommendation. -Lewiston T-legraph. For sale by HENRY YOXTHEIMER, Sunbury,

JACOB BRIGHT, Northumberland.
