

From Cist's Cincinnati Advertiser. The Vicissitudes of Life. Mr. Cist of the Cincinnati Advertiser recently published a chapter of the ups and downs of life. He now furnishes another of vicissitudes: I knew an individual in Philadelphia, son to one of our most distinguished revolutionary patriots, obliged to flee the city and take refuge in England, where he was obliged to pass the residue of his life under a fictitious title. He had been guilty of forgery, and thus sacrificed country, individual character, and an illustrious family name, to gratify extravagant and licentious habits of life. He was one of the finest looking men I have ever seen.

These Pianos have a plain, massive and beautiful exterior finish, and for depth and sweetness of tone, and elegance of workmanship, are not surpassed by any in the United States. The following is a recommendation from CARL DITZ, a celebrated performer, and himself a manufacturer: A CARD. HAVING had the pleasure of trying the excellent Piano Fortes manufactured by Mr. Meyer, and exhibited at the late exhibition of the Franklin Institute, I feel it due to the true merit of the maker to declare that those instruments are quite equal and in some respects even superior, to all the Piano Fortes I saw at the capitals of Europe, and during a sojourn of two years at Paris. These Pianos will be sold at the manufacturer's lowest Philadelphia prices, if not something lower. Persons are requested to call and examine for themselves, at the residence of the subscriber, Sunbury, May 17, 1845. H. B. MASSER. OAKLEY'S DEPURATIVE SYRUP. THE valuable properties of Oakley's Depurative Syrup of Sarsaparilla, as a purifier of the blood, is so well known to the public generally, that it is unnecessary to occupy much space in setting forth the advantages to be derived from its use; wherever the medicine has once been introduced, it takes precedence over all others: every one that has taken it, have derived a signal beneficial result from it, that it is recommended by the highest standing in the profession, prescribe it to patients under their care; containing nothing deleterious, but being composed of the most mild, yet efficacious vegetable materials, it is offered with confidence, as the cheapest and most efficient purifier of the blood now known. The use of a few bottles, especially in the spring months, will be attended with a most decided improvement in the general strength of the system, eradicating any seeds of disease that may have been generated, besides giving health and vigor to the body.—For the cure of Scrofula or Kings Evil, Rheumatism, Tetter, Pimples or eruptions of the Skin, White Swelling, Fistula, Chronic Cough Asthma, &c. The numerous certificates in the possession of the subscriber and his agents, from physicians and others, are sufficient to convince the most skeptical of its superiority over all preparations of Sarsaparilla. Sold wholesale and retail, by the proprietor, GEORGE W. OAKLEY, North 5th street, Reading, Berks County, and to be had of the following persons: In Northumberland County.—H. B. Masser, Sunbury; Ireland & Mixel, McEwensville; D. Krauser, Milton. In Union County.—J. Geohart, Selinsgrove; A. Gutelius, Millburg. In Columbia County.—R. W. McCoy, Washington. Reading, March 14, 1843. MR. OAKLEY—I believe it the duty of every one to do whatever in their power lies, for the benefit of their fellow man, and having had positive proof in my own family, of the wonderful properties of your Depurative Syrup of Sarsaparilla, I most conscientiously recommend it to the afflicted. We had the misfortune to lose two of our children, by the breaking out of ulcerous sores that covered the face, head and neck, although we had some of the most scientific physicians to attend them and had tried all the known remedies, including Swaim's Panacea, without avail. Another of my children was attacked in the same manner, her face and neck was completely covered; the discharge was so offensive, and the disease at such a height, that we despaired of her life. Seeing the wonderful effects of your Depurative Syrup of Sarsaparilla, we were induced to make trial of it, as the last resort; it acted like a charm; the ulcers commenced healing immediately, a few bottles entirely restored her to her health, which she has enjoyed uninterruptedly ever since. As a purifier of the blood, I verily believe it has not its equal. JOHN MOYER, Tailor, Walnut street, near Fourth, Reading. Douglassville, April 19th, 1843. MR. OAKLEY—My son Edmund Leaf, had the scrofula in the most dreadful and distressing manner for three years, during which time he was deprived of the use of his limbs, his head and neck were covered with ulcers. We tried all the different remedies, but to no effect, until recommended by Dr. Johnson of Norristown, and also Dr. Isaac Hirster, of Reading, to use your Depurative Syrup of Sarsaparilla, of which I obtained several bottles, the use of which drove the disease entirely out of his system, the sores healed up, and the child was restored to perfect health, which he has enjoyed uninterruptedly ever since, to the astonishment of many persons who see him during his affliction. I have thought it my duty, and send you this certificate that others who have a like affliction in the family may know where to obtain so valuable a medicine. Yours truly, AMELIA D. LEAF. ROSE OINTMENT FOR TETTER. RINGWORMS, PIMPLES ON THE FACE, AND OTHER CUTANEOUS ERUPTIONS. The following certificate describes one of the most extraordinary cures ever effected by any application. PHILADELPHIA, February 10, 1838. FOR twenty years I was severely afflicted with Tetter on the Face and Head: the disease commenced when I was seventeen years old, and continued until the Fall of 1836, varying in violence, but without ever disappearing. During most of the time, great part of my face was covered with the eruption, frequently attended with violent itching; my head swelled at times until it felt as if it would burst—the swelling was so great, that I could scarcely get my hat on. During the long period that I was afflicted with the disease, I used a great many applications, (among them several celebrated preparations) as well as taking inward remedies, including a number of bottles of Swaim's Panacea, Extract of Sarsaparilla, &c. In fact, it would be impossible to enumerate all the medicines I used. I was also under the care of two of the most distinguished physicians of this city, but without receiving much benefit, and I despaired of ever being cured. In the fall of 1836, the disease at the time being very violent, I commenced using the Rose Ointment, (prepared by Vaughan & Davis.) In a few applications the violent itching ceased, the swelling abated, the eruption began to disappear, and before I had used a jar the disease was entirely cured. It has now been nearly a year and a half since, and there is not a vestige of the disease remaining, except the scars from the deep pits formed by the disease. It is impossible for me to describe in a certificate the severity of the disease and my suffering, but I will be pleased to give a fuller account to any person wanting further satisfaction, who will call on me. At the time I commenced using the Rose Ointment I would have given hundreds of dollars to be rid of the disease. Since using it, I have recommended it to several persons, (among them my mother, who had the disease badly on her arm,) who were all cured by it. JAMES DURNELL, No. 156, Race St. The Rose Ointment is prepared by E. B. Vaughan, South East corner of Third and Race streets, Philadelphia, and sold on agency in Sunbury, by H. B. MASSER, Agent. May 14th, 1843.

Rose Ointment for Tetter. A PROOF OF ITS EFFICACY. PHILADELPHIA, May 27th, 1839. THIS is to certify that I was severely afflicted with Tetter in the hands and feet for upwards of forty years; the disease was attended generally with violent itching and swelling. I applied to a number of physicians, and used a great many applications without effecting a cure. About a year since, I applied the Rose Ointment, which entirely stopped the itching, and a few applications immediately cured the disease, which there has been no return of, although I had never been rid of it at any time for forty years. RICHARD SAVAGE, Eleventh, below Spruce Street. The Rose Ointment is prepared by E. B. Vaughan, South East corner of Third and Race Streets, Philadelphia, and sold on agency in Sunbury, by H. B. MASSER, Agent. May 14th, 1843.

MEDICAL APPROBATION OF THE ROSE OINTMENT, for Tetter. ALTHOUGH the superiority of the preparation over all others is fully established, the proprietors take pleasure in having before the public the following certificate from a respectable physician, a graduate of the University of Pennsylvania, Dr. Daugh, having found in this remedy that relief from a tedious and disagreeable affection which the means within the range of his profession failed to afford has not hesitated to give it his approbation, although the prejudices and interests of that profession are opposed to secret Remedies. PHILADELPHIA, Sept. 19, 1836. I was recently troubled with a tedious herpetic eruption, which covered nearly one side of my face and extended over the ear. Mr. Vaughan, proprietor of the Rose Ointment, observing my affliction, insisted on my trying his preparation, of which he had had me a jar. Although in common with the members of my profession, I discountenance and disapprove of the numerous nostrums palmed upon the public by ignorant pretenders, I feel in justice bound to except the Rose Ointment from that class of medicines, and to give it my approbation, as it entirely cured the eruption, although it had resisted the usual applications. DANIEL BAUGH, M. D. The Rose Ointment is prepared by E. B. Vaughan, South East corner of Third and Race Streets, Philadelphia, and sold on agency in Sunbury, by H. B. MASSER, Agent. May 14th, 1843.
