OAKLEY'S DEPURATIVE SYRUP.

THE valuable properties of Oakley's Depura-tive Syrup of Sarsaparilla, as a purifier of the blood, is so well known to the public generally, that it is unnecessary to occupy much space in setting forth the advantages to be derived from its use; wherever the medicine has once been introduced, it takes precedence over all others; every one that has taken it, have derived so signal beneficial results from it, that it is recommended by them with the u most confidence. Physicians of the highest standing in the profession, prescribe it to patients under their care; containing nothing deleterious, but being composed of the most mild, yet efficacious vegetable materials, it is offered with confidence, as the cheapest and most efficient purifier of the blood now known. The use of a few bottles, especially in the spring months, will be at tended with a most decided improvement in the general strength of the system, eradicating any seeds of disease that may have been generated, besides giving health and vigor to the body.- For the cure of Scrofula or Kings Evil, Rheomatism, Tetter, Pimples or cruptions of the Skin, White Swelling. Fistula, Chronic Cough Asthon, &c. The numerous certificates in the possession of the subscriber and his agents, from physicians and others, are sufficient to convince the most skeptical of its superiority over all preparations of Sarsaparilla.

Mu. OARLEY :- I believe it the uty of every one to do whatever in their powerlies, for the binefit of their fellow man, and having had positive proof in my own family, of the wonderful properties of your Deparative Syrup of Sarsaparilla, I conscientiously recommend it to the afflicted. We had the mi-fortune to lose two of our children, by the breaking out of ulcerous seres that covered the face, head and neck although we had some of the most scientific physicians to attend them and had tried all the known remedies, including Swaim's Panacia, without avail. Another of my children was attacked in the same manner, her face and neck was completely covered; the discharge was so offensive, and the disease at such a height, that we despaired of her life. Seeing the wonderful effects of your Deparative Syrup of Sassaparida, we were immediately, a few bottles entirely restored by to ever since. As a purifier of the blood, I verily be-

heve it has not its equal.

Dauglassville, April 19th, 1843. MR. OAKLEY :-- My son Edmund Leaf, had the rotela in the most dreadful and distressing manher for three years, during which time he was de prived of the use of his limbs, his head and neck were covered with ulcers. We tried all the different remedies, but to no effect, until recommended y Dr. Johnson of Nordistown, and also Dr. Isaac Hiester, of Reading, to use your Deparative Syrup of Sarsaparilla, of which I obtained several bottles he use of which drove the disease entirely out of his system, the sore healed up, and the child was restored to perfect health, which he has enjoyed unintercuptedly ever since, to the asterishment of many persons who seen him during his affliction. I have thought it my dury, and send you this certificate that others who have a like affliction in the family may know where to obtain so valuable a Yours truly

ROSE GINTMENT, WM. HEILMAN & CO., FOR TETTER.

CUTANEOUS ERUPTIONS. The following certificate describes one of the

most extraordinary oures ever effected by any PRILADELPHIA, February 10, 1838. FOR twenty years I was severely afflicted with TETTER on the Face and Head; the disease commenced when I was seventeen years old, and continued until the Fall of 1836, varying in violence, but without ever disappearing. During most of the time, great part of my face was covered with the eruption, frequently attended with violent itching; my head swelled at times until it felt as if it would burst-the swelling was so great, that I could scarcely get my hat on. During the long period that I was afflicted with the disease, I used a great many at plications, (among them several celebrated preparations) as well as taking inward remedies, duding a number of bottles of Swaim's Panacea, Extract of Sarsaparilla, &c. In fact, it would be impossible to enumerate all the medicines I used. I was also under the care of two of the most distinguished physicians of this city, but without receiving much benefit, and I despaired of ever being cured. In the fall of 1836, the disease at the time being very violent, I commenced using the Rose Ointment, (prepared by Vaughan & Davis.) In a few applications the violent itching ceased, the swelling abated, the cruotion began to disappear, and before I had used a jar the disease was entirely ding, Berks Conney, and to be had of the following cured. It has now been nearly a year and a half since, and there is not a vestige of the disease remaining, except the scars from the deep pits formed by the disease. It is impossible for me to describe in a certificate the severity of the disease and my suffering, but I will be pleased to give a fuller account to any person wanting further satisfaction, who will call on me. At the time I commenced

Rose Ointment, for Tetter. A PROOF OF ITS EFFICACY.

Риманиямия, May 27th, 1839. HIS is to certify that I was severely afflicted with Tetter in the hands and feet for upwards of forty years; the disease was attended generally with violent itching and swelling. I spplied to number of physicians, and used a great many appliinduced to make trial of it, as the last resort; it cations without effecting a cure. About a year acted like a charm; the ulcers commenced healing since, I applied the Rose Ointment, which entirely stopped the itching, and a few applications unmediher health, which she has enjoyed uninterruptedly ately cured the disease, which there has been no return of, although I had never been rid of it at any time for forty years. MEDICAL APPROBATION

Of the ROSE OINTMENT, for Tetter. LTHOUGH the superiority of the preparation over all others is fully established, the proprietors take pleasure in laying before the public the following certificate from a respectable physician, graduate of the University of Pennsylvania. Dr. Baugh, having found in this semedy that relief for a tedious and disagreeable affection which the means within the range of his profession failed to afford, has not hesitated to give it his approbation, although the prejudices and interests of that profession are opposed to secret Remedies.

PHILADELPHIA, Sept. 19, 1836. I was recently troubled with a tedious herpetic cruption, which covered nearly one side of my face, and extended over the ear. Mr. Vaughan, propriefor of the Rose Ointment, observing my face, mototed on my trying his preparation, of which he hanbers of my profession, I discountenance and disapprove of the numerous nostrums palmed upon the arblie by ignorant pretenders, I feel in justice bound to except the Rose Ointment from that class of medicines, and to give it my approbation, as it entireby cured the eruption, although it had resisted the usual applications. DANL BAUGH, M. D. The Rose Ointment is prepared by E. B. Vaughan, South East corner of Third and Ruce Streets, Philadelphia, and sold on agency in Sunbury, by H. B. MASSER, May 14th, 1843,
