**PURIFY THE BLOOD.**—As the blood, in its life preserving course is subject to continual waste nature has provided for the supply of the exhausting fountain, by the conversion of our food into new blood. But whilst such simple means are provided for the manufacture of new blood, nature has been no less solicitous providing for the expulsion of that which is useless and decayed. The important office is performed by the bowels, and when Nature (who is always struggling to throw off offending matter) requires assistance in her benevolent intention.

Brandreth's Vegetable Universal Pills will be found singularly adapted to the purpose, because they remove through the stomach and bowels all corrupt humors from the body, in an easy, safe and effectual manner, producing no effect but what will finally conduce to the perfect purification of the blood, and hereby cure the disease, (by whatever name it may be called,) and give perfect order to the whole system.

BRANDRETH, M. D.—These labels are engraved on steel, beautifully designed, and done at an expense of over \$2,000.—Therefore it will be seen that the only thing necessary to procure the medicine in its purity, is to observe these labels.
