

Mr. Foster and the Tariff. The Democratic Union of last week contained a very able article urging the re-election of Wm. B. Foster, Jr. To the object of that article we take no exception; but believing that our neighbors have been imposed upon, we must protest against the attempt to make Mr. Foster occupy a false position on the tariff question. We believe such an attempt to be contrary to his wishes. He is too honorable and high-minded to desire to deceive the people of Pennsylvania. He has not been backward in avowing his opinions on the various subjects that agitate the public mind—and on none are his sentiments better understood than those he entertains on the subject of a tariff. At the meeting of the last Congress it will be recalled that the Argus took ground against the views of the administration at Washington, on that subject. We were influenced in the course we took, by a desire to present the views of the Democratic party in Pennsylvania, as we believed them to exist. The action of the Democratic members in the Senate and House of Representatives of our own State, and in Congress, proves that we, at that time, represented the views of the party correctly. Mr. Foster was among the few here, (we say few, for at that time the whole Free Trade party of the State, consisted of a minority of the men in office on the hill) who took occasion to find fault with us for our course, and openly defended the proposed measures of the party at Washington. In the views he then expressed we believe him to be honest. He was from Bradford county, and his opinions were most ably argued and carried out by Messrs. Webb and Piolet, in the House of Representatives of the State last winter, and by the Hon. David Wilmar, in Congress. We now say and can safely appeal to every man that has ever heard Mr. Foster speak on the subject, and they are not a few, that he has an open opinion of the tariff of 1842, and an advocate and defender of the views expressed on that subject, by the organs of the administration at Washington. What his views now are, as to the tariff of 1842, we do not know, as we have not had the pleasure of a chat with him since the passage of the Act, but presume he has not changed—as he is a firm and consistent man.—Harrisburg Market.

**"Nature and Experience our Guide."**  
THE extraordinary and well authenticated cures wrought by the celebrated SUGAR COATED PILLS, or Dr. Smith's Improved Indian Vegetable Pills, have naturally drawn public attention to them. Perhaps in the history of Medicine, from the time of Hippocrates to the present day, there is no evidence of a medical compound obtaining equal celebrity in so short a time. There was never a medicine recommended by such high authority as Dr. Smith's Pills. Besides their great curative properties, (possessing as they do, such astonishing powers to open all the natural drains of the body, viz: the lungs, Kidneys, Skin and Bowels,) they are unlike all other pills, extremely pleasant, being coated with sugar, and as they do not grip, nor produce nausea, or any other unpleasant consequences, they have become very popular for Dyspepsia, Headache, Gout, Rheumatism, Bilious complaints, Foul Stomach, Fevers, Worms, Wind of Appetite, Impurities of the Blood, Obstructions and Female Complaints generally, Colds, &c. One of the most influential and benevolent ladies in New York, Mrs. S. A. Gould, Matron of the U. S. Naval Hospital, says, "There is no medicine in her knowledge so well adapted to the numerous ailments of mankind, as Dr. Smith's Sugar Coated Pills." She respectfully recommends them to ladies.  
**CAUTION.**—As a miserable imitation has been made, by the name of "Sugar Coated Pills," it is necessary to be sure that Dr. G. B. SMITH'S signature is on every box. Price 25 cents.
