

den dash of the flood swept her away, and she was engulfed. Mr. Flower, who was in an upper story of the mill, leaped from the window into a tree; here he remained until the torrent tore up the tree and swept it onward. He, however, succeeded in getting hold of the branches of another tree that resisted the tide, and he was saved. Several bodies have been found upon the shore and in the meadows. This fatality is to be ascribed to the unparalleled suddenness of the rise of the water. It was as if the earth had opened and poured forth its secret flood. Scarcely was the presence of danger known, before it was followed by the absence of hope. Hundreds of hair-breath escapes are narrated. The whole country is overspread with gloom, and the consequences of last night's calamities will long overshadow the prosperity of its lovely section of country."

We learn further that five persons were drowned at Bancroft's, on Ridley creek. Fifty bridges in the county, it is said, can be counted destroyed, together with almost every milldam. Mr. Crozier's is supposed to be from 50 to \$75,000. Kitt's store is gone. Mr. Denton's house, Wm. Erlin's, Mr. Wm. Eyre's boardyard swept away, and P. & Wm. Eyre's storehouse completely ruined. Jesse M. Eyre suffered great loss in ore ponds. On Ridley creek we have heard of two bridges being carried away, and a number of ones. The probability is, there are many more. The railroad bridges over Ridley, Crum and Darby are not gone.—*Id.*

The article in our paper of last week, headed *How to make an unproductive Fruit Tree bear*, contained several errors. The operation is to be performed in the month of August, and not in the spring, as we stated. The method is this—Cut so rings completely round the limb of the tree, about four inches apart; then make a straight cut on one ring to the other, and peel the bark completely off. Replace the bark, and tie it on nicely with a soft string.—*Reading Gaz.*

BALTIMORE MARKET.
Office of the BALTIMORE AMERICAN, August 7.
GRAIN.—The supplies of Wheat are not very large to-day, and there is a better feeling in the market, owing to the increased supply of water in the millstreams and some demand for a neighboring market.—We cannot, however, state a positive advance in price and therefore quote as before, viz: old to prime reds 95 & 98 cts. and ordinary to old 80 & 95 cts. Among the transactions to-day we note a sale of a load of prime North Carolina at 97 cts.; two parcels of Virginia, comprising 900 bushels, quality prime but not free from grain and smut, at 95 cts., and another parcel at 93 98 cts. Very little doing in Corn. We quote No. 1 white at 53 cts., and yellow at 54 & 55 cts. Sales of Md. Oats at 21 & 22 cts.
WHISKEY is dull. Limited sales of blbls. at 26 cts. and of hbls. at 25 cts.

FOR THE AMERICAN.
County Commissioner.
MR. EDITOR.—Permit me, through the columns of your paper, to recommend to the Democracy of this county, Mr. JAMES BUOY, of Milton borough, as a gentleman well qualified to fill the office of County Commissioner. The folks, no doubt, are entitled to the man, and we know not any gentleman more eminently qualified to fulfill the duties of said office than Mr. Buoy. He has ever been a consistent and active democrat, and has one much to promote the interest of the party. I, therefore, think, it is now entitled to the man, and I hope the county convention will award to Mr. Buoy the nomination.
DEMOCRATS OF THE FORKS.

Assembly.
MR. EDITOR.—The Democracy of Northumberland county will soon be called upon to make choice of a candidate for the next Legislature, and there have been several worthy men presented for their consideration, permit us through the medium of your valuable paper, to offer EDWARD Y. STORER, of the Borough of Sunbury, as a candidate for that important station. In presenting Mr. Bright to the Democracy of Northumberland county, we have no hesitation in saying, that among the best of candidates that will be brought into the field, one to whom the interests of the people could more safely be confided, cannot be found. Mr. Bright has resided for a long time among us, and is well acquainted with the wants and wishes of the people. He is a man of excellent business ability, industrious and capable—possessing a sound knowledge of the Internal Improvement System, and if elected will fearlessly and faithfully perform his duty.

FOR THE AMERICAN.
Assembly.
MR. EDITOR.—Seeing that candidates for the different offices are being brought forward, we would offer Mr. PETER PURSELL, of Sunbury, for the Legislature. Mr. Pursell is favorably known to the citizens of this county. He has long battled in the ranks of Democracy, never failing to render every assistance to further the interests and welfare of our party. Should our fellow citizens deem proper to elect him to be their representative, we are certain he will not give them cause to regret their choice.

OUR OPINION OF BRANDRETH'S VEGETABLE UNIVERSAL PILLS.—This medicine we acknowledge, in recommending to our readers, possesses wonderful efficacy in all nervous disorders, fits, headaches, weakness, heaviness and lowness of spirit, dimness of sight, confusion of thoughts and wanderings of the mind; vapors and melancholy, and all kinds of hysterical complaints, gradually go off by the use of this medicine; in sickness of the stomach, flatulencies and obstructions, it is a safe, powerful and efficacious remedy. The first symptoms of its good effects are serenity and cheerfulness, and as a preventive, alterative and purifier of the blood, it has not its equal in the world. It is admirably calculated to afford relief to restore a broken and decayed constitution to its pristine health and vigor.

DIED.
At his residence in Northumberland, on Tuesday last, JOSEPH EVERARD, Esq., aged about 93 years.
Mr. EVERARD was a member of the Bar of this county. He was admitted to practice about a year since, and gave strong promises of success in the profession which he adopted. His death, which was sudden and unexpected, came like a shock upon his friends and acquaintances, who but a few hours previous had seen him apparently in all the vigor of life. He was attending the court at this place, on Monday last. At noon he called upon us, and requested us not to call up a suit, in which he was the opposing counsel, until next morning, as he was not well. He was taken home, but, alas! before next morning came he was prostrate and speechless, and in a few hours after, a corpse. His death was caused by apoplexy. In another column we have published the proceedings of the members of the Bar, of which he was a fellow member, on the melancholy occasion.
On Thursday morning last CHARLES, son of Mr. George Hall, of Dauphin county, formerly of this place, aged one year.
