The best method for the Abolition of Disease ROSE OINTMENT, is to cleanse and purify the Body.

WRIGHT'S INDIAN VEGETABLE PILLS OF THE North American College of Health,

Are now acknowledged to be the best Medicine in the World for the cure of EVERY VARIETY OF DISEASE. ECAUSE they completely cleanse the sto-mach and bowels from the se billious and corrupt humors which are the cause not only of Headache, Giddiness, Palpitation of the Heart, Pains in the Bones, Rheumstism and Gout, but every malady incident to man. SAID INDIAN VEGETABLE PILLS are a certain cure for intermittent, remitted, nervous, inflamatory and putrid Fevers, because they cleanse the puly from those morbid humors, which, when confined to the circus lation, are the cause of all k ruls of FEVERS. So, also, when the same impurity is deposited on the membrace and muscle, cousing pains, inflamations and swellings called RHEUMATISM, GOI T, &c. Wright's Indian Vegetable Pills may be relied on as always certain to give relief, and if persevered with, according to directions will most assuredly, and without ful, make a perfect cure of the above painf I n dadies. From three to six of said Indian Vegetable Pills taken every night going to bed, will in a short time so completely rid the body from every thing that is opposed to health, a f. w applications the violent itching ceased, the that Rheumstism, Goot, and poin of every description, will be kurally DRIVEN FROM THE BO-DY. For the same reason, when, from sudden changes of atmo-phere, or any other cause, the perspiration is elecked, and the humors which should es off by the skin are thrown inwardly, causing HEADACHE, GIDDINESS, nousea and sickness pain in the bones, watery and inflamed eyes, sore throat, hoarsene's, coughs, consumptions, theumatic pains in various parts of the body, and many other symptoms of CATCHING COLD, using the Rese Ointment I would have given bun Wright's Indian Vegetable Pils will insurably deeds of do lass to be rid of the disease. Since ugive immediate relief. From three to six of said Pills taken every night on going to bed, will in a short time, not only remove all the above unpleasant symptoms, but the body will, in a short time, be

restored to even sounder heal hit an before.
ASTHMA, on DIFFICULTY OF BREATHtough phisgmy humors, which stop up all the air. cells of the lungs, and are the cause, not only of the above distressing complaint, but when neglected, often terminates in that mo e dreadful malady called CONSUMPTION. It should be also remembered that Wright's Indian Vegetable Pills are a certain cure for PAIN IN THE SIDE, Oppression, nausen, and sickness, loss of appetie, costiveness, a yellow tinge of the skin and eyes, and every other symptom of a terpid or disensed state of the liver; lecause they perge from the body those impurities which if deposited upon this important organ, are the cause of every variety of LIVER COM-PLAINT. When a nation is consulsed by not . outbrooks and robellion, the only means of preventing the dremiful consequences of a CIVIL WAR. is to expel all traitors, and evil disposed ones from the country. In tike manner, when pain or sickness of any kind, indicate that the body is struggling with internal foes, the true remedy is to EX-PEL ALL MORSID HUMORS, (Traitors to

health and life.) Health will be the certain result. That the principle of curing disease, by cleansing and purifying the body, is strictly in accordance with the laws which govern the animal economy; and if properly carried out by the use of the above named WRIGHT'S INDIAN VEGETABLE PILLS, will certainly result in the complete Abolition of Disease; we offer the following testimonials, from persons of the highest respectability in New York, who have recently been cured of the most obstinate complaints, solely by the use of WRIGHT'S INDIAN VEGETABLE PILLS, of the North American College of Health:

application. PHILABELPHIA, February 10, 1838. FOR twenty years I was severely afflicted with TETTER on the Face and Head: the disease commenced when I was seventeen years old, and continued until the Fall of 1836, varying in violence, but without ever disappearing. During most of the time, great part of my face was covered with the eruption, frequently attended with violent itching; my head swelled at times until it felt as if it would burst-the swelling was so great, that I could scarcely get my hat on. During the long period that I was afflicted with the disease, I used a great many at plications, (among them a veral celebrated Extract of Sursuparilla, &c. In fact it would be impossible to enumerate all the medicines I used. I was also under the care of two of the most dis-tinguished physicians of this city, but with at receiving m ch benefit, and I despaired of ever being cured. In the fell of 1836, the disease at the time being very violent, I commenced using the Rose Ointment, (prepared by Vaughan & Davis.) swelling abated, the crustion began to disappear, and before I had used a jor the disease was entirely cured. It has now been nearly a year and a half since, and there is not a vestige of the discase re-maining, except the sears from the deep pits formed by the disease. It is impossible for me to describe in a certificate the severity of the disease and my soff ring, but I will be ple sed to give a fuller account to any person wanting further satisfaction, who will call on me. At the time I communed deeds of do lars to be rid of the disease. Since using it. I have recommended it to several persons. (among them my mother, who had the disease badly on her arm,) who were all cured by it.

MEDICAL APPROBATION Of the ROSE OINTMENT, for Tetter.

A LTHOUGH the superiority of the preparation A over all others is fully established, the proper-tors take pleasure in laying before the public the following certificate from a respectable physician, a graduate of the University of Pennsylvania, Dr. Haugh, baying found in this remedy that relief for a technus and disagreeable affection which the means within the range of his profession failed to afford. has not besitated to give it his approbation, although the prejudices and interests of that profession are pposed to secret Remedies.

PRILABELPHIA, Sept. 19, 1836, I was recently troubled with a tedious herpetic and extended over the ear. Mr. Vaughan, proprietor of the Rose Cintment, observing my face, instated on my trying his orcharation, of which he handed me a jar. Although in common with the members of my profession, I discountenance and disapprove of the numerous postnims palmed upon the public by ignorant pretenders, I feel in justice bound to except the Rese Ointment from that class of medecines, and to give it my approbation, as it entires by cured the eruption, ulthough it had resisted the usual applications.
