WRIGHTS INDIAN VEGETABLE PILLS

OF THE North American College of Realth, Are now acknowledged to be the best Medicine in application. the World for the care of

EVERY VARIETY OF DISEASE. ruit humors which are the cause not only of Fevers because they cleanse the pody from those scare ly get my hat on. During the long period morbid hymors, which, when confined to the circuthal I was afflicted with the disease, I used a great bation, are the cause of all kinds of FEVERS. So, many applications, (among them as veral celebrated nembrane and muscle, coming pains, inflamations and swellings called RHEUMATISM, Extract of Surseparilla, &c. In fact it would be GOI T. &c. Wright's Indian Vegetable Pills may be relied on as always critain to give relief, and if I was also under the care of two of the most dis-persevered with, according to directions will most thoughful physicians of this city, but without rethe body from every thing that is opposed to health, a f-w applications the violent itching c-ased, the that Rheumati m, Gout, and pair of every descrip-tion, will be literally DRIVEN FROM THE BO-and before I had used a jar the disease was entirely DY. For the same reason, when, from sudden cured. It has now been nearly a year and a half changes of atmosphere, or any other cause, the personner, and there is not a vestige of the disease respiration is checked, and the humors which should maining, except the sears from the deep pits formed pass off by the skin are thrown inwardly, causing by the disease. It is impossible for me to describe HEADACHE, GIDDINESS, nausea and sickness, pain in the bones, watery and inflamed eyes, soffering, but I will be ple-sed to give a foller acsore throat, hoarscness, coughs, consumptions, rheumatic pains in various parts of the body, and many other symptoms of CATCHING COLD, Wright's Indian Vegetable Pills, will invariably give immediate relief. From three to six of said Pills taken every night on going to bed, will in a short time, not only remove all the above unpleasant symptoms, but the body will, in a short time, be restored to even sounder health than before,

ING .- Wright's Indian Vegetable Pills will loosen and carry off, by the stomach and bowers, those ry, by tough phlegmy humors, which stop up all the air cells of the lungs, and are the cause, not only of the above distressing complaint, but when neglected, often terminates in that mo e dreadful malady called CONSUMPTION. It should be also remembered that Wright's Indian Vegetable Pills are a certain cure for PAIN IN THE SIDE, Oppression, nausea, and sickness, loss of appetite, costivenesa, a yellow tinge of the skin and eyes, and every other symptom of a torpid or diseased state of the liver; Lecause they purge from the body those impurities which if deposited upon this important organ, are the cau-e of every variety of LIVER COM-PLAINT. When a nation is convulsed by riot-, outbreaks and rebellion, the only means of prevent. ing the dreadful consequences of a CIVIL WAR. is to expel all traitors, and evil disposed ones from the country. In like manner, when pain or sick ness of any kind, indicate that the body is struggling with internal foes, the true remedy is to EX PEL ALL MORBID HUMORS, (Traitors to health and life,) Health will be the certain result.

That the principle of curing disease, by cleansing and purifying the body, is strictly in accordance with the laws which govern the animal economy; and if properly carried out by the use of the above named WRIGHT'S INDIAN VEGETABLE PILLS, will certainly result in the complete Abo-I tion of Disease; we offer the following testimonials, from persons of the highest respectability in New York, who have recently been cured of the most obstinate complaints, solely by the use of Whight's Indian Vegetable Pills, of the North American College of Health:

Jamaica, L. L. June 9th, 1841. Doctor William Wright-Dear Sir-It is with great sati-faction I inform you of my having been entirely cured of Dyspepsia, of five years standing.

by the use of your INDIAN VEGETABLE PILLS. Previous to meeting with your celebrated medicine, I had been under the hands of several Physicians, and had tried various medicines; but all to no effect. After using one 25 cent box of your Pills, however, I experienced so much benefit, that resolved to persevere in the use of them according to directions, which I am happy to state, has resulted in a perfect cure. Ingratitude to you for the great benefit. I have received, and also in the hope that others similarly afflicted may be induced to make trial of your extraordinary medicine, I send you this statement with full liberty to publish the New York, June 19, 1841. G.C. BLACK.

Mr. Richard Dennis, agent for Wright's Indian Vegetable Pills.

Dear Sir-I have been afflicted for several years with inward weakness and general debility, accompanied at times with pains in the side and other distressing complaints. After having tried various medicines without effect. I was persuaded by a friend to make trial of Dr. Wright's Indian Vegetable Pills, which I am happy to state, have relieved me in a most wenderful manner. I have used the medicine, as yet but a short time, and have no doubt, by a perseverance in the use of the medicine according to directions, that I shall in a short time be perfectly restored.

I most willingly recommend said Palls to all persons similarly afflicted, and in the full belief that the same beneficial results will follow their use, I remain yours sincerely, HENRY A. FOOTE, Waswarsing, Ulster co. N. Y.

New York, Sept. 29, 1841. This is to certify that I have used WRIGHT'S NDIAN VEGETABLE PILLS with the greatest benefit; having entirely cured myself of the frequent at tacks of Sick Headache, to which I had previously been subject. ANN MARIA THOMPSON,

> Rose Cintment, for Tetter. A PROOF OF ITS EFFICACY.

PHILADELPHIA, May 27th, 1839. PHIS is to certify that I was severely afflicted with Tetter in the hands and feet for upwards of forty years; the disease was attended generally with violent itching and swelling. I applied to a number of physicians, and used a great many appli-cations without effecting a core. About a year since, I applied the Rose Ointment, which entirely stopped the itching, and a few applications immediately cared the disease, which there has been no return of, although I had never been rid of it at any time for forty years. RICHARD SAVAGE,

MEDICAL APPROBATION Of the ROSE OINTMENT, for Tetter.

Δ LTHOUGH the superiority of the preparation over all others is fully established, the propretors take pleasure in laying before the public the following certificate from a respectable physician, a graduate of the University of Pennsylvania. Dr. Baugh, having found in this remedy, that relief for a tedious and disagreeable affection which the means within the range of his profession failed to afford, has not hesitated to give it his approbation, although the prejudices and interests of that profession are opposed to secret Remedies. PHILADELPHIA, Sept. 19, 1836.

eruption, which covered rearly one side of my face, and extended over the ear. Mr. Vaughan, p. tor of the Rose Unitment, observing my face, insited on my trying his preparation, of which he handed me a jar. Although in common with the members of my profession, I discountenance and disapprove of the numerous nostrams polmed upon the public by ignorant pretenders, I feel in justice bound to except the Rose Ointment from that class of medicines, and to give it my approbation, as it entirely cured the cruption, although it had resisted the usual applications. DANL BAUGH, M. D.

The innocence and universally admitted pectoral virtues of the Herbs from which the Balsam of Horehound is made, are too generally known to require recommendation; it is therefore only necessary to observe that this Medicine contains the whole of their Medicinal properties, highly concentrated, and so happily combined with several other veges table substances, as to render it the most specify mild and certain remedy, now in use, for the complaints albve mentioned.

The Bulsam removes all imflammation and soreness of the Lungs, loosens tough visid phicgm, enabling the patient to expectorate with ease and free dom, assuages cough, relieves athmatic and difficult respiration, heats the injured parts, opens the pores, and composes the disturbed nerves, and gives strength to the tender lungs, and thus produces a speedy and tasting cure.
