WRIGHTS NOTAN VEGETABLE PILLS North American College of Health, Are now acknowledged to be the first Medicine

EVERY VARIETY OF DISEASE. BECAUSE they completely cleanse the sto-mach and bowels from these billious and corrout humors, which are the couse not only of Hendache, Giddiness, Palprotion of the Heat, Pains in the Benes, Rheumatism and Gout, but every malady incident to man. SAID INDIAN VEGETABLE PHAS we a cormin cure for su term tient, semitted, nervous, infloractory and purrie Pevers because they cleanse the pody from those morbid humors, which, when confined to the circulation, are the couse of all kinds of FEVERS. So, also, when the same impurity is deposited on the membrane and meach, clusing mins, tofama-tions and swellings called RHEUMATISM. GOLT, &c. Worght's Indian Vegetable Pills may be relied on as always ertain to give relief, and i persevered with, according to directions will most assuredly, and without fail, make a perfect cure of the above minful realidies. From three to six of said Indian Vegetable Pills taken every night coing to bed, will but a short time so completely rid the body from every thong that is opposed to health, that Rheumatism, Goet, and pair of every descrip-tion, will be life rally DRIVEN FROM THE BO-DY. For the same teason, when, from sudden changes of atmosphere, or my other cause, the per spiration is checked, and the humors which should and the the skin are thrown inwardly, causing HEADACHE, GIDDINESS, nausea and sickness, pain in the bones, watery and inflamed eyes, sore throat, bostsene-e, coughs, consumptionrheomatic pains in various parts of the body, and many other symptoms of CATCHING COLD, Wright's Indian Vegetable Pills will invariably give immediate relief. From three to six of said Pills taken every night on going to bed, will in a short time, not only remove all the above unpleasant symptoms, but the body will, in a short time, be

restored to even sounder health than before.
ASTHMA, on DIFFICULTY OF BREATH-ING .-- Wright's Indian Vegetable Pills will loos. en and carry off, by the stomach and bowers, those tough phlegmy humors, which stop up all the air cells of the lungs, and are the cause, not only of the above discressing complaint, but when neglected, often terminates in that more dreadful mainly called CONSUMPTION. It should be also remembered that Wright's Indian Vegetable Pills are a certain cure for PAIN IN THE SIDE Oppression, nausea, and sickness, foss of appetire, costiveness of vellow tinge of the skin and eyes, and every other ymptom of a terpid or diseased state of the liver; because they purge from the body those impurities which if deposited upon this important organ, are the couse of every variety of LIVER COM-FLAINT. When a nation is convulsed by not-, on breaks and rebellion, the only means of preventing the dreadful consequences of a CIVIL WAR. is to expel all traitors, and evil disposed ones from the country. In like manner, when pain or sickness of any kind indicat that the body is struggling with inter al fors, the true remedy is to EX PEL ALA MORB D HUMORS, (Traitors to health and tife.) Health will be the certain result. Ty That the principle of curing disease, by cleansing and purifying the body, is strictly in accordance with the laws which govern the animal economy; and if properly carried out by the use of the above WRIGHT'S INDIAN VEGETABLE named PILLS, will certainly result in the complete Abolition of Disease; we offer the following testimonjals, from persons of the highest re-pectability in New York, who have recently been cured of the most obstinute complaints, solely by the use of WRIGHT'S INDIAN VEGETABLE PILLS, of the North American College of Health:

## FOR TETTER.

RINGWORMS, TURITARS ON THE PACE, AND OTHER

CUTANEOUS ERCPTIONS. The following certificate describes one of the most entraordinary cures ever effected by any Patranerena, February 10, 1838.

FOR twenty years I was severely afflicted with Tarress on the Pace and Bead; the disease commenced wiren I was seventeen years old, and continued until the Full of 1836, varying in viotence, but without ever disappearing. During most of the time, great part of my face was covered with the exuption, frequently attended with violent itching; my head exclud at times until it felt as if it would burst. The swelling was so goest that I could scarcely get my hat on. During the long period. that I was afflicted with the disease, I used a great many as plications. (among them several celebrated preparationed as will as taking inward remedies. neloding a number of bottles of Swaim's Panacen. Extracted Sarsaparilla, &c. In fact, it would be impossible to counseate all the medicines I used. I was also under the care of two of the most distinguished physicians of this city, but without receiving much benefit, and I despaired of ever being cured. In the fall of 1836, the disease at the time being very violent, I commenced using the Rose Ointment, (prepared by Vaugton & Davis) In a few applications the violent itching ceased, the swelling abated, the cruption began to disappear, and before I had used a jar the disease was entirely cured. It has now been nearly a year and a half since, and there is not a vestige of the disease remairing, except the scars from the deep pits formed by the disease. It is impossible for me to describe in a certificate the severity of the disease and my suffering but I will be pleased to give a fuller account to mry person wanting further satisfaction, who will call on me. At the time I commerced using the R-se Oloment I would have given hun dieds of dollars to be rid of the disease. Since using it. I have recommended it to several persons (among them my mother, who had the disease badly on her ann.) who we re all cured by it.

I applied to number of physics ens, and used a great many applicarrors without effecting a cure. About a year since, I applied the Rose Ointment, which entirely stopped the itching, and a few applications immediairly cured the disease, which there has been no return of, although I had never been rid of it a any time for firsty years, RICHARD SAVAGE,

MEDICAL APPROBATION

Of the ROSE OINTMENT, for Tetter. A LTHOUGH the superiority of the preparation I over all others is fully established, the proprieors take pleasure in laying before the public the following certificate from a re-pectable physician, a graduate of the University of Pennsylvania. De Baugh, having found in this emedy that relief for a tedious and disagreeable affection which the means within the range of his profession failed to afford. has not besitated to give it his approbation, although the prejudices and interests of that profession are prosed to secret Remedies.

PHILABELPHIA, Sept. 19, 1836. I was recently troubled with a tedious herpetic eruption, which covered nearly one side of my face, and extended over the car. Mr. Vaughan, proprieted on my trying his preparation, of which he handed me a jar. Although in common with the members of my profession, I discountenance and disapprove of the numerous nostrums palmed upon the public by ignorant pretenders, I feel in justice bound except the Rose Ointment from that class of medicines, and to give it my approbation, as it entirety ared the eruption, although it had resisted the usual applications. Winslow's Balsam of HOREHOUND

A N opporelleled remedy for common Colds, Coughs, Asthma, Influenza, Whooping Cough, Bronchitis, and all diseases of the Breast and Larnes, leading to consumptions composed of the concentrated virtues of Horrhound, Bonset, Blood Root, Liverwort and several other vegetable substances Prepared only by J. M. Winshow, Rochester, New

The improvement and universally admitted pectoral vitues of the Herbs from which the Balsani of Harehanned is enade, are too generally known to be quire recommendation; it is therefore only necessary to observe that this Medicine commits the whole of their Medicinal properties, highly concentrated, and so happily communed with several other vegetable substances, as to render it the most speedy, mild and certain remedy, now in use, for the complaints above mentioned.

The Balsam removes all imflammation and sore ness of the Lungs, bossens tough visid phlegm, enalding the patient to expectorate with case and free-dom, assuages cough, releves atheratic and difficult respiration, heals the injured parts, opens the pores, and composes the disturbed perves, and gives strength to the tender lungs, and thus produces a speeds and tasting cure.

INGUATITUDE IS THE BASEST CRIME IN MANCH We are not smore that class of Editors who for a few dollars will, (at the expense of truth and ho-nessy) "ceach up" an article and bring it into rapid sale; peither are we willing to remain silent, after having tested the utility of an improvement or discovery in science or art .- Our readers will recollect we told them we were unwell with a sore throat and violent cold some few weeks ago. Well, we pur-chased two bottles of WINSLOW'S BALSAM OF HOREHOUND, and so sudden was the cure, that we forgot we ever had a cold. Those who are afflicted, may try it upon our recommendation.
