LATE AND INTERESTING FROM MEXICO .- We are furnished with the following extract from a letter from New Orleans, dated the 11th inst., which is somewhat later than the newspapers of the 11th inst., from that city, and gives the following interesing intelligence from Mexico:

"The barque Naudain had just arrived at that port at Vera Cruz, having sailed thence on the 3dinstant. The captain of the Naudain informed me that he had conversed with the American Consul, a few moments before sailing, and that the latter informed him that a revolution would arise in the city during the afternoon; that the republican party and the friends of Santa Anna would unite to overthrow the existing government, and that Santa Anna was daily expected at Vera Cruz."

IRON WORKS AT HARRISBURG .- A bill was before the Legislature for the incorporation of a company to establish works at Harrisburg to manufacture rail road iron-with a charter authorizing the investment of \$1,000,000. David R. Porter, Jacob Holdman, Thomas Elder, and some eastern capitalists, have this great enterprise in contemplation.

BRANDRETH's PILLS cure all affections, simply because they make the blood pure-abstract out of it those qualities which produce disease, and give to it those qualities which produce health.

Now every solid part of the human frame is made from the blood, and the food we est is converted into blood to supply the waste our bodies are continually sustaining. So in the ordinary course of nature we manufacture our entire bodies in about sine years, from the food taken into our stomachs. Suppose the air we have lived in for some time has been loaded with matters detrimental to health, or our food for a long period has been of an unwholesome kind, or that the mind has been much troubled-for grief, anxiety, or great attention to any particular point is sure to occasion bad effects in the blood. Any of these causes existing good blood cannot be supplied to the bedy.

But let Brandreth's Pills be used daily under these circumstances, in doses of from two to six pills, or as the case shall determine. What is their effect? It is to carry off the impure matters from the blood, leaving only the good to renew every part of the body. What was unsound now becomes sound, and the stomach soon gets into so healthy a condition that even bad air or unwholesome food for a time are unable to injure the health

This good advice comes from a friend, an eduries good suvice comes from a friend, an edu-cated physician, and one who has been cured of protracted illness, by "THE IMPROVED INDI-AN VEGETABLE PILLS," (SUGAR COATED.) which are at this moment effecting some of the most remarkable cures on record, and they will continue to heal the sick as long as they are resorted to by them. PIANOS. THE SUBSCRIBER has been appointed agen', for the sale of CONRAD MEYER'S CEL-EBRATED PREMIUM ROSE WOOD PI-ANOS, at this place. These Pianos have a plain, messive and brautiful exterior fini-ir, and, for depth and sweetness of tone, and elegance of workman-ship, are not surpassed by any in the United States. The following is a recommendation from Cara Direct, a celebrated performer, and himself a man-

ufacturer : A CARD.

Havine had the pleasure of trying the excellent Piano Fortes manusctured by Mr. Meyer, and
exhibited at the last exhibition of the Franklin Institute, I feel it due to the true merit of the maker to declare that these instruments are quite equal, and in some respects even superior, to all the Piano Fortes, I saw at the capitals of Europe, and

during a sojourn of two years at Paris.

These Pianos will be sold at the manufacturer's lowest Philadelphia prices, if not something lower, Persons are requested to call and examine for themselves, at the residence of the subscriber.
