

Great Flood in the Allegheny. DESTRUCTION OF PROPERTY AND LOSS OF LIFE.—The Pittsburgh morning Post of Thursday says—Owing to the late heavy rains above, there was a rise in the Allegheny river yesterday afternoon of between five and six feet. The destruction of property is said to have been experienced on this river. A large number of rafts broke loose from their moorings, and were swept away. The amount of loss sustained is not known. During the afternoon a great number of persons were engaged in catching drift, and three lads, thus employed, were drowned above the upper bridge.

The Pittsburgh Gazette gives the following particulars: This rise, it has been ascertained is out of the Kiskiminitas, and was caused by a sudden and tremendous fall of rain in the neighborhood of Johnstown, perhaps a fair specimen of a water-spout. Leech's Packet came on it, and while running eight miles on a level, the Kiskiminitas rose four feet. The only loss was the line boat Transient, Captain Shields, Pa. on O. Line, loaded with fish and tar, a box of dry goods, and some mahogany boards, perhaps the least valuable cargo brought on this season. The boat which preceded had a cargo worth \$60,000. The consignees are mostly houses in the city. The boat went over the first dam below Johnstown. A small stream empties into the river just at the head of the lock, and this had swollen to such a torrent, it swept the boat out into the river, but it lodged long enough on the comb of the dam to allow the crew to escape. The boat was a total loss. A mule was in it at the time. It is supposed a good deal of the freight would be saved along the river.

An express arrived yesterday bringing letters from Hollidaysburg and other points; but down to the latest accounts the canal had not sustained the least injury that was known, and it is supposed here by those best acquainted with the works along the Kiskiminitas, that no damage has been done. They are capable of sustaining a great amount of wear from a flood. No small thing today.

The damage here was considerable. The well was so sudden an so unexpected, a large amount of lumber, staves, wood and logs in the Allegheny, broke loose and came down the river, rushing and crashing against the piers of the bridges, shattering the boards and grinding the logs.

Some of the rafts had men on them; but, generally, they had none. It is reported that several men were drowned, which is not at all probable; but we do not know certainly as to the fact. Most of the lumber is owned by one who ran it down.

### "Nature and Experience our Guide."

THE extraordinary and well authenticated cures wrought by the celebrated SUGAR COATED PILLS, or Dr. Smith's Improved Indian Vegetable Pills, have naturally drawn public attention to them. Perhaps in the history of Medicine, from the time of Hippocrates to the present day, there is no evidence of a medical compound obtaining equal celebrity in so short a time. There was never a medicine recommended by such high authority as Dr. Smith's Pills. Besides their great curative properties, (possessing as they do, such astonishing powers to open all the natural drains of the body, viz: the Lungs, Kidneys, Skin and Bowels,) they are unlike all other pills, extremely pleasant, being coated with sugar, and as they do not grip, nor produce nausea, or any other unpleasant consequences, they have become very popular for Dyspepsia, Headache, Costiveness, Bilious complaints, Poul Stomach, Fever, Worms, Want of Appetite, Impurities of the Blood, Obstructions and Female Complaints generally, Colds, &c. One of the most influential and benevolent ladies in New York, Mrs. S. A. Gould, Matron of the U. S. Naval Hospital, says, "There is no medicine in her knowledge so well adapted to the numerous ailments of mankind, as Dr. Smith's Sugar Coated Pills." She especially recommends them to ladies.

**CAUTION.**—As a miserable imitation has been made, by the name of "Sugar Coated Pills," it is necessary to be sure that Dr. G. B. S. SMITH'S signature is on every box. Price 25 cents.
