For the American. Mn. Eurron .- As the Standing Committee of this county have appointed the 7th day of September next for the meeting of the delegates to the Demorratic County Convention, it behooves us to look about for some suitable person to represent this

county in the next Legislature.
In this township we are decidedly in favor of the re-election of our Late representative, EDWARD Y. BRIGHT, E-q. We believe him to be honest, bothful and competent, and warmly attached to the true interests of the people of this courty. In proof of this, we need but point to his course in favor of the teriff, and all his other public acts by which the interests of his constituents were to be affected.

MANY DEMOCRATS OF LOWER MARGNOT.

PEVER AND AGUE, AND ALL PEVERS CURED BY BRANDRETH'S PILLS .- All fevers are occas oned by the disordered motion of the blood, produced by the humoral serosity by hardening the valves of the versels. The blood circulates with greatly increased speed, and is still increased by the friction of the globules, or particles which compose the mass of fluids. Then it is that the excessive heat and chi ls is experienced through ut the whole system, and accompanied with great thirst, p in in the head, back, kidneys, and in fact a complete prostration of all the faculties of the mind as well as body,

On the first attack of fever, or any disease, immed ately take a Lago dose of B andreth's Vegetable Universal Pills, and continue to keep up a powerful effect upon the bowels until the fever or pain has entirely ceased. Six or eight will in most cases be sufficient as a dose, and one dose of fais kind h is not improbable, may prevent mon he of sickness, perhaps death.

Dr. Benjantin Brandreth's Vegetable Universal f'ills, are infleed a universally approved medicine, which by its peculiar action, cleanses the blood of and finally Restores the Constitution to perfect September, Health and Vegor.
