THE QUILTING.

Sung with great applause, by Mn. SPEAR at the Walnut Street Theatre.

'Twas down at Major Parson's House The gals they had a quiltin' Just for tu show their handsome looks And have a little jiltin' !

Yankee lasses are the U 'niversal airth betwitchin." They're good and true and handsome tu, In parlor and in kitchen !

There was Deacon Jones' darter Sal, Squire Wheeler's darter Mary. And Gineral Carter's youngest gal That looks just like a fairy.

There was a Lucy White and Martha Brown And Parsons' darter Betty, Emimo Pinkhorn, Prudence Short. And Major Downing's Hetty !

Eat if there was a handsome gal. To make a fellow's heart right, I guess it was by all accounts, Miss Carolina Cartwright !

Well, while we were a whirlin' plate, And playin' hunt the slipper, Jerusha Parson went to git Some cider in a dipper !

But just as she had left the room And got inter the entry, She give a scream and stood stock still, Just like a frozen sentry !

We all ran out, and there, I swow, Both huggin like creation, Miss Cartwright and Sam Jones we saw, A kissin' like tarnation.

O, such a laugh as we sot up, You never heered a finer, Says 1, "I reckin kissin's cheap, Don't you, Miss Carolina ?"

1 wish you'd saw Miss Cartwright blush, Jest like as if she'd painted, She said -- she had the cholic-- and In Samuel's arms had fainted !

And now, young gals, I'd say tu you, When you go tu a frolic, Don't let your fellers kiss and hug Unless-you have the cholic !

One of the first things which strikes the notice of a stranger, after becoming somewhat acquainted in Berlin, is the uncomfortable arrangements of the (otherwise) elegant dwelling houses. So illy constructed are their family mansions; so little is taste and comfort consulted in their architecture, that visiters are frequently compelled to pass through a suite of sleeping rooms, bed chambers, and sometimes even through the kitchen, before they are able to reach the parlor, or receiving room. The houses generally are built of the best materials. handsomely finished and furnished, and but for the inexcusable fault in their internal architecture to which I have alluded, would cousl, in point of magnificence, almost any in the world. RINGWORMS, PIMPLES ON THE FACE, AND OTHER CUTANEOUS ERUPTIONS.

The following certificate describes one of the most extraordinary cures ever effected by any application.

PHILADELPHIA, February 10, 1838. OR twenty years I was severely afflicted with TETTER on the Face and Head: the discase commenced when I was seventeen years old, and continued until the Fall of 1836, varying in violence, but without ever disappearing. During most of the time, great part of my face was covered with the eruption, frequently attended with violent itching ; my head swelled at times until it felt as if it would burst-the sweiling was so great, that I could scarcely get my hat on. During the long period that I was afflicted with the disease, I used a great many at plications. (among them several celebrated preparations) as well as taking inward remedies, cluding a number of bottles of Swaim's Panacea, Extract of Sarsaparilla, &c. In fact. it would be mpossible to enumerate all the medicines I used. was also under the care of two of the most distinguished physicians of this city, but without receiving much benefit, and I despaired of ever being cured. In the fall of 1823, the disease at the time being very violent, 1 commenced using the Rose Ointment, (prepared by Vanghan & Davis.) In a few applications the violent itching ceased, the swelling abated, the eraction began to disuppear, and before I had used a jar the disease was entirely cured. It has now been nearly a year and a half since, and there is not a vestige of the disease remaining, except the sears from the deep pits formed by the disease. It is impossible for me to describe in a certificate the severity of the disease and my suffering, but I will be pleased to give a fuller account to any person wanting further satisfaction, who will call on me. At the time I commenced using the Rose Obstment I would have given hundieds of dollars to be tid of the disease. Since using it, I have recommended it to several persons, (among them my mother, who had the disease badly on her acm.) who were all cured by it.
