

ever, old Rough and Ready gave the very pertinent reply, that "he was waiting for General Santa Anna to surrender." The Mexican returned hastily to his quarters. This message proved to be a ruse to ascertain where Gen. Taylor's position was, for after the return of the Mexican officer to his own ranks the whole Mexican battery seemed to open upon Gen. Taylor's position, and the balls flew over and about him like hail. Utterly indifferent to the perils of his situation, there sat the old chief, on his conspicuous white horse, peering through his spy glass at the long lines of Mexican troops that he seen at a great distance on the march. The persuasion of his aids could not induce him to abandon his favorable point for observation, nor give up his old white horse. To the suggestion of his staff that old white horse was rather too conspicuous a charger for the commander, he replied "that the old fellow had missed the run at Monterey, on account of a sore foot, and he was determined he should have his share this time."

Brilliant Victory Over the Insurrectionists. Another Battle in New Mexico—Defeat of two thousand Mexicans.

PITTSBURG, April 6, 1847
By private letters from Carr & Pondate, Cincinnati arrived by packet, we have the accounts of another Battle in New Mexico. Two thousand insurrectionists were routed by Captain Morris' command, with a heavy loss in killed and wounded—the accounts are from St. Louis of the 29th ult.

Latest news had just reached by express from Santa Fe. The date of the battle is not given, but it occurred, it would seem, on the heels of the last date from Santa Fe.

A note to the Louisville Courier gives the following: Another great battle in New Mexico; brilliant victory; overwhelming defeat of two thousand Mexicans.

St. Louis, Monday evening, March 29, 1847.
Mr. W. N. Haldeman—Dear Sir:—We have this day received an express from Santa Fe. The Mexican insurrectionists, numbering two thousand men, marched down on Santa Fe, as was intimated by our last advices.

They were met by Capt. Morris' command in the valley of the Moro, and totally defeated. A great number of the enemy were killed and wounded, and the rest fled precipitately to the mountains. The action was a most brilliant one on the part of our men, and reflects great credit on their coolness and courage.

The news of the assassination of Gov. Bent is fully confirmed; twenty-five other Americans fell at the same time. I have no time for further particulars, as the steambot Colorado, by which I send this, is preparing to shove out.

To be FULL of LIFE one must be full of health, and to be full of health he must have a free, unobstructed circulation of the blood. A disordered liver will blunt the mental perceptions, and a disordered stomach will sour the sweetest temper. To be gloriously "blue" and to be suffering from a derangement of the digestive functions, are the same thing. Personal quarrels and social unpopularity, originate in this cause to a greater extent than people have any idea of. Reform the stomach and you reform the world, for this is the foundation of all reforms. To this end take a dose or two of Wright's Indian Vegetable Pills. At this season they would do much good, and will be the means, if discreetly used, of keeping the system in order during the year. And while they drive pain of all kinds away, they will remove depression of spirits, sourness of temper, undue excitability, and the whole train of "disease blebs" and substitute therefor comfort, cheerfulness, happiness.

BeWARE of Counterfeits.—The public are cautioned against the many spurious medicines which, in order to deceive, are called by names similar to Wright's Indian Vegetable Pills.

The ONLY ORIGINAL AND GENUINE INDIAN VEGETABLE PILLS have the signature of Wm. Wright written with a pen on the top label of each box. None other is genuine, and to counterfeit this is ROBERT.

Agents devoted exclusively to the sale of Wright's Indian Vegetable Pills, wholesale and retail, 169 Race street, Philadelphia; 288 Greenwich street, New York; and 198 Tremont street, Boston.

TAUPE AKIN TO NATURE.—Have you pain? Be thankful. It is a vigorous effort of Nature to throw off morbid matter. From what may the morbid matter arise? From a bruise, or from some air which has become mixed with the blood, or incorporated in it, but which is liable to taint the whole mass if not speedily removed. Or the pain may arise from bile which has become bad, rancid, putrid, in consequence of the want of power in the proper organs to discharge it. This pain which so frightens people is only the symptoms of the efforts of Nature, (for the vital principle of the blood,) to expel the poison or impure matter, which would otherwise destroy the human fabric. In order to decimate between Truth and conjecture, we must be guided by the light of Experience. To what does experience direct? To the free use of Dr. Brandreth's Pills in all cases of bodily suffering. In all acute diseases, let Brandreth's Pills and mild diet be used, and the patient will soon be restored to good health.

READ THE FOLLOWING WONDERFUL CURE OF DYSPEPSIA!
This is to certify that my wife was afflicted with the Dyspepsia for twelve years, and tried both advertised medicines and Thomson, but without effect; and myself attacked with blindness, and my head otherwise affected from bad drinking, so that I was apprehensive of life; and seeing HANCE'S SARSAPARILLA PILLS advertised, I went and got a box of them, which, to my astonishment effected a cure of me and my wife both as yet, and I do think them without a rival before the public.

For sale by SETH S. HANCE, 108 Baltimore st., and corner Charles and Pratt streets, Baltimore, and by GEORGE BRIGHT, Sunbury, D. BRAUTIGAM, Northumberland, April 10, 1847.

SIX YEARS EXPERIENCE HAS PROVED THAT FOR THE CURE OF COUGHS, COLDS, CONSUMPTIONS, ASTHMA, Spitting of Blood, Pain and Oppression of the Breast, there is nothing equal to HANCE'S COMPOUND SYRUP OF HOREHOUND.

This medicine has now been in use for six years during which time there has been a constant demand for it, and its popularity instead of declining, has always on the increase.

During this time many new medicines have sprung up for the cure of the above complaints, some of which lasted only a few months, and others not so long; but HANCE'S SYRUP has readily gone on gaining favor with all classes of society, until it has now become identified by many families as a REGULAR FAMILY MEDICINE.

To those who have never used the Compound Syrup of Horehound, this notice is particularly directed to, as to those who have once experienced its peculiarly happy effects, no praise of its merits would be superfluous.

PRICE 50 CENTS per bottle, or six bottles for \$2.50. For sale by SETH S. HANCE, 108 B. more st., and corner of Charles & Pratt st., Baltimore, and by GEORGE BRIGHT, Sunbury, D. BRAUTIGAM, Northumberland, April 10, 1847.

TESTIMONY IS NOW RECEIVED FROM ALL QUARTERS OF THE GLOBE.

The following letters are presented with a view of more fully showing the opinions of physicians in relation to the medical value of Dr. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY.

Dr. SWAYNE—Dear Sir: Having used your Compound Syrup of Wild Cherry, extensively in my practice, I was requested by your agent, Dr. C. C. C. to express my opinion in writing, of its properties as a remedial agent. I most cheerfully comply, as I feel by so doing, I will discharge a debt I owe the community at large, and physicians in particular. As much as I detest quack remedies and patent nostrums, I was induced from a failure of the most potent expectorant, recommended in our materia medica, in some cases of Disordered Lungs, to try your preparation of Prunus Virginica or Wild Cherry. It is sufficient to say that I was so much pleased with the result of that and subsequent trials that I now prefer it in preference to all other remedies where an expectorant is indicated. In the much dreaded Pneumonia or Disease of the Lungs, in the alarming form in which it appears in Kentucky, I regard it as an invaluable remedy in the treatment of that disease.

To all who know me I have said enough, but as this may be seen by persons out of the vicinity of Frankfort, I will briefly add, that I have been engaged in an active practice of my profession for 12 years, and am a regular graduate of the University of this State, and this is the first patent medicine I ever thought enough of to express an opinion in writing.

J. H. ELLISON, M. D., Franklin Co., Ky., Jan 7, 1847.
The above certificate is from one of our physicians living a few miles from here, he is doing a very good practice, and is considered a good physician, and stands fair; he is as he says, a regular graduate.

Dr. W. L. CUTCHER, Druggist and Apothecary, Since the introduction of my article to the public, there have been a number of unprincipled individuals got up nostrums, which they assert contain Wild Cherry, some are called "Balmans," "Bitters," and even Syrup of Wild Cherry, but mine is the original and only genuine preparation ever introduced to the public, which can be proved by the public Records of the Commonwealth of Pennsylvania. The only safeguard against imposition is to see that my signature is on each bottle.

Address to the Public.

The unprecedented success attending the use of Dr. G. Ben's (Sugar Coated) "Improved Vegetable Pills," and the acknowledged superiority which they possess over the common At-Bilious, Cathartic, and various other Pills in general use, have given them a decided preference with all who have used them; and they are universally esteemed the most safe and pleasant purgatives ever offered to the public.

CAUTION.—As a miserable imitation has been made, by the name of "Sugar Coated Pills," it is necessary to be sure that Dr. G. BEN'S signature is on every box. Price 25 cents. Principal Office, 179 Greenwich st., New York. Sold by JOHN W. FRIELING, Sunbury, WM. FORSYTHE, Northumb'd.

A VOICE FROM NEW YORK.

PERSONS afflicted with Cancer, Scrofula, King's Evil, Tetter, Salt Rheum, Erysipelas, Old Sores, Mercular Diseases, and all complaints arising from impurities of the Blood, are requested to Read the Following!!!

ROBERT & WALTON.—Gents.—Feeling grateful for the extraordinary cure performed upon me by your Dr. CULLEN'S INDIAN VEGETABLE PANACEA, I feel it my duty to furnish you with a short history of my case.

Who about 12 years of age I was attacked with King's Evil. I was under the care of a eminent physician, and after a long course of medical treatment, was pronounced cured. At 14 years of age a disease, pronounced by some of the medical faculty as "Scrofula," and by others "Cancerous," manifested itself. This disease increased in its ravages, till my throat was filled with ulcers, and my face was covered with them; my nose was ulcerated and swollen to apparently four times its natural size. I also had tumours in my breast, and ulcers on different parts of my person. I was placed under the care of a eminent physician of the most eminent physicians of New York, Philadelphia, Baltimore and Cincinnati, who after having used their utmost endeavors to effect a cure, my case by them was pronounced incurable. I have travelled over 21 states of the Union seeking relief; no expense was spared, and a large amount of money was expended, but all in vain. I then used large quantities of Swain's Panacea. Have also taken Carpenter's Sarsaparilla, Sechen's Pulmonic Syrup, Thompson's Sarsaparilla, and numerous other preparations without effect; my throat, nose and face were still ulcerated, and at length I lost entirely the sense of smelling. I continued in this deplorable condition for about six years, having given up all hopes of recovery, I resigned myself to the will of Providence, supposing that every means of relief had failed. On the 5th day of August last I commenced taking your Dr. CULLEN'S INDIAN VEGETABLE PANACEA, having but little hopes of its benefiting me. After having used one bottle, I discovered to my utter astonishment and gratification, that my sense of smelling was entirely restored, and that the ulcers were rapidly diminishing in size. I have now taken three bottles of the panacea; my face, mouth, throat and nose are entirely healed. I am now 40 years of age, and after 28 years of indescribable suffering, my general health is better, and in fact, at no period of my life have I felt as well as I have since using your invaluable Panacea.

SOMETHING NEW!

THE Subscribers have the exclusive right of vending J. M. THATCHER'S Hot Blast Hot Air Cooking STOVES.

In the counties of Northumberland, C. Juniata and Schuylkill; and from the encouragement met with thereby, they expect to do a large business. This stove is constructed on an entirely new principle, and on the only principle that can make both a good wood and coal stove. The inventor has overcome all the difficulties that so frequently belong to other stoves. He has by his arrangement, constructed a boiling oven in front, where in broiling, roasting, frying or baking may be done, and all the small that arises therefrom must pass into the combustible chamber, and is not at all thrown out into the room. Besides this, there is an oven only two inches less than the whole size of the stove, wherein baking or toasting may be done as well as it can be in the common brick oven. This oven is always fit for use when the stove is heated, as the whole draught of hot air passes around it constantly.

Public attention is particularly called to this stove. It can be seen at our Store and Tin Establishment in North Danville, at the sign of the Columbus Tin shop, and at the Foundry of Rohrbach & Clement in Sunbury, where its particular qualities will be fully shown and explained to any person wishing to examine it.

The subscribers continue to have on hand all kinds of parlor stoves, such as radiators, cylinders, fancy and plain, suitable for all who may favor us with a call; also common sheet and Rustic Iron, which can be made in any desirable shape; together with a general assortment of tin and japanned ware, wholesale and retail. Country merchants are invited to call and examine our stock, as our work cannot be surpassed, and prices moderate.

N. B. We can safely recommend the above mentioned stove to persons who wish to embark in a good business. The patent will sell either county or state rights, to suit purchasers, and on reasonable terms. He or his agents may be found in Danville, Pa.

J. & J. ARTER.

The undersigned, having seen in operation the hot blast hot air cooking stove, invented and patented by J. M. Thatcher, certify that we believe, from the merits of its construction and operation, that it is the best one ever offered to the public. The arrangement is so complete and the construction so judicious, that there is a saving of one half the fuel and time, in doing any given amount of a rove, over other celebrated stoves. In short we recommend it in preference to all others, for the simple reason that it embraces every branch of economy.

IT IS WRITTEN IN THE BOOK OF NATURE AND OF COMMON SENSE, that the natural vegetable productions of every country are, if properly applied, amply sufficient for the cure of every malady incident to such peculiar climate.

WRIGHT'S INDIAN VEGETABLE PILLS, of the North American College of Health, are composed of all plants which grow spontaneously on our own soil, and are therefore better adapted to our constitutions than Medicines concocted from foreign drugs, however well they may be compounded; and as they are founded upon the principle that the human body is in truth SUBJECT TO BIT OR DISEASE, namely, corrupt humors, and that said Medicines cure this disease ON NATURAL PRINCIPLES, by cleansing and purifying the body, it will be manifest that, if the constitution be not entirely exhausted, a perseverance in their use, according to directions, is absolutely certain to drive disease of every name from the body.

When we would prevent a swamp or morass from forming, we drain it of the superabundant water. In like manner, if we wish to restore the body to health, we must cleanse it of impurity.

WRIGHT'S INDIAN VEGETABLE PILLS will be found one of the best, if not the very best medicine in the world for carrying out this GRAND PURIFYING PRINCIPLE, because they expel from the body all morbid and corrupt humors, the cause of the disease, in an easy and Natural Manner; and while they every day give ease and pleasure, disease of every name is rapidly driven from the system.

The following highly respectable storekeepers have been duly appointed agents for the sale of Wright's Indian Vegetable Pills, in Northumberland county:

Henry Masser, Sunbury, E. & J. Kaufman, Augusta township, Samuel Herb, Little Mahony, William Deppen, Jackson, Benville Holshue, Upper Mahony, John G. Reno, Upper Mahony, Samuel John, Shamokinown, Forsythe, Wilson & Co., Northumberland, E. L. Piper, Watsonburg, Irland & Hays, McEvensville, James Pead, Pottsgrove, Wm. G. De Young, Hicksville, Abraham Sherer, Richmond, Samuel Taylor, Stratford, John H. Vincent, Chillingaque, Wm. Heinen & Brother, Milton, Bismark or Coxcraters, &c. The public are cautioned against the many spurious medicines, which in order to deceive, are called by names similar to Wright's Indian Vegetable Pills.

The safest course is to purchase of the regular agents only, who are gentlemen that may be relied on.
