

militia captured General Coss and eleven hundred Mexican soldiers.

In 1836, at Alamo, 180 held out 13 days against Santa Anna and 8,000 men, fighting at last until every Texan fell dead, killing 901 of the enemy: 400 at Colletta beat off 1000 under Gen. Urea, but next day were treacherously deceived into a surrender, 700, of their own spontaneous will, killed or captured 1500 Mexicans, at San Jacinto, taking prisoner the President of Mexico, General Santa Anna; and twenty under Deaf Smith routed 120 Mexicans the same year.

In 1830, one hundred and four beat 1000 Mexicans at Saltillo and retreated into Texas with the loss of only four men. In 1842, only 201 of them repulsed Gen. Woll and 1300 troops at Arroyo Salado; 261 drove 2500 Mexicans into Meir, fought nineteen hours, killed 700 of the enemy, but at last were deceived into a surrender and horribly butchered or enslaved.

In 1843, two hundred unarmed Texan prisoners at Salado attacked four hundred armed Mexican guards, beat and dispersed them. Same year, Commodore Moore, of Yucatan, silenced ten times his naval force and compelled them to retire. The last victory resulted in a treaty, or alliance, between Yucatan and Texas, by which the former bound herself to remain passive in any contest which Mexico might thereafter engage in with Texas, and most faithfully have the gallant Yucatecos performed their contract.

BALTIMORE MARKET.
Office of the BALTIMORE AMERICAN, May, 25.

FLOUR.—The transactions in Howard Street Flour, have been quite limited to-day. Sales on Saturday of a few hundred bbls. mixed brands at \$4.12 1/2. To day holders generally are willing to sell at this rate, and 400 bbls. were taken. The receipt price from cars is \$4.

The stock of City Mills Flour is very light. Holders ask \$4.37 1/2, but the article is without inquiry.

GRAIN.—The receipts of wheat are trifling. A lot of very prime Md. red was taken to-day at 94 cts. and a parcel of white, not fit for family flour, at 97 cts.

Corn is dull. Sales to day at 56a57 cts. for white, and 57 cts. for yellow.

Wheat Oats at 39a41 cts.

WHISKEY.—The stock is quite light, but equal to the demand, which is very limited. Small sales are making at 21 cts for bbls. and 22 cts. for bbls.

DISPENSIA.—The nerves of the human body—those necessary agents which immediately connect man with external nature—are singularly prone to have their functions disordered by an oppressed condition of the stomach; the minute impression of that portion of the nerves expanded upon the organs of digestion conveying the morbid impression to the Brain. And although the Head can, undoubtedly, like other organs, be the seat of primary disorder, yet, in the great majority of cases, the uneasy sensations there experienced are symptomatic of disordered Stomach; and further, there is abundant evidence to prove that cruditates in the Stomach and Bowels can, in every grade of human existence give rise to spasmodic action in every organ of the body; and whether we survey it in the agonising form of Tic Dolorieux—the alarming convulsions of the Epileptic seizure—or in that irritable condition of the nerves of the heart occasioning palpitation—they can all frequently be traced to the source above mentioned, and be cured by mild evacuant and tonic remedies. To relieve a case of so much suffering and distress, (in which only mind and body participate.) BRANDRETH'S PILLS are confidently recommended; as, by combining aromatic, tonic and cleansing properties, they remove all oppressive accumulations, strengthen the Stomach, induce a healthy appetite, and impart tranquility to the nervous system.

"Nature and Experience our Guide."
THE extraordinary and well authenticated cures wrought by the celebrated SUGAR COATED PILLS, or Dr. Smith's Improved Indian Vegetable Pills, have naturally drawn public attention to them. Perhaps in the history of Medicine, from the time of Hippocrates to the present day, there is evidence of a medical compound obtaining equal vogue in so short a time. There was never a cure recommended by such high authority as Smith's Pills. Besides their great curative virtues, (possessing as they do, such astonishing powers to open all the natural drains of the body: the lungs, Kidneys, Skin and Bowels,) are unlike all other pills, extremely pleasant, coated with sugar, and as they do not grip, produce nausea, or any other unpleasant consequences, they have become very popular for Dyspepsia, Headache, Costiveness, Bilious complaints, Stomach, Fevers, Worms, Want of Appetite, irritations of the Blood, Obstructions and Female pinnis generally, Colds, &c. One of the most useful and benevolent medicines in New York, &c. A. Gould, Matron of the U. S. Naval Hospital, says: "There is no medicine in her knowledge so adapted to the numerous ailments of mankind as Dr. Smith's Sugar Coated Pills." She cordially recommends them to ladies.

CAUTION.—As a miserable imitation has been made, by the name of "Sugar Coated Pills," necessary to be sure that Dr. G. BENJ. SMITH'S name is on every box. Price 25 cents. Principal Office, 179 Greenwich St. New York. Sold by JOHN W. FRILING, Sunbury, WM. FORSYTHE, Northumb., 30th, 1846.

"TRUTH IS MIGHTY AND WILL PREVAIL."
A. B. MARSHALL,
No. 188 Chesnut Street, between Seventh and Eighth Streets, PHILADELPHIA.

IS now prepared to offer, Wholesale and Retail, a large assortment of FANCY AND STAPLE DRY GOODS, suited to the Country as well as City Trade. He continues the system of "no abatement in prices," which he has pursued for the past ten years, and desires to call the special attention of the public to it as the only true system of retail business, and which is decidedly to the interest of the purchaser to promote. It is quite time the fraudulent practice of asking a high price, and abating to make the purchasers believe they are the "favored few," was done away with, as, nine times out of ten, they are made to pay a higher price (however great the reduction) than the like style and quality can be purchased at the "One Price Store."

A. B. M. is in regular receipt of the newest and cheapest seasonable goods, and when any article depreciates in value the price is at once marked down so low that it cannot be undersold. By this system the purchaser can at all times buy with confidence and satisfaction, and without waste of time in useless bargaining. He has at this time a complete assortment of
