Legislature.

TOR THE AMERICAN. Mr. Entron - You would confer a favor upon many of your democratic filends, by allowing us to bring forward, through the medium of your paper, WILLIAM D. GEARHART, of Rush township, as a candidate for the Legislature. Mr. Gearbart is a gentleman of sound judgment, correct habits, and worthy the support of the Democratic party. We know of no person more suitable to fulfill the duties of that high and responsible office. Should et the people see proper to elect him as their Representative, we feel confident that they will find in him a public servant of di-tinguished abilities, and an inte ligent, firm and unwavering Democrat of the Jeffersonian school.

MANY VOTERS OF THE FORES.

FOURTH OF JULY .--- On this day of festivity and joy, when we are all prone to indulge in the good things of this life, and not unfrequently to excess, let us not f rget that overloading the system, either with food or drink, especially at this season of the year, is often attended with the most arrious consequences. If sny, however, should inadvertently overstep the bounds of prudence, they should bear in mind that Wright's Indian Vegetable Pills are certain to prevent all evil results from impropriety of diet ; because they ther ughly cleanse the stomach and bowels from those bilious and corrupt humors which are the cause of colic pains, dysent.ry, cholers morbus, and other disorders of the bowels.

Wright's Indian Vegetable Pills also aid and improve digestion, and therefore give health and ha vigor to the whole frame, as well as drive dise aof every kind from the body.

Beware of counterfeits of all kinds! Some are di coated with sugar ; others are made to resemble in du outward oppearance the original medicine. The safest course is, to purchase from the regular agents only, one or more of whom may be found in every | Co village and town in the State.

Dear Sir .- At your request I cheerfully give you an account of the wonderful cure effected upon me by Dr. Cutlen's Indian Vegetable Panaces. At rer-Ware, of all the age of 14 years I had open my right knee a White Swelling, which stiffened the joint, and caused some seven'y or more pieces of the bone pieces of the bone to come sway in the sores, and which was temporarily relieved by the usual remedies, but not entirely cured. At times sores would again break out, and become so distressing and painntry Merchants ful that I could get no rest night nor day. In this way it continued until last spring, when, having witnessed the extraordinary effects of your Panscea as an alternative, upon a daughter of mine who was using it for a chronic disease. I concluded to make a trial of it in my own case ; the result has been an entire cure. I am now 67 years of age, and have suffered 53 years with the sores. I cheerfully add my testimonial to the many others I have heard, of the cures performed by your celebrated THOMAS WALTON. Panaces.

DR. SMITH'S ADVICE. FINITE Mea-les appeared in Europe about the great affinity to that discase. They both came from the some quarter of the world, are both infections, and seldom attack the same person but once. The Measles are most common in the spring season, and generally disappear in the summer. The disease itself, when properly managed, seldom proves fatal; but its consequences are often very roublesome. Our business is to assist nature to throw out the eruption. Blood-letting is almost certain death.

Nothing ever discovered has done the work so gently and effectually as Dr. SMITH'S (Sugar Conted) "Indian Vegetable Pills." You need not force them down, either.
