OAKLEY'S DEPURATIVE SYRUP.

THE valuable properties of Oakley's Deputa-tive Syrup of Sarsaparilla, as a purifier of the blood, is so well known to the public generally, that it is unnecessary to occupy much space in set-ting forth the advantages to be derived from its use; wherever the medicine has once been introduced, it takes precedence over all others; every one that has taken it, have derived so signal bene ficial results from it, that it is recommended by them with the utmost confidence. Physicians of the highest standing in the profession, prescribe if o patients under their care ; containing nothing deleterious, but being composed of the most mild, yet efficacious vegetable materials, it is offered with confidence, as the cheapest and most efficient purifier of the blood now known. The use of a few bottles, especially in the spring months, will be at tended with a most decided improvement in the general strength of the system, eradicating any seeds of disease that may have been generated, besides giving health and vigor to the body.—For the cure of Scrofula or Kings Evil, Rheumatism, Tetter, Pimples or eruptions of the Skin, White Swelling, Fistula, Chronic Cough Asthma, &c. The numerous certificates in the possession of the subscri-ber and his agents, from physicians and others, are sufficient to convince the most skeptical of its superiority over all preparations of Sarsaparilla.

Reading, March 14, 1843. Ma. OAKLEY :- I believe it the uty of every one to do whatever in their power lies, for the benefit of their fellow man, and having had positive proof in my own family, of the wonderful properties of your Depurative Syrup of Sarsaparilla, I mest conscientiously recommend it to the afflicted. We had the misfortune to lose two of our children, by the breaking out of ulcerous sores that covered the face, head and neck, although we had some of the most scientific physicians to attend them and had tried all the known remedies, including Swaim's Panaces, without avail. Another of my children was attacked in the same manner, ber face and neck was completely covered; the discharge was so offensive, and the disease at such a height, that we despaired of her life. Seeing the wonderful effects of your Depurative Syrup of Sarsaparilla, we were induced to make trial of it, as the last resort; it acted like a charm; the ulcers commenced healing immediately, a few bottles entirely restored her to her health, which she has enjoyed uninterruptedly ever since. As a purifier of the blood, I verily be-

lieve it has not its equal, JOHN MOYER, Tailor, Walnut street, near Fourth, Reading.

Douglassville, April 19th, 1843. Mn. OAKLEY :- My son Edmund Leaf, had the crofula in the most dreadful and distressing manner for three years, during which time he was deprived of the use of his limbs, his head and neck were covered with ulcers. We tried all the different remedies, but to no effect, until recommended by Dr. Johnson of Nornistown, and also Dr. Isaac Hiester, of Reading, to use your Depurative Syrup of Sarsaparilla, of which I obtained several bottles. the use of which drove the disease entirely out of his system, the sore healed up, and the child was restored to perfect health, which he has enjoyed uninterruptedly ever since, to the astonishment of many persons who seen him during his offliction. have thought it my duty, and send you this certificate that others who have a like affliction in the family may know where to obtain so valuable s

ROSE OINTMENT WM. HEILMAN & CO., FOR TETTER.

RINGWORMS, PIMPLES ON THE PACE, AND OTHER

The following certificate describes one of the most extraordinary oures ever effected by any application. PRILADELPHIA, February 10, 1838.

FOR twenty years I was severely afflicted with commenced when I was seventeen years old, and continued until the Fall of 1836, varying in violence, but without ever disappearing. During most of the time, great part of my free was covered with the eruption, frequently attended with violent itching; my head swelled at times until it felt as if it would burst—the swelling was so great, that I could scarcely get my hat on. During the long period that I was afflicted with the disease, I used a great many aj plications, (among them several celebrated preparations) as well as taking inward remedies, including a number of bottles of Swaim's Panacea, Extract of Saranparilla, &c. In fact, it would be impossible to enumerate all the medicines I used. I was also under the care of two of the most distinguished physicians of this city, but without receiving much benefit, and I despaired of ever being cured. In the fall of 1836, the disease at the time being very violent, I commenced using the Rose Ointment, (prepared by Vaughan & Davis.) In a few applications the violent itching crossed, the swelling abated, the cruption began to disappear, and before I had used a jar the disease was entirely cured. It has now been nearly a year and a half since, and there is not a vestige of the disease re-maining, except the scars from the deep pits formed by the disease. It is impossible for me to describe in a certificate the severity of the disease and my suffering, but I will be pleased to give a fuller account to any person wanting further satisfaction, who will call on me. At the time I commenced using the Rose Ointment I would have given hun-dreds of dollars to be rid of the disease. Since using it, I have recommended it to several persons (among them my mother, who had the disease badon her arm.) who were all cured by it. JAMES DURNELL, No. 156, Race St.

Rose Ointment, for Tetter.

PHILADELPHIA, May 27th, 1839. THIS is to certify that I was severely afflicted with Tetter in the hands and feet for upwards of forty years; the disease was attended generally with violent itching and swelling. I applied to number of physicians, and used a great many applications without effecting a cure. About a year since, I applied the Rose Ointment, which entirely stopped the itching, and a few applications immediately cured the disease, which there has been no return of, slthough I had never been rid of it at any time for forty years. MEDICAL APPROBATION Of the ROSE OINTMENT, for Tetter. A LTHOUGH the superiority of the preparation over all others is fully established, the proprietors take pleasure in laying before the public the following certificate from a respectable physician, a graduate of the University of Pennsylvania. Dr Baugh, having found in this remedy that relief for a tedious and disagreeable affection which the means

within the range of his profession failed to afford. has not hesitated to give it his approbation, although

the prejudices and interests of that profession are opposed to secret Remedies. PHILADELPHIA, Sept. 19, 1836. I was recently troubled with a tedious herpetic eruption, which covered nearly one side of my face, and extended over the ear. Mr. Vaughan, proprie ted on my trying his preparation, of which he handed me a jar. Although in common with the mem-bers of my profession, I discountenance and disapprove of the numerous nostrums palmed upon the public by ignorant pretenders, I feel in justice bound to except the Rose Ointment from that class of medicines, and to give it my approbation, as it entirely cured the eruption, although it had resisted the usual applications. DANL BAUGH, M. D.
