And longed for one-and-twenty. For I had quite a martial turn, And scorned the lowing cattle; I burned to wear a uniform,

Hear drums and see a battle. My birth-day came : my father urged, But stoutly I resisted: My sister wept : my mother prayed:

But off I went and 'listed. They marched me on through wet and dry, To tunes more loud than charming, But lugging knapsack, box, and gun,

Was harder work than farming. We met the foe- the cannons roared. The crimson tide was flowing, The frightful death-groans filled my ears, I wished that I was mowing.

I lost my leg-the foe came on, They had me in their clutches; I starved in prison till the peace, Then habbled home on crutches.

2 Resolved, That this is God's heritage. 3 Resolved, That we are the Saints.

OAKLEYS DEPURATIVE SYRUP.

THE saluable properties of Oakley's Departs tive Syrop of Sarsaparilla, as a jourifier of the blood, is so well known to the public generally. that it is unnecessary to occupy much space in setting forth the advantages to be derived from its use; wherever the medicine has once been introduced, it takes precedence over all others; every one that has taken it, have derived so signal bence-Icial results from it, that it is recommended by them with the u most confidence. Physicians of the highest standing in the profession, prescribe it to patients under their care; containing nothing deleterious, but being composed of the most mild. yet efficacious vegetable materials, it is offered with confidence, as the cheapest and most efficient pubuttles, especially in the spring months, will be attended with a most decided improvement in the general strength of the system, eralicating any seeds of disease that may have been generated, besides giving health and vigor to the body .- For the cure of Scrofula or Kings Evil, Rheumatism, Tetter, Pimples or ecuptions of the Skin, White Swelling, Fistula, Chronic Cough Asthma, &c. The nu merous certificates in the possession of the subscriber and his agents, from physicians and others, are sufficient to convince the most skeptical of its su-

periority over all preparations of Susaparilla. Sold whole-sie and retail, by the proprietor, GEORGE W. OAKLEY, North 5th street, Reading, Berks County, and to be had of the following

Reading, March 14, 1843, Mn. Oakler :- I believe it the uty of every one to do whatever in their powerlies, for the b ne fit of their fellow man, and having had positive proof in my own family, of the wonderful properties of your Deparative Syrup of Sassaparilla, I m st conscientiously recommend it to the afflicted. the restoration of health, to those who, in destithe breaking out of ulcerous sores that covered the face, head and neck, although we had some of the most scientific physicians to attend them and had tried all the known remadies, including Swaim's Panacea, without avail. Another of my children was attacked in the same manner, her face and neck was completely covered; the discharge was so offensive, and the disease at such a height, that we despaired of her life. Seeing the wonderful effects of your Deputative Syrup of Sarsaparitle, we were induced to make trial of it, as the last resort; it acted like a charm; the ulcers commenced healing immediately, a few bottles entirely restored her to her health, which she has enjoyed uninterruptedly ever since. As a purifier of the blood, I verily be-

lieve it has not its equal, JOHN MOYER, Tailor,

Walnut street, near Fourth, Reading. Douglassville, April 19th, 1843. Mn. OAKERT :- My son Edmund Leaf, had the scrotela in the most dreadful and distressing manner for three years, during which time he was deprived of the use of his limbs, his he d and neck were covered with ulcers. We tried all the different remedies, but to no effect, until recommended by Dr. Johnson of Noroistown, and also Dr. Isaac Hiester, of Reading, to use your Depurative Syrup of Sarsaporilla, of which I obtained several boules the use of which drave the disease entirely out of his system, the sore healed up, and the child was restored to perfect health, which he has enjoyed uninterruptedly ever since, to the ast nishment of many persons who seen him du ing his affliction. I have thought it my duty, and send you this certificate that others who have a like affliction in the family may know where to obtain so valuable a Yours truly.

ROSE OINTMENT FOR TETTER.

RINGWORMS, PIMPLES ON THE FACE, AND OTHER OF The following certificate describes one of the most extraordinary cures ever effected by any application.

PHILADELPHIA, February 10, 1838. 3. LONDON FLT PAPER—the best thing known FOR twenty years I was severely afflicted with or killing flies and musquitors. commenced when I was eeventeen years old, and continued until the Fall of 1836, varying in viclence, but without over disappearing. During most of the time, great part of my face was covered with the eruption, frequently attended with violent Sching; my head swelled at times until it felt as if it would burst-the swelling was so great, that I could scarcely get my hat on. During the long period that I was afflicted with the disease, I used a great many at plications, (among them several celebrated preparations) us well as taking inward remedies, including a number of bottles of Swaim's Panacea, Extract of Sarzaparilla, &c. In fact, it would be impossible to enumerate all the medicines I used. I was also under the cure of two of the most distinguished physicions of this city, but without receiving much benefit, and I despaired of ever being cured. In the fell of 1836, the disease at the time being very violent, I commenced using the Rose Cintment, (prepared by Vaughan & Davis.) In a f-w applications the violent itching ceased, the swelling abased, the crustion began to disappear, and before I had used a jar the disease was entirely cured. It has now been nearly a year and a half since, and there is not a vestige of the disease remaining, except the sears from the deep pits formed by the disease. It is impossible for me to describe n a certificate the severity of the disease and my suffering, but I will be ple sed to give a fuller account to any person wanting further satisfaction. who will call on me. At the time I commenced using the Rose Ointment I would have given hundeeds of do has to be rid of the disease. Since a sing it. I have recommended it to several persons. (stoong them my mother, who had the disease bad-

Rose Clintment, for Tefter. A PROOF OF ITS EFFICACY.

PHILADELPHIA, May 27th, 1839. 'IIIS is to certify that I was severely afflicted with Tetter in the hands and feet for upwards of forty years; the disease was attended generally with violent itching and swelling. I applied to a number of physicions, and used a great many applications without effecting a cure. About a year since, I applied the Rose Ointment, which entirely stopped the fiching, and a few applications immediately cured the disease, which there has been no return of, withough I had never been rid of it at any time for forty years.
