### OAKLEY'S

DEPERATIVE SYREP.

THE valuable properties of Oakley's Depura-tive Syrup of Sarsaparilla, as a purifier of the blood, is so well known to the public generally. ance may be placed upon it, as it is every week that it is unnecessary to occupy much space in setting for h the advantages to be derived from its use; wherever the medicine has once been intra-duced, it takes precedence over all others; every one that has taken it, have derived so signal beneficial results from it, that it is recommended by them with the a most confidence. Physicians of the highest standing in the profession, prescribe it to patients under their care; containing nothing deleterious, but being composed of the most mild, yet efficacious vegetable materials, it is offered with confidence as the cheanest and most efficient onrifier of the blood now known. The use of a few bottles, especially in the spring months, will be uttended with a most decided improvement in the general strength of the system, eradicating any seeds of disease that may have been generated, besides giving health and vigor to the body .- For the cure of Scrofula or Kings Evil, Rheumatism, Tetter, Pimples or cruptions of the Skin, White Swelling, Fistola, Chronic Cough Asthms, &c. The numerous certificates in the possession of the subscriber and his agents, from physicians and others, are sufficient to convince the most skeptical of its superiority over all preparations of Sarsaparilla.

Mn. OARLEY: - I believe it the uty of every one to do whatever instheir power hes, for the binefit of their Jellow man, and having had positive proof in my own family, of the wonderful properties of your Deparative Syrup of Sassaparilla, I mest conscientionsly recommend it to the afflicted. We had the misfortune to lose two of our children, by the breaking out of ulcerous sores that covered the face, head and neck, although we had some of the most scientific physicians to attend them and had tried all the known remedies, including Swaim's Panacca, without avail. Another of my children was attacked in the same manner, her face and neck was completely covered; the discharge was so offensive, and the disease at such a height, that we despaired of her life. Seeing the wonderful effects of your Deparative Syrup of Susaparids, we were induced to make trial of it, us the last resort; it neted like a chann; the ulcers commenced heating immediately, a few bottles entirely restored her to her health, which she has enjoyed uninterruptedly ever since. #### ROSE OINTMENT. FOR TETTER.

RINGWORMS, PIMPLES ON THE FACE, AND OTHER

CUTANEOUS ERUPTIONS.

The following certificate describes one of the most extraordinary oures ever effected by any application. PHILADELPHIA, February 10, 1838. OR twenty years I was severely afflicted with TETTER on the Face and Head: the disease

commenced when I was seventeen years old, and continued until the Pall of 1836, varying in violence, but without ever disappearing. During most of the time, great part of my face was covered with the eruption, frequently attended with violent itching; my head swelled at times until it felt as if it would burst-the swelling was so great, that I could scarcely get my hat on. During the long period that I was afflicted with the disease, I used a great many at plications, (among them several celebrated preparations) as will as taking inward remedies, neluding a number of bottles of Swaim's Panacea, Extract of Sarsaparilla, &c. In fact, it would be impossible to enumerate all the medicines I used. I was also under the care of two of the most distinguished physicians of this city, but without receiving much benefit, and I despaired of ever being cuted. In the fall of 1836, the disease at the time being very violent, I commenced using the Rose and before I had used a jar the disease was entirely cured. It has now been nearly a year and a half since, and there is not a vestige of the disease remaining, except the sears from the deep pits formed by the disease. It is impossible for me to describe in a certificate the severity of the disease and my suffering, but I will be pleased to give a fuller account to any person wanting further satisfaction, who will call on me. At the time I commenced using the Rose Ointment I would have given hundreds of dollars to be rid of the disease. Since using it, I have recommended it to several persons, (among them my mother, who had the disease badly on her arm,) who were all cured by it.

JAMES DURNELL, No. 156, Roce St. The Rose Ointment is prepared by E. B. Vaughan, South East corner of Third and Race streets, Philadelphia, and sold on agency in Sunbu-H. B. MASSER, May 14th, 1813. Agent,

Rose Oinfment, for Telter. - A PROOF OF ITS EFFICACY.

THIS is to certify that I was severely afflicted PHILADELPHIA, May 27th, 1839. with Tetter in the hands and feet for upwards of forty years; the disease was attended generally with violent itching and swelling. I applied to a number of physicians, and used a great many applications without effecting a cure. About a year since, I applied the Rose Ointment, which entirely stopped the itching, and a few applications immediately cured the disease, which there has been no return of, although I had never been rid of it at any time for forty years. MEDICAL APPROBATION

Of the ROSE OINTMENT, for Tetter. A LTHOUGH the superiority of the preparation

over all others is fully established, the proprietors take pleasure in laying before the public the following certificate from a respectable physician, a graduate of the University of Pennsylvania. Dr. thoroughly established its character, that it is now Baugh, having found in this remedy that rehef for a tedious and disagreeable affection which the means within the range of his profession failed to afford, has not hesitated to give it his approbation, although the prejudices and interests of that profession are epposed to secret Remedies.

Although in common with the members of my profession, I discountenance and disapprove of the numerous nostrums palmed upon the public by ignorant pretenders, I feel in justice bound to except the Rose Ointment from that class of medicines, and to give it my approbation, as it entirely cured the eruption, although it had resisted the usual applications.
