SHUGERT'S PATENT WASHING MACHINE FIGHIS Machine has now been tested by more

I than thirty families in this neighborhood, and has given entire satisfaction. It is so simple in its construction, that it cannot get out of order. It contains no iron to rust, and no springs or rollers to get out of repair. It will do twice as much washing, with less than half the wear and tear of any of the late inventions, and what is of greater in pertance, it costs but lit le over half as much as other washing machines.

We, the subscribers, certify that we have now in use, in our families, "Shugert's Patent Washing Machine," and do not be-state saying that it is a most excellent invention. That, in Washing, it will save more than one half the usual labor,-That it does not require more than one third the usual quantity of soop and water; and that there is no rubbing, and consequently, little or no wearing or teating .- That it knocks off no buttons, and that the finest clothes, such as collar-, laces, tucks, frills, &c., may be wasted in a very short time without the least injury, and in fact without any apparent wear and tear, whatever. We therefor, cheerfully recommend it to our friends and to the

public, as a most useful and labor saving machine. CHARLES W. HEGINS, A. JORDAN CHS. WEAVER CHS PLEASANTS GIDEON MARKLE. Hon, GEO, C. WELKER. BENJ. HENDRICKS,

I have used Shugert's Patent Washing Machine in my house upwards of eight months, and do not hesitate to say that I deem it one of the mo-t useful and valuable labor-saving machines ever invented. I formerly kept two women continually occupied in washing, who now do as much in two days as they then did in one week. There is no wear or tear in washing, and it requires not more than one-third the usual quantity of soap. I have had a number of other machines in my family, but this is so decidedly superior to every thing else, and so little liable to get out of repair, that I would not do without one if they should cost ten times the DANIEL HERR. price they are sold for.

OAKLEY'S

DEPURATIVE SYRUP. HE valuable properties of Oakley's Deput tive Syrop of Sarsaparilla, as a purifier of the blood, is so well known to the public generally, that it is unnecessary to occupy much space in setting forth the advantages to be derived from its use; wherever the medicine has once been introduced, it takes precedence over all others; every one that has taken it, have derived so signal beneficial results from it, that it is recommended by them with the u most confidence. Physicians of the highest standing in the profession, prescribe it to patients under their care; containing nothing deleterious, but being composed of the most mild, yet efficacious vegetable materials, it is offered with confidence, as the chespest and most efficient purifler of the blood now known. The use of a few bottles, especially in the spring months, will be attended with a most decided improvement in the general strength of the system, eradicating any sceds of disease that may have been generated, besides giving health and vigor to the body .- For the cure of Scrofula or Kings Evil, Rheumatism. Tetter, limples or cruptions of the Skin, White Swelling, Fotula, Chronic Cough Asthms, &c. The numerous certificates in the possession of the subscriber and his agents, from physicians and others, are sufficient to convince the most skeptical of its superiority over all preparations of Sarsaparilla.

OAKLEY :- I believe it the uty of every one to do whatever in their powerlies, for the binefit of their fellow man, and having had positive proof in my own family, of the wonderful properties of your Deparative Syrup of Sassaparitle, I m st conscientiously recommend it to the afflicted. We had the misfortune to lose two of our children, by the breaking out of ulcerous sees that covered the face, head and reck, although we had some of the most scientific physicians to attend them and had tried all the known temedies, including Swaim's Panacea, without avail. Another of my children was stracked in the same manner, her face and neck was completely covered; the discharge was so offensive, and the disease at such a height, that we despaired of her life. Seeing the wonderful effects of your Deputative Symp of Sassaparilla, we were induced to make trial of it, as the last resort; it acted like a charm; the ulcers commenced healing mised-ately a few bottles entirely restored her to her health, which she has enjoyed uninterruptedly ever since. We tried all the differ ent remedies, but to no effect, until recommended by Dr. Johnson of Nonistown, and also Dr. Isaac Hiester, of Reading, to use your Depurative Syrup of Sarsaparilla, of which I obtained several bottles, the use of which drove the disease entirely out of his system, the sore healed up, and the child was restored to perfect health, which he has enjoyed unintercuptedly ever since, to the astenishment of many persons who seen him during his affliction. ROSE OINTMENT.

FOR TETTER. RINGWORMS, PIMPLES ON THE FACE, AND OTHER

CUTANEOUS ERUPTIONS. The following certificate describes one of the most extraordinary oures ever effected by any application.

PHILADELPHIA, February 10, 1838. FOR twenty years I was severely afflicted with TETTER on the Face and Head: the disease commenced when I was seventeen years old, and continued until the Fall of 1836, varying in violence, but without ever disappearing. During most of the time, great part of my face was covered with the cruption, frequently attended with violent itching; my head swelled at times until it felt as if it would burst-the swelling was so great, that I could ecatcely get my hat on. During the long period that I was afflicted with the disease, I used a great many at plications, (among them several celebrated preparations) as well as taking inward remedies, including a number of bottles of Swaim's Panacea, Extract of Sursaparilla, &c. In fact, it would be impossible to enumerate all the medicines I used. was also under the care of two of the most distinguished physicians of this city, but without receiving much benefit, and I despaired of ever being cured. In the fall of 1836, the disease at the time being very violent, I commenced using the Rose Ointment, (prepared by Vaughan & Davis.) In a few applications the violent itching ceased, the swelling abated, the eruption began to disappear, and before I had used a jar the disease was entirely cured. It has now been nearly a year and a half since, and there is not a vestige of the disease remaining, except the sears from the deep pits formed by the disease. It is impossible for me to describe in a certificate the severity of the disease and my suffering, but I will be pleased to give a fuller account to any person wanting further satisfaction. who will call on me. At the time I commenced using the Rose Ointment I would have given hundeeds of dollars to be rid of the disease. Since using it, I have recommended it to several persons, among them my mother, who had the disease bad-

"HIS is to certify that I was severely afflicted with Tetter in the hands and feet for upwards of torty years; the disease was attended generally with violent itching and swelling. I spplied to a number of physicians, and used a great many applicarious without effecting a core. About a year since, I applied the Rose Ointment, which entirely stopped the itching, and a few applications immediately cured the disease, which there has been no return of, although I had never been rid of it at any time for forty years. RICHARD SAVAGE,

Eleventh, below Spruce Street. The Rose Ointment is prepared by E. B. Vaughan, South East corner of Third and Race Streets, Philadelphia, and sold on agency in Sunbu-H. B. MASSER. May 14th, 1843. Agent.

MEDICAL APPROBATION

Of the ROSE OINTMENT, for Tetter. A LTHOUGH the superiority of the preparation over all others is fully established, the proprietors take pleasure in laying before the public the following certificate from a respectable physician, a graduate of the University of Pennsylvania. Dr. Banch, having found in this semedy that relief for a tedious and disagreeable affection which the means within the range of his profession failed to afford. as not hesitated to give it his approbation, although the prejudices and interests of that profession are pposed to secret Remedies.

PHILADELPHIA, Sept. 19, 1836. I was recently troubled with a tedious herpetic bich covered nearly one side of my face, and extended over the ear. Mr. Vaughan, proprietor of the Rose Ointment, observing my face, insisted on my trying his preparation, of which he handed me a jar. Although in common with the mem-bers of my profession, I discountenance and disapprove of the numerous nostrums palmed upon the public by ignorant pretenders, I feel in justice bound to except the Rose Ointment from that class of medicines, and to give it my approbation, as it entireiy cured the eruption, although it had resisted the usual applications. DANL BAUGH, M. D. g.; The Rose Cintment is prepared by E. B. Vaughan, South East corner of Third and Ruce Streets, Philadelphia, and sold on agency in Sunbury, by H. B. MASSER, May 14th, 1843. Agent.
