Just Think!!!
THERE never was a medicine made of so pure materials as Dr. Smith's (Sugar Coated) Indian Vegetable Pills, and no medicine has ever been so highly recommended. They act as no pills ever acted, as they operate powerfully, and do not leave the bowels disordered. And how PLEASANT! Children take them without resistance. Directions of four pages accompany every box. The signature of DR. G. BENJ. SMITH is on the side of each box. Sold at Dr. Guion, cor. Bowery and Grand streets—Rushion & Co., 110 Broadway—Everitt, 96 Hudson st., and at the office, 179 Greenwich Street.
CAUTION.—As a miserable imitation has been made, by the name of "Sugar Coated Pills," it is necessary to be sure that Dr. G. BENJ. SMITH'S signature is on every box. Price 25 cents.
Principal Office, 179 Greenwich st. New York.
Sold by JOHN W. FRILING, Sunbury.

A CARD.
THE subscriber and publisher of the Miner's Journal for the last sixteen years, has been engaged for the last year, in collecting the Materials for a work—for which he has secured the copy right, in the following words:
"A History of the Anthracite Coal Trade of Schuylkill and the adjoining Counties, Geological and Statistical, accompanied with Maps of the different Regions, the Improvements, Investments, Capacity, &c., embracing a complete and authentic history of the present time, to which will be appended a Synopsis of the Iron Trade."
It is our intention to embrace every thing of interest in the work, connected with the trade, up to the beginning of the year 1846, prepared and arranged with a view of continuing the publication, at periods of five or ten years, with such additions as the increased trade will warrant. These branches of trade have assumed an importance which will warrant such a publication, and he feels confident, that with the proffered aid of several gentlemen and the statistics already in his possession, he will furnish the public with a work, which, if not one of the most interesting in its details, it will be of great value to those engaged and interested in these branches of business.
As soon as the Maps, &c. are prepared, and some idea can be formed of the probable expense of publishing the work, proposals will be issued for the same.
All the tracts of Coal land will be designated on the Map of the Schuylkill Coal Region, which will accompany the work.

HERR'S HOTEL, HARRISBURG, PA.

I BGG leave to inform the public that I have left Philadelphia, and am now located in Harrisburg, the seat of the Executive and State Government of Pennsylvania, where I now occupy the spacious Hotel, recently kept by Mr. Matthew Wilson.
This spacious building, having been purposely planned and erected for a Hotel of the first class, is not surpassed if equaled, by any similar establishment in Pennsylvania; and having undergone a thorough renovation, the parlors, rooms and chambers are now fitted up in a style that combines elegance with comfort and convenience.
My TABLE is pledged to be supplied with the best fare the Markets can produce; the charges at the same time being as moderate as any of the best regulated establishments elsewhere. In short, no extensions shall be spared on my part, or on the part of every member of my household, to make it what it should be, in the Capital of one of the most populous and interesting States of the Union.
With these premises, accommodations and facilities, and the fact that the Hotel is most elegantly situated, I wish confidence, most respectfully solicit the patronage of the Public.

PERSEPHONE PIANOS.

THE SUBSCRIBER has been appointed agent for the sale of CONRAD MEYER'S CELEBRATED PREMIUM ROSE WOOD PIANOS, at this place. These Pianos have a plain, massive and beautiful exterior finish, and for strength and sweetness of tone, and elegance of workmanship, are not surpassed by any in the United States. The following is a recommendation from C. CARL DIXT, a celebrated performer, and himself a manufacturer:
A CARD.
Having had the pleasure of trying the excellent Piano Forte manufactured by Mr. Meyer, and exhibited at the late exhibition of the Franklin Institute, I feel it due to the true merit of the maker to declare that these instruments are quite equal, and in some respects even superior, to all the Pianos Forte, I saw at the capitals of Europe, and during a sojourn of two years at Paris.
These Pianos will be sold at something lower than the Philadelphia prices, if not something lower. Persons are requested to call and examine for themselves, at the residence of the subscriber, Sunbury, May 17, 1845. H. B. MASSER.
