The best method for the Abolition of Disease is to cleanse and purify the Body.  
**WRIGHT'S INDIAN VEGETABLE PILLS**  
OF THE  
North American College of Health,  
Are now acknowledged to be the best Medicine in the World for the cure of  
**EVERY VARIETY OF DISEASE.**  
BECAUSE they completely cleanse the stomach and bowels from those bilious and corrupt humors which are the cause not only of Headache, Giddiness, Palpitation of the Heart, Pains in the Bones, Rheumatism and Gout, but every other Venereal and Cutaneous Disease, and they are a certain cure for indigestion, emittion, nervous, inflammatory and putrid Fevers, because they cleanse the body from those morbid humors, which, when confined to the circulation, are the cause of all kinds of FEVERS. So, also, when the same impurity is deposited on the membrane and muscle, causing pain, inflammation and swellings called RHEUMATISM, GOUT, &c. Wright's Indian Vegetable Pills may be relied on as always certain to give relief, and if persevered with, according to directions will most assuredly, and without fail, make a perfect cure of the above painful maladies. From three to six of said Indian Vegetable Pills taken every night, going to bed, will in a short time, and completely rid the body from every thing that is opposed to health, that Rheumatism, Gout, and pain of every description, will be literally DRIVEN FROM THE BODY. For the same reason, when, from sudden changes of atmosphere, or any other cause, the perspiration is checked, and the humors which should pass off by the skin are thrown inwardly, causing HEADACHE, GIDDINESS, nausea and sickness, pain in the bones, watery and inflamed eyes, sore throat, hoarseness, coughs, consumptions, rheumatic pains in various parts of the body, and many other symptoms of CUTANEOUS DISEASE, Wright's Indian Vegetable Pills will invariably give immediate relief. From three to six of said Pills taken every night on going to bed, will in a short time, not only remove all the above unpleasant symptoms, but the body will, in a short time, be restored to even sounder health than before.

**ASTHMA, OR DIFFICULTY OF BREATHING—Wright's Indian Vegetable Pills will loosen and carry off by the stomach and bowels, those tough phlegmy humors, which stop up all the air cells of the lungs, and are the cause, not only of the above distressing complaint, but when neglected, often terminates in that most dreadful malady called CONSUMPTION. It should be ascertained that Wright's Indian Vegetable Pills are a certain cure for PAIN IN THE SIDE, Dyspepsia, nausea, and sickness, loss of appetite, costiveness, a yellow tinge of the skin and eyes, and every other symptom of a torpid or diseased state of the liver; because they purge from the body those impurities which if deposited upon this important organ, are the cause of every variety of LIVER COMPLAINT. When a nation is convulsed by riots, outbreaks and rebellion, the only means of preventing the dreadful consequences of a CIVIL WAR, is to expel all traitors, and evil disposed ones from the country. In like manner, when pain or sickness of any kind, indicate that the body is struggling with internal foes, the true remedy is to EXPEL ALL MORBID HUMORS, (Traitors to health and life.) Health will be the certain result. That the principle of curing disease, by cleansing and purifying the body, is strictly in accordance with the laws which govern the animal economy; and if properly carried out by the use of the above named WRIGHT'S INDIAN VEGETABLE PILLS, will certainly result in the complete Abolition of Disease; we offer the following testimonials, from persons of the highest respectability in New York, who have recently been cured of the most obstinate complaints, solely by the use of WRIGHT'S INDIAN VEGETABLE PILLS, of the North American College of Health:**

JANESVILLE, I. J. June 9th, 1841.  
Doctor William Wright—Dear Sir—It is with great satisfaction I inform you of my having been entirely cured of Dyspepsia, of five years standing, by the use of your INDIAN VEGETABLE PILLS.  
Previous to meeting with your celebrated medicine, I had been under the hands of several Physicians, and had tried various medicines; but all to no effect. After using one 35 cent box of your Pills, however, I experienced so much benefit, that I resolved to persevere in the use of them according to directions, which I am happy to state, has resulted in a perfect cure. In gratitude to you for the great benefit I have received, and also in the hope that others similarly afflicted may be induced to make trial of your most valuable medicine, I send you this statement, with full liberty to publish the same, if you think proper. Yours, &c.  
New York, June 19th, 1841. G. C. BLACK.

Mr. Richard Dennis, agent for Wright's Indian Vegetable Pills.  
Dear Sir—I have been afflicted for several years with inward weakness and general debility, accompanied at times with pains in the side and other distressing complaints. After having tried various medicines without effect, I was persuaded by a friend to make trial of Dr. Wright's Indian Vegetable Pills, which I am happy to state, has relieved me in a most wonderful manner. I have used the medicine as yet but a short time, and have no doubt, by a persevering use of the medicine, according to directions, that I shall in a short time be perfectly restored.  
I most willingly recommend your Pills to all persons similarly afflicted, and in full belief that the same beneficial results will follow their use, I remain yours sincerely,  
HENRY A. FOOTE,  
Wauwassing, Ulster Co., N. Y.

New York, Sept. 25, 1841.  
This is to certify that I have used WRIGHT'S INDIAN VEGETABLE PILLS with the greatest benefit; having entirely cured myself of the frequent attacks of Sick Headache, to which I had previously been subject.

**CAUTION.**  
As there are at this time many wicked persons busily engaged in selling a counterfeit medicine under the name of the Indian Vegetable Pills—and as these desperate men are so utterly reckless of consequences, that many valuable lives may be lost in consequence of using their dreadful compounds, the public are cautioned against purchasing any Pills, unless on the titles of the boxes the following wording is found:  
WRIGHT'S INDIAN VEGETABLE PILLS, (Indian Proprietary) OF THE NORTH AMERICAN COLLEGE OF HEALTH, And also to be especially careful against purchasing said medicine of any person except the regular advertised agents.

**ROSE OINTMENT,**  
FOR TETTER,  
RINGWORMS, PIMPLES ON THE FACE, AND OTHER CUTANEOUS AFFECTIONS.  
The following certificate describes one of the most extraordinary cures ever effected by any application.  
PHILADELPHIA, February 10, 1839.  
FOR twenty years I was severely afflicted with TETTER on the Face and Head; the disease commenced when I was seventeen years old, and continued until the Fall of 1836, varying in violence, but without ever disappearing. During most of the time, great part of my face was covered with the eruption, frequently attended with violent itching; my head swelled at times until it felt as if it would burst—the swelling was so great, that I could scarcely get my hat on. During the long period that I was afflicted with the disease, I used a great many applications, (among them several celebrated preparations) as well as taking inward remedies, including a number of bottles of Seignin's Panacea, Extract of Sarsaparilla, &c. In fact, it would be impossible to enumerate all the medicines I used. I was also under the care of two of the most distinguished physicians of this city, but without receiving much benefit, and I despaired of ever being cured. In the fall of 1836, the disease of the time being very violent, I commenced using the Rose Ointment, (prepared by Vaughan & Davis.) In a few applications the violent itching ceased, the swelling abated, the eruption began to disappear, and before I had used a jar the disease was entirely cured. It has now been nearly a year and a half since, and there is not a vestige of the disease remaining, except the scars from the deep pits formed by the disease. It is impossible for me to describe in a certificate the severity of the disease and my suffering, but I will be pleased to give a fuller account to any person wanting further satisfaction, who will call on me. At the time I commenced using the Rose Ointment I would have given hundreds of dollars to be rid of the disease. Since using it, I have recommended it to several persons, (among them my mother, who had the disease badly on her face,) who were all cured by it.  
JAMES DURNELL, No. 156, Race St.

The Rose Ointment is prepared by E. B. Vaughan, South East corner of Third and Race Streets, Philadelphia, and sold on agency in Sunbury, by  
H. B. MASSER, Agent,  
May 14th, 1843.

**Rose Ointment, for Tetter.**  
A PROOF OF ITS EFFICACY.  
PHILADELPHIA, May 27th, 1839.  
THIS is to certify that I was severely afflicted with Tetter in the hands and feet for upwards of forty years; the disease was attended generally with violent itching and swelling. I applied to a number of physicians, and used a great many applications without effecting a cure. About a year since, I applied the Rose Ointment, which entirely stopped the itching, and a few applications immediately cured the disease, which there has been no return of, although I had never been rid of it at any time for forty years.  
RICHARD SAVAGE,  
Eleventh, below Spruce Street.  
The Rose Ointment is prepared by E. B. Vaughan, South East corner of Third and Race Streets, Philadelphia, and sold on agency in Sunbury, by  
H. B. MASSER, Agent,  
May 14th, 1843.

**MEDICAL APPROBATION**  
OF THE ROSE OINTMENT, for Tetter.  
ALTHOUGH the superiority of the preparation over all others is fully established, the proprietors take pleasure in laying before the public the following certificate from a respectable physician, a graduate of the University of Pennsylvania. Dr. Baugh, having found in this remedy that relief for a tedious and disagreeable affection which the means within the range of his profession failed to afford, has not hesitated to give it his approbation, although the prejudices and interests of that profession are opposed to secret Remedies.  
PHILADELPHIA, Sept. 19, 1836.  
I was recently troubled with a tedious herpetic eruption, which covered nearly one side of my face, and extended over the ear. Mr. Vaughan, proprietor of the Rose Ointment, observing my face, most liberally offered me a jar, which he handed me a jar. Although in common with the members of my profession, I discountenance and disapprove of the numerous nostrums palmed upon the public by ignorant pretensions, I feel in justice bound to except the Rose Ointment from that class of medicines, and to give it my approbation, as it entirely cured the eruption, although it had resisted the usual applications.  
DANIEL BAUGH, M. D.  
The Rose Ointment is prepared by E. B. Vaughan, South East corner of Third and Race Streets, Philadelphia, and sold on agency in Sunbury, by  
H. B. MASSER, Agent,
