What the "Sugar Coated Indian Vegetable Pills" are doing in Boston.

Boston, January 3d, 1845.

Dear Sir:—You have no idea of the amount of good done here by the "SUGAR COATED INDIAN VEGETABLE PILLS" (Sug. Coated Pills),—by a respectable Druggist came in from Lowell, and purchased 6 dozen, and stated he could recommend them beyond any other medicine he ever had, and as his WIFE had BEEN PERFECTLY CURED OF RUSH or BLOOD TO THE HEAD, by using them. Several bad cases of the influenza have also been cured by them.

Yours truly,
J. P. CLARKE, 2 Water Street.

To G. Benj'n Smith, M. D., N. Y.

P. S. For the truth of the above, I refer to Hon. Charles Wells, President of the Mutual Fire Insurance Company, Boston.

CAUTION.—As a miserable imitation has been made, by the name of "Sugar Coated Pills," it is necessary to be sure that DR. G. B. SMITH'S signature is on every box. Price 25 cents.

Democratic Review.

Greatly Reduced Price—From \$5 to \$3 per Annum.—Single copy 25 cents.

PROSPECTS OF THE WEST, ON 17th VOLUME.

THE PRICE OF THE DEMOCRATIC REVIEW has heretofore been too high—not for the size, cost and character, but for the means of thousands of readers who would be glad to receive it, and among whom it is highly desirable that it should circulate. For the purpose, therefore, of widening the range of its usefulness, and of multiplying the numbers of those to whom it may be accessible it has been determined, simultaneously with the great reduction in the expense of the past age, to reduce its subscription price also, from FIVE to only THREE dollars; and when several unite in subscription, to as low as \$2.50, or even \$2.30 per annum.

This very large reduction in the receipts (compensated only by a comparatively small diminution of its expenses) involves, of course, an entire sacrifice of profit upon it, unless compensated by a vast multiplication of subscribers.—There will be at the outset only a small reduction in its number of pages; soon to be restored to its old number, without increase of price, when the anticipated success of the experiment shall justify it.

THE PORTRAITS OF DISTINGUISHED DEMOCRATS will be continued—engraved in better and more costly style than heretofore.

THE POSTAGE will heretofore, for any distance, be only five and a half cents; it has heretofore been, for 100 miles, at least, double that rate.

We look for an extension of circulation to be reckoned by tens of thousands, as the result and emanation of this great reduction of price.—Every friend of the work, and of the Democratic principles and cause, is confidently appealed to to exert himself with an active interest to procure subscribers; both to extend its usefulness, and to carry it successfully through the crisis of this great reduction of its price.

Those who have paid in advance for the coming year, will receive it, at a reduced rate, for a year and a half.

TERMS HENCEFORWARD.

(INVARIABLY IN ADVANCE.)

Single copy	\$3 00	Eight copies	\$20 00
Four copies	\$11 00	Thirteen "	\$30 00

It will then be seen that when thirteen copies are ordered at once, the price is brought down to about \$2.30 each. For six months, half these rates.

These reduced rates will induce thousands of agents and others to interest themselves to procure subscribers.

The cash system and payment in advance must be uncompromisingly adhered to. The past relaxation of it has caused an accumulation of not far from \$10,000 of debts due to be worked. It is felt that this must be wholly reformed, not must either the most eminent political firm, or the most intimate personal one, be displaced on expiating its application in the stoppage of their numbers, if they neglect this rule, the vital necessity of which, at the present juncture of our times, must be obvious to all.

No communications will be taken from the Post office unless free of postage.

All communications, both on editorial and publishing business, must be addressed henceforward to the undersigned. Those relating to the settlement of the past debt due the work will be sent addressed to Mr. H. G. LANEY, 8 Astor House, the best arrangements with whom, as publisher, have reached their termination.

July, 1845, 146 Nassau street, N. York

LAST LIKENESS OF GEN. JACKSON.

The admirable Daguerrotype of Gen. Jackson, taken by Anthony, Edwards & Co., a few weeks before his death, has been purchased for the use of the Democratic Review. It is in the hands of the artist, and will be engraved in the finest style of mezz-tint, of extra size. It is a most beautiful and interesting work, declared by Mr. Van Huren and others to give a more perfect idea of the great and good old man than any other likeness; and ought to be possessed by every man who loves and reveres his memory.—Those who subscribe early will receive it as one of the regular series of Portraits.
