Dyspepsia of 10 Years' Standing.
The wife of Captain Roberts, on Vine Street, near Water, Cincinnati, has been afflicted with DYSPEPSIA in its most aggravated form for the last ten years. She was recommended by a celebrated physician of Boston, New York, Philadelphia, Baltimore, and Cincinnati, to travel, as they could do nothing for her. She did so, but it did her no good. She then commenced using the most popular medicines of the day for her complaint, but derived no benefit. Seeing an advertisement of DR. SMITH'S VEGETABLE SUGAR COATED PILLS in the paper, she concluded to give them a trial—sent to G. F. Thomas, Main street, between Third and Fourth, Dr. Smith's Agent for Cincinnati, and purchased a box, took them according to direction, and can with heart-joy state that she derived more benefit from the use of one box of Dr. Smith's Sugar Coated Vegetable Pills, than from any other medicine she has made use of during the ten years. (This is a true story, as G. F. Thomas, on the 31 Dec., 1844—*Cin. Times*.)
CAUTION—As a miserable imitation has been made, by the name of "Sugar Coated Pills," it is necessary to be sure that "DR. G. B. SMITH'S" signature is on every box. Price 25 cents.
