Small quantities given without Charge, At 114 Chesnut St., PHILADELPHIA. THIS new and splendid article, as its name de-I notes, is professed to be superior to any Shaving Cream in the United States or Europe. It is unsurpassed for beauty, purity and fragrance, the somewhat analogous to Guerlain's Ambrosial Cream and other similar compounds. It for surpasses them all by the emoldent pasty consistency of its lather, which so softens the beard as to render shaving pleasant and easy. It further possesses the advantage over the imported article, in being treshly prepared, no skill being wanting in its mane ufacture. E. Roussel having had many years' ex-perience in the celebrated Laboratory of Laugur, Pere et Fils, now Renaud & ett., of Paris,
