The Girl with the Hole in her Stocking.

Now dance with the girl With a hole i' the heel of her stocking "

There's a sweet pretty damsel who trips round the street,

With a lip that at sorrow seemed always : mocking;

Any bright sunny day if this fair one you meet, You will know by the hole in the hecl of her

stocking. Her locks are the raven's, her eye the gazelle's, And her foot is so short that it does not need docking :

Her bust was perfection-but-shudder ye belles! There's a confounded great hole in the heel of her stocking !

When I looked on her first at Miss Fitzmagig's rout.

Like a patent-trimmed hammer my heart was a knocking :

But when I turned round as she passed, I cried out.

"Ye Gods on Olympus-a hole in her stocking "

The next time I saw her-the sweet little dear, By her lover's side tripping, their arms interlocking,

I was chilled to the heart, and shed many a tear, For that horrid great hole in the heel of her stocking !

Oh, would she were mine !--- if it made me a corse.

1 would buy her a bundle of green or bay hocking:

I'd set cross-legg'd a month, or I'd ride the Bronze Horse.

'Till I botch'd up that hole in the heel of her stocking.

Ab. sweetest ! enough are the woes of each day,

To stir up this noddle, and set it to rocking ; But if not for my sake, for charity's pray

Buy a needle and darn up that hole in the heel

of your stocking.

BATTLE BY HORSES .- Southey tells the following picturesque incident of the Peninsular war :- Two of the Spanish regiments which had been quartered in Funen, were cavalry mounted on fine black, long-tailed Andalusian horses. It was impracticable to bring off these horses, about 1100 in number, and Romana was not a man who could order them to be destroyed. He was fond of horses himself, and knew that every man was attached to his beast which had carried him so far and so faithfully .- Their bridles were taken off and they were turned loose upon the beach. A scene ensued, such as probably was never before witnessed. They were sensible that they were no longer under any restraint of human power. A general conflict ensued, in which retaining the discipline they had learned, they charged each other in squadrons of ten or twenty together ; then closely engaged, striking with their fore feet, and biting and tearing each other with ferocious rage, and trampling over those which were beaten down, till the shore, in the course of an hour was strewn with dead and disabled. Part of them had been set free on a rising ground, at a distance ; they no sooner heard the roar of the battle, than they came thundering down over the Bank of Washing

OAKLEY'S DEPURATIVE SYRUP.

THE valuable properties of Oakley's Deputa-L tive Syrup of Sarsaparilla, as a purifier of the blood, is so well known to the public generally, that it is unnecessary to occupy much space in set-ting forth the advantages to be derived from its use; wherever the medicine has once been introduced, it takes precedence over all others: every one that has taken it, have derived so signal beneficial results from it, that it is recommended by them with the u most confidence. Physicians of the highest standing in the profession, prescribe it to patients under their care ; containing nothing deleterious, but being composed of the most mild, yet officacious vegetable materials, it is offered with confidence, as the cheapest and most efficient purifier of the blood now known. The use of a few bottles, especially in the spring months, will be at-Dar tended with a most decided improvement in the ge-1001 neral strength of the system, eradicating any seeds Daz of disease that may have been generated, besides par giving health and vigor to the body .- For the cure of Scrofula or Kings Evil, Rheumstism, Tetter, Dar Pimples or eruptions of the Skin, White Swelling, DAT Fistula, Chronic Cough Asthma, &c. Reading, March 14, 1843. Ma. OAKLEY :- I believe it the uty of every one to do whatever in their power lies, for the benefit of their fellow may, and having had positive proof in my own family, of the wonderful properties par of your Depurative Syrup of Sarsaparilla, I most conscientiously recommend it to the afflicted. We had the misfortune to lose two of our children, by the breaking out of ulcerons sores that covered the face, head and neck, although we had some of the most scientific physicians to attend them and had tried all the known temedies, including Swaim's Panacca, without avail. Another of my children was attacked in the same manner, her face and neck was completely covered; the discharge was so offensive, and the disease at such a height, that we despaired of her life. Seeing the wonderful effects of your Deputative Syrup of Sarsaparida, we were induced to make trial of it, as the last resort ; it acted like a charm; the ulcers commenced heating immediately, a fiw bottles entirely restored her to do her health, which she has enjoyed uninterruptedly ever since $A \le a$ purifier of the blood, I verify bede lieve it has not its equal.

JOHN MOYER, Tailor, Walnut street, near Fourth, Reading.

Douglassville, April 19th, 1843. MR. OAKLEY :- My son Edmond Leaf, had the scrofula in the most dreadful and distressing manner for three years, during which time he was deprived of the use of his limbs, his head and neck were covered with ulcers. We tried all the different remedies, but to no effect, until recommended by Dr. Johnson of Norristown, and also Dr. Isaac Hiester, of Reading, to use your Depurative Syrup of Sarsaparilla, of which I obtained several bottles the use of which drove the disease entirely out of his system, the sore healed up, and the child was restored to perfect health, which he has enjoyed uninterruptedly ever since, to the astonishment of many persons who seen him during his affliction. I have thought it my duty, and send you this certificate that others who have a like affliction in the family may know where to obtain so valuable a closed medicine. Yours truly

ROSE OINTMENT. FOR TETTER.

RINGWORMS, FIMPLES ON THE FACE, AND OTHER CUTANEOUS ERUPTIONS. of The following certificate describes one of the most extraordinary ours ever effected by any

application. PHILADELPHIA, February 10, 1838. FOR twenty years I was severely afflicted with TETTER on the Face and Head: the disease commenced when I was seventeen years old, and continued until the Fall of 1836, varying in violence, but without ever disappearing. During most of the time, great part of my face was covered with the eruption, frequently attended with violent itching; my head swelled at times until it felt as if it

scarcely get my hat on. During the long period that I was afflicted with the disease, I used a great many aj plications, (among them several celebrated preparations) as well as taking inward remedies, neluding a number of bottles of Swaim's Panaeca. Extract of Sarsaparilla, &c. In fact. it would be mpossible to enumerate all the medicines I used, was also under the care of two of the most distinguished physicians of this city, but without receiving much benefit, and I despaired of ever being cured. In the fall of 1836, the disease at the time being very violent, 1 commenced using the Rose Ointment, (prepared by Vaughan & Davis.) In a few applications the violent itching ceased, the swelling abated, the eruption began to disappear, and before I had used a jar the disease was entirely cured. It has now been nearly a year and a half since, and there is not a vestige of the disease re-

maining, except the sears from the deep pits formed by the disease. It is impossible for me to describe in a certificate the severity of the disease and my suffering, but I will be pleased to give a fuller account to any person wanting further satisfaction, who will call on me. At the time I commenced using the Rose Ointment I would have given hundreds of dollars to be rid of the disease. Since using it, I have recommended it to several persons, among them my mother, who had the disease badon her arm,) who were all cured by it,

is to certify that I was severely afflicted with Tetter in the hands and feet for upwards of forty years; the disease was attended generally with violent itching and swelling. I applied to a number of physicians, and used a great many applisince, I applied the Rose Ointment, which entirely stopped the itching, and a few applications immediately cured the disease, which there has been no return of, slthough I had never been rid of it at any time for forty years. MEDICAL APPROBATION

Of the ROSE OINTMENT, for Tetter. A LTHOUGH the superiority of the preparation over all others is fully established, the proprietors take pleasure in laying before the public the following certificate from a respectable physician, a graduate of the University of Pennsylvania, Dr. Baugh, having found in this remedy that relief for a tedious and disagreeable affection which the means within the range of his profession failed to afford has not hesitated to give it his approbation, although the prejudices and interests of that profession are opposed to secret Remedies.

PHILADELPHIA, Sept. 19, 1836. I was recently troubled with a tedious herpetic nuption, which covered nearly one side of my face, and extended over the ear. Mr. Vaughan, proprietor of the Rose Distment, observing my face, insisted on my toying his preparation, of which he handed me a jar. Although in common with the members of my profession, I discountenance and disapprove of the numerous nostrums palmed upon the oblic by ignorant pretenders, I feel in justice bound o except the Rose Olidment from that class of medicines, and to give it my approbation, as it entirely cured the eruption, although it had resisted the usual applications, DANL BAUGH, M. D. The Rose Ointment is prepared by E. B. Vaughan, South East corner of Third and Race Streets, Philadelphia, and sold on agency in Sun-bury, by H. B. MASSER, bury, by May 14th, 1843. Agent

ONE IDEA .- An old lady who was very thoughtful, but could not entertain but one idea at the same time, once entered the church, and while walking up the aisle, discovered that her favourite cat had accompanied her. Agreeable to the first expression of the discovery, she said aloud, 'Why pussy, where do you think you are going !' Looking up, and recollecting that she was in the church, she remarked, 'there ! I spoke right out.' Her attention was now arrested by the smiles of the congregation, which, together with the voice of her last remark, induced the exclamation, 'why, la ! I've spoken agin.' By this time she was fully aware of the impropriety of such a soliloguy, and forthwith exclaimed in evident consternation, 'why, tud a mercy, I'm talking loud all the time."

Did you go to church last night !" 'Yes, man. Well, now, what did you have round your neck, besides the cape and beads, just before you started ?" 'O deer me, I can't teli.' 'Silly child. Recollect now, for you must

tell.' "I'm afeerd to, mam."

"Afraid to. What nonsease. Tell it right out, Miss, or I'll give you a black mark." "Well, then, Jim Smith, the carpenter man's arm ; but it was only once.' 'Good gracious, lordy me ! Why the child is ruined. O, la ! Did I ever hear the like.

Go right into the closet, Miss Susan Sniffle, this minute."

No. 237, North Third, above Cutlowhill St.,

OHN DUNCAN, late from the Pennsylva-nia Farmer, and Samuel Pike. jr., late of American Hotel, Columbus, Ohio, take pleasure in ac quanting their friends and the public generally that they have taken the large and commodious Hotel, recently built by the Messus. Hart, on the same site once occupied by the old established Hotel known as the Bull's Head, in Third street above Callowhill st.

This Hotel is finished in the very best possible manner, and of the best materials. Its location is very desirable, particularly for country merchants; the arrangements for heating and ventilating each toom is such as to secure any temperature. The bedrooms are all light and airy, all furnished in a neat style, so as to insure comfort.

The receiving parlors are also furn ished in a superb style, the windows are on the French style, forming an entrance to a baleony in front, which makes a pleasant recess. Particular attention has been given to the beds and bedding, which, with the furniture, are entirely new.

From years' experience in hotel business, we trust, by strict assiduity to business, to make this house a desirable stopping place. Our table will always be supplied with the very best our market can afford, and our bar with the beat liquors and wines of the most approved brands.

P. S. There are first rate stabling and carriage houses attached to the hotel, attended by careful and sober hostlers, and our charges will be low, in accordance with the present hand times. Philadelphia, Oct. 7th, 1842.
