The best method for the Abolition of Discase is to cleanse and purify the Body.

WRIGHTS INDIAN VEGETABLE PILLS

North American College of Health, Are now acknowledged to be the best Medicine in the World for the cure of

EVERY VARIETY OF DISEASE.

BECAUSE they completely chanse the stomach and bowels from these billious and corrupt humors which are the cause not only of Headache, Giddiness, Palpitation of the Heart, Pains in the Bones, Rheumatism and Gout, but every malady incident to man, SAID INDIAN VEGETABLE PILLS are a certain cure for interm trent, remitted, nervous, inflamatory and purrid Fevers because they cleanse the pady from those morbid humors, which, when confined to the circulation, are the cause of all kinds of FEVERS. So. also, when the same impurity is deposited on the membrane and muscle, cousing poins, inflama-tions and swellings called RHEUMATISM, GOI T, &c. Wright's Indian Vegetable Pills may be relied on as always ertain to give relief, and if persevered with, according to directions will most assuredly, and without fail, make a perfect cure of the above painful maladies. From three to six of sald Indian Vegetable Pills taken every night going to bed, will in a short time so completely rid the body from every thing that is opposed to health, that Rheumatism, Gout, and pain of every descrip-tion, will be literally DRIVEN FROM THE BO-DY. For the same reson, when, from sudden changes of atmosphere, or any other cause, the per-spiration is checked, and the humors which should se off by the skin are thrown inwardly, causing HEADACHE, GIDDINESS, nausea and sickness, pain in the bones, wavery and inflamed eyes, sore throat, hoarseness, coughs, consumptions, rheumatic pains in various parts of the body, and many other symptoms of CATCHING COLD, Weight's Indian Vegetable Pills will invariably give immediate relief. From three to six of said Pells taken every night on going to hed, will in a short time, not only remove all the above unpleasant symptoms, but the body will, in a short time, be restored to even sounder heal hit an before. ASTHMA, OR DIFFICULTY OF BREATH-

ING .- Wright's Indian Vegetable Pills will loosen and car v off, by the stomach and bowers, those tough phlegmy homors, which stop up all the air cells of the lungs, and are the cause, not only of the above distressing complaint, but when neglected, often terminates in that mo e-dreadtol malady called CONSUMPTION. It should be also renumbered that Wright's Indian Vegetable Pills are a certain cure for PAIN IN THE SIDE, Oppression, name sea, and sickness, loss of appetie, costiveness. vellow tinge of the skin and eyes, and every other symptom of a torpid or diseased state of the liver; because they purge from the body those impurities which if deposited upon this important organ, are the cause of every variety of LIVER COM-PLAINT. When a nation is convulsed by riot-, outbreaks and rebellion, the only means of prevent. ing the dreadful consequences of a CIVIL WAR. is to expel all traitors, and evil disposed ones from the country. In like manner, when pain or sickness of any kind, indicate that the body is struggling with inter- al focs, the true remedy is to EX PEL ALL MORBID HUMORS, (Trainers to

health and life.) Health will be the certain result. That the principle of curing disease, by cleansing and puritying the body, is strictly in accordance with the laws which govern the animal economy; and it properly carried out by the use of the above named WEIGHT'S INDIAN VEGETABLE PILLS, will certainly result in the complete Abolation of Disease; we offer the following testimonials, from persons of the highest re-pectability in New York, who have recently been cuted of the most obstinate complaints, solely by the use of WRIGHT'S INDIAN VEGETABLE PILLS, of the North American College of Health:

Jamaica, L. I., June 9th, 1841, Poctor William Wright-Dear Sir-It is with great sati-faction I inform you of any having been entirely cored of Dyspepsia, of five years standing,

by the use of your INDIAN VEGETABLE PILLS.

Previous to meeting with your celebrated mediine. I had been under the hands of several Physicions, and had tried various medicines; but all to no effect. After using one 25 cent box of your Pills, however, I experienced so much benefit, that re-olved to persevere in the use of them according to directions, which I am happy to state, has resulted in a perfect cure. Ingratitude to you for the great benefit I have received, and also in the hope that others similarly afflicted may be induced to make trial of your extraordinary medicine, I send you this statement with full liberty to publish the same, if you think proper. Yours, &c. New York, June 19, 1811. G.C. BLACK.

Mr. Richard Deonis, agent for Wright's Indian

Vegetable Pills.

Dear Sit-I have been afflicted for several years with inward weakness and general debility, accompanied at times with pains in the side and other distressing complaints. After having tried various medicines without effect. I was persuaded by a friend to make trial of Dr. Wright's Indian Vegetable Pills, which I am happy to state, have relieved me in a most wonderful manner. I have used the medicine, as yet but a short time, and have no doubt, by a perseverance in the use of the medicine according to directions, that I shall in a short time be

ROSE OINTMENT. FOR TETTER.

RINGWORMS, PIMPLES ON THE FACE, AND OTHER CUTANEOUS ERUPTIONS. The following certificate describes one of the most extraordinary cures ever effected by any

application. PHILADELPHIA, February 10, 1838. FOR twenty years I was severely afflicted with Terren on the Face and Head: the disease commenced when I was seventeen years old, and continued until the Fall of 1836, varying in violence, but without ever disappearing. During most of the time, great part of my face was covered with the eruption, frequently attended with violent itching; my head swelled at times until it felt as if it would burst-the swelling was so great, that I could scarcely get my hat on. During the long period that I was afflicted with the disease, I used a great many as plications, (among them a veral celebrated preparations) as will as taking inward remodies, including a number of bottles of Swaim's Panacca. Extract of Sarsaparilla, &c. In fact, it would be impossible to enumerate all the medicines I used. was also under the care of two of the most distinguished physicians of this city, but without receiving much benefit, and I despaired of ever being cured. In the fall of 1836, the disease at the time being very violent, I commenced using the Rose Ointment, (prepared by Vaughan & Davis.) In a few applications the violent itching ceased, the swelling abated, the cruption began to disappear, and before I had used a jar the disease was entirely cured. It has now been nearly a year and a half since, and there is not a vestige of the disease remaining, except the sears from the deep pits formed by the di-case. It is impossible for me to describe in a certificate the severity of the disease and my suffering, but I will be ple sed to give a fuller account to any person wanting further satisfaction, who will call on me. At the time I commenced using the R-se Ointment I would have given hundreds of do lars to be rid of the disease. Since using it. I have recommended it to several persons, (among them my mother, who had the disease badly on her aun.) who were all cured by it.

Rose Cintment, for Tetter. A PROOF OF ITS EFFICACY.

PHILADELPHIA, May 27th, 1839. PHIS is to certify that I was severely afflicted with Tetter in the bands and feet for upwards of forty years; the disease was attended generally with violent itching and swelling. I spplied to a number of physicians, and used a great many applicarious without effecting a cure. About a year since, I applied the Rose Ointment, which entirely stopped the itching, and a few applications immediately cured the disease, which there has been no return of, sithough I had never been rid of it at any time for farty years, RICHARD SAVAGE, Eleventh, below Space Street.

I was recently troubled with a tedious hereetic cruption, which covered nearly one side of my face. and extended over the ear, Mr. Vaughan, proprict No. 74 Callowhiil Street, Philadelphia tot of the Rose Ointment, observing my face, insisted on my trying his preparation, of which he handed me a jar. Although in common with the members of my profession, I discountenance and disappreve of the numerous nostrums palmed upon the ublic by ignorant pretenders, I feel in justice bound to except the Rese Ointment from that class of med cines, and to give it my approbation, as it entirely cured the eruption, although it had resisted the usual applications, DANL BAUGH, M.
