

ANOTHER LETTER FROM GEN. TAYLOR.—We make the following extracts of a letter from Gen. Taylor, in reply to one from Gen. Smith, in relation to the Presidency and Native Americanism. The old hero, it will be seen, is still firm in his determination to become the candidate of no party. We rejoice at it, and trust that politicians of all parties now cease their fruitless efforts to entrap him. The letter is dated July 6, 1847.

Upon the points alluded to in those remarks, and to which members of the Native American party require assent from those whom they favor for the Presidency, I can only say with all candor, that if elected to that office it may be by the spontaneous will of the people at large, and without agency or pledge on my part in any particular. If I ever fill that high office, it must be untrammelled with party obligations or interests of any kind, and under none but those which the Constitution and the high interest of the nation at large most seriously and solemnly demand.

I do not desire the Presidency, and only yield thus far my assent, to be considered a candidate in the same proportion in which it is desired by the people, irrespective of party.

HOAXED.—The London Mercury, of July 20th, under the head of "Life in the West," gives numerous scraps of its catalogue of horrors culled from the American papers received by the steamship Cambria, then just arrived, and among others, the following from the Bristol (R. I.) Phoenix:

The Bristol (R. I.) Phoenix says:—"A few days since a person was seen in our jail by Dr. Holmes, who had been confined for several months without a stitch of clothes to cover his nakedness. From extreme weakness he is unable to talk, and cannot therefore tell what his sufferings were. He frequently vents his feelings by tears and sobs, but not a single word of complaint has been heard from his lips."

The horrible event recorded is the birth of a child in prison.

Assembly.

FOR THE AMERICAN.

Mr. Editor.—In looking over the paper, I have seen a number of communications, recommending various persons as candidates for the Legislature. My object is not to say anything against them. But permit me to recommend to the democratic electors of this county, Maj. W. M. L. DEWART as a candidate for Assembly. Major Dewart is a gentleman of popular manners, and has the capacity to make an able and efficient member, and would doubt discharge the duties of that station with credit to himself, and entire satisfaction to his party.

Our Choice.

Mr. Editor.—Your paper a few weeks since gave a list of the names of the democratic candidates in the field for the Assembly. Among them I noticed, with pleasure, that of Mr. WILLIAM H. NGEL, of Sunbury. As the time is approaching the nomination of candidates, you will much like many of your democratic friends in this township, by permitting us to express our preference for the gentleman above named, as a suitable person to represent us in the next Legislature. We know Mr. Engel to possess the requisite qualifications to make such a representative as a democracy of Old Northumberland desire, and shall, therefore, earnestly urge upon the party's nomination. In his democracy we have full faith, knowing him to be identified with the true measures of the party. In his knowledge of the affairs of the State, complicated as they are present, we have the assurance that he will be able to render important service. Besides, he truly and emphatically one of the people, in every use of the term—in sympathy as well as in action and consequently can command a vote which others will be able to do. The convention, are persuaded, could put no person in nomination for this office who would render more satisfaction, and who would reflect more credit upon county, than Mr. Engel.

THE VOICE OF ARGENTA.

Our Next Member.

Mr. Editor.—The time is approaching when should think about selecting a candidate for Legislature. We have heard of a goodly number of persons who have been mentioned as didates, and the claims of this person and that son, and of this side and that side of the river. We, who are not office hunters, think the "habitation" of the candidate is of much less importance than his ability, his honesty and integrity. And as for the claims of any one to office, look upon it as a humbug, as well as anti-republican. Offices were made for the people and for the benefit of officeholders, who are least thought of, be the servants of the people, and are any claims or rights in these matters, belong to the people, who have a right, and should exercise that right in selecting such persons who are best calculated to promote their interests, as well as the interests of the public. A man we think we find in the person of EXANDER JORDAN, Esq., of Sunbury, and he is consented to serve if nominated and led, let every good democrat and citizen put shoulder to the wheel and insist upon his inauguration. His election would follow of course, would allay all excitement and division.

MANY OF OLD TURBET.

Legislature.

FOR THE AMERICAN.

Mr. Editor.—You would confer a favor upon many of your democratic friends, by allowing us to bring forward, through the medium of your paper, WILLIAM D. GEARHART, of Rush township, as a candidate for the Legislature. Mr. Gearhart is a gentleman of sound judgment, correct habits, and worthy the support of the Democratic party. We know of no person more suitable to fulfill the duties of that high and responsible office. Should the people ever be proper to elect him as their Representative, we feel confident that they will find in him a public servant of distinguished abilities, and an intelligent, firm and unwavering Democrat of the Jeffersonian school.

MARY VOTERS OF THE FORKS.

CHOLERA MORBUS.—During the intense heat of summer, and before the process of digestion is completed, our food is often spoiled or putrified in the stomach; hence bad breath, sour belchings, costiveness, pain of the stomach, dysentery, cholera morbus, and other dangerous complaints.

Wright's Indian Vegetable Pills are certain to remove all the above unpleasant complaints; because they cleanse the stomach and bowels of those putrid humors which are the cause not only of all diseases of the bowels, but of every malady incident to man.

Four or five of said Indian Vegetable Pills, taken every night on going to bed, will in a short time completely rid the body of every description of suffering; at the same time the digestive organs will be restored to a healthy tone, and the blood so thoroughly purified that Cholera Morbus, or any other disease, will be literally driven from the body.

Beware of counterfeits of all kinds! Some are coated with sugar, others are made to resemble in outward appearance the original medicine. The safe course is, to purchase from the regular agents only, one or more of whom may be found in every village and town in the State.

Agent for the sale of Wright's Indian Vegetable Pills in Sunbury, HENRY MASSER. For other agencies see advertisement in another column.

SECURITY TO THE PATRONS OF BRANDRETH'S PILLS.

IN consequence of the great variety of counterfeit labels of pretended Brandreth's Pills, Dr. Brandreth, acting under a sense of duty to the public, has employed those celebrated artists, Messrs. Perkins and Durand, who have succeeded in producing three new labels, of so complicated a nature, as to amount to an impossibility of imitation. The border of the top and also of the under label, is composed of the most elaborate and chaste patterns of lace-work. To crown the climax of these beautiful labels, the paper upon which they are printed is previously printed with red ink, after a design so exquisite and minute as to defy competition; the top and the under label each contain the words, "BRANDRETH'S PILLS," written in red ink nearly two hundred times—the top and under label containing, therefore, upwards of five thousand letters. There is also upon the top, the under, and the side label, two signatures of Dr. Brandreth; one being his regular signature, thus—B. Brandreth; and the other, his full signature, thus—Benjamin Brandreth; both being facsimiles of the writing of Dr. Brandreth, to imitate which is forgery! The Brandreth Pills having these labels upon them, can be relied upon as true and genuine.

Purchase of H. Masser, Sunbury, or of the agents published in another part of this paper.

TO THE SICK AND AFFLICTED. DR SWAYNE'S COMPOUND SYRUP OF WILD CHERRY.—We can consistently state that Dr. SWAYNE'S Compound Syrup of Wild Cherry has been extensively used in the United States for more than ten years, and its beneficial effects have been tested by thousands.—IT IS INSTANTLY RELIEVES RHEUMATISM, and that hundreds of individuals, gradually sinking under the insidious attack of death's fell emissary, PULMONARY CONSUMPTION, have been restored to health, happiness and friends, by its use, and now living testimonies of the curative power of this REMEDY. ANOTHER INSTANT RESTORED TO HEALTH. READ THE MOST REMARKABLE CURE EVER RECORDED!

Dr. SWAYNE.—Dear Sir: I feel called by a sense of duty to my suffering humanity, to acknowledge my grateful thanks for the wonderful effects of your Compound Syrup of Wild Cherry on me, after suffering month after month with the most afflictive of all diseases, Consumption. The first symptoms were of a very heavy cold which settled on my lungs, which gradually grew worse, with profuse night sweats, a hacking cough, spitting blood, with great debility. My constitution seemed broken down, and nervous system very much impaired. I went to Philadelphia, was treated there by physicians of the highest standing, but received no benefit whatever from them, but gradually grew worse, until my physicians, as well as myself, gave up all hopes of recovery, and I felt like one who is about to pass through the Valley of the Shadow of Death. At this awful juncture I heard of your Compound Syrup of Wild Cherry, of which I purchased six bottles, which I am happy to say entirely cured me, and I am now enjoying better health than I ever have before in my life. Physicians who witnessed my case are highly recommending it in similar cases, and I wish you to make this public, so that all may know where to procure a remedy at once, and avoid the danger of delay before tampering with the many "quack nostrums" with which the country is flooded. My residence is at 45 Ann street, where I should be happy to have the above substantiated by a personal interview.

ALBERT A. ROSS, Wholesale and Retail Dealer in cigars, 45 Ann-street, N. Y.

Be not deceived by the many spurious and worthless preparations of Wild Cherry, ushered into notice by ignorant pretenders, but see that the signature of Dr. SWAYNE is on each bottle, which is the only genuine examination.

Prepared only by DR. SWAYNE, N. W. corner of Eighth and R-ee streets, Philadelphia, and for sale by respectable Druggists in nearly all the principal towns in the United States. Only Agents in Sunbury, are HENRY MASSER, GEORGE BRIGHT, Dr. J. A. Moore, Danville; T. S. Mackey & Son, Milton; M. D. & J. Wells, Muncy; C. A. Wyatt, Lewisburg; Davis & Schure, Selinsgrove; John C. "Nature and Experience our Guide." THE extraordinary and well authenticated cures wrought by the celebrated SWAN COLEMAN'S Pills, or Dr. Smith's Improved Indian Vegetable Pills, have naturally drawn public attention to them. Perhaps in the history of Medicine, from the time of Hippocrates to the present day, there is no evidence of a medical compound obtaining equal celebrity in so short a time. There was never a medicine recommended by such high authority as Dr. Smith's Pills. Besides their great curative properties, (possessing as they do, such astonishing powers to open all the natural drains of the body, viz: the lungs, Kidneys, Skin and Bowels,) they are unlike all other pills, extremely pleasant, being coated with sugar, and as they do not grip, nor produce nausea, or any other unpleasant consequences, they have become very popular for Dyspepsia, Headache, Costiveness, Bilious complaints, Full Stomach, Fevers, Worms, Want of Appetite, Impurities of the Blood, Obstructions and Female Complaints generally, Colds, &c. One of the most influential and benevolent ladies in New York, Mrs. S. A. Gould, Matron of the U. S. Naval Hospital, says, "There is no medicine in her knowledge so well adapted to the numerous ailments of mankind, as Dr. Smith's Sugar Coated Pills." She especially recommends them to ladies.

CAUTION.—As a marvellous imitation has been made, by the name of "Sugar Coated Pills," it is necessary to be sure that Dr. G. B. SWAYNE'S signature is on every box. Price 35 cents. Principal Office, 170 Greenwich at New York. Sold by JOHN W. FRELING, Sunbury, WM. FORTSYTHE, Northumb.

WILL BE PUBLISHED IN WASHINGTON, OF THE SEVENTH OF DEC. NEXT, NO ONE OF THE UNITED STATES REPORTER, A Daily Journal of Government, Legislative and General News.

THE SUBSCRIBER IS NOW ENABLED to announce the completion of his arrangements for the establishment of a well-organized and independent Journal of News at the Seat of the General Government.

The leading features of the United States Reporter will be the following:

I. Early intelligence of the Movements of the various Departments, in reference to domestic affairs and to the foreign relations of the country, will be given with scrupulous fidelity. Frequent peculiar facilities for obtaining information, the "Reporter" will be enabled frequently to communicate, exclusively, intelligence of the most important character.

II. The verbatim Reports of the Proceedings and Debates of the United States Senate, which the proprietor is bound to furnish daily to that body, in accordance with the terms of the contract made at the close of last session of Congress. The arrangements now made will at once fully secure to the Senate of the United States an authentic and complete record of its debates; and to the people, in a greatly enlarged degree, the benefit of the experience, sagacity, and statesmanship of that body to which they have ever looked with solicitude and respectful regard.

III. The Proceedings and Debates in the House of Representatives will also be given with fullness, impartiality and the utmost promptitude. Each day's record will be completely made up, and appear in the "Reporter" next morning.

IV. A Synoptical View of the Proceedings and Debates of all the State Legislatures will be regularly given. Members of Congress, and all classes of readers, will thus be kept fully and systematically informed of domestic legislation in all sections of the United States.

V. Early Intelligence of all important movements in the Legislatures of Great Britain and France will be communicated by every steamer from Europe, through reporters in London and Paris, who possess peculiar facilities for obtaining information.

VI. The General News of the Day will be given in a condensed form, with industry and attention.

VII. Reports of Arguments before the Supreme Court of the U. S. This department will be so conducted as to make the "Reporter" indispensable to every lawyer in the country.

Such is a brief view of what the "United States Reporter" is designed to be. All the plans and arrangements have been well matured, and the hope is confidently cherished, that the "United States Reporter" will prove itself an energetic, industrious, dignified and perfectly independent journal. It will have no party views—no political bias. The proprietor, by the terms of his contract with the Senate of the U. S., is bound to the condition that "the paper shall contain no political discussions except the debates." It will be the vehicle of news—not the organ of any set of opinions. The grand aim of the subscriber is to establish at the seat of Government a faithful and prompt reporter of all sorts of intelligence—a responsible agent, on whom the politician, the business man, the manufacturer, the mechanic, and every one interested in the affairs of Congress and the Government, may rely at all times with implicit confidence.

It is believed that the establishment of such a reliable journal of intelligence on terms which place it within the reach of the great masses of the people, at the commencement of what promises to be a most interesting and eventful period in the history of Congressional proceedings, will be regarded with favor by all classes of the community; and having thus stated his objects, the subscriber respectfully solicits a liberal and generous support from the enlightened public of the United States. JAMES A. HOBSTON, Stenographer to the Senate of the U. S.

The "United States Reporter" will be printed on a large and handsome sheet, and issued every morning, except Sundays, at the rate of six dollars per annum; single copies, two cents.

In connection with the daily paper, there will be issued from the same establishment,

THE MIRROR OF CONGRESS. The publication will contain exclusive reports of the proceedings and debates of the Congress of the United States. It will be issued weekly, in an elegant quarto form, throughout the session of Congress, and sent to subscribers at the rate of two dollars for the long session and one dollar for the short session. It is believed that this great national work will be deemed indispensable in the library of every public institution, politician and professional man throughout the country; and that it will be regarded by the great mass of the people as the very best political textbook for their own instruction and that of their children.

IMPORTANT ANNOUNCEMENT. Throughout the session of Congress, Extras will be issued from the office of the "United States Reporter," containing the reports of such debates as may possess particularly exciting interest.

All subscriptions and communications to be post paid, addressed "J. A. HOBSTON, United States Reporter, Washington, D. C." August 14th, 1847.—1c

DR. CULLEN'S Indian Vegetable Panacea.

SCORFUA. Messrs. ROWLAND & WALTON.—Gents: Feeling deeply grateful for the extraordinary cure performed upon me by your Dr. Cullen's Indian Vegetable Panacea, I cheerfully furnish you with a short history of my case.

About seven years ago, (when only eleven years old,) I was attacked with Scorfua, which increased in its ravages, till my throat was filled with ulcers; the bones of my neck laid bare; my palate destroyed, and a large piece of one of the great horns carried away. My head was also so much diseased that in drinking, the tea or coffee would frequently pass out of my ear! A mass of something which the Doctors called a tumor came from my nose.

I was under the care of physicians of the highest distinction in this city, and at one time pronounced cured, and by request attended a medical course, where my case, together with the method of cure, was explained to the students. The lecturer said,—You are now well, but if the disease should return, you cannot live long, as it would soon destroy your windpipe.

I did not believe myself cured at the time, as I had much distress in my head, and other disagreeable feelings, and after a time the ulcers re-opened. In January, 1845, my mother called with me upon Dr. Mutter for advice. He said I was a very sick girl, and it was doubtful whether ever I would get well; if ever, it would be a long while. The disease grew so much worse, that the physician who then attended me, said he could see my windpipe! My face also was swollen, highly inflamed, and very painful, and the Dr. said ulceration was inevitable!

I was in this condition in January last, when I commenced taking your Dr. Cullen's Indian Vegetable Panacea. The inflammation was soon removed, and the dreadful ulceration in the face prevented! I am now well! I have no ulcers! no pain, or any disagreeable sensation in my head, and now feel that I am cured. I shall be happy to give any further information to the afflicted who will take the trouble to call upon me at my father's house, West Spruce, between Beach and Willow streets, opposite Spackman's factory.

Signed CHRISTIANA SANDS, CITY OF PHILADELPHIA.

OPINIONS OF THE PRESS.

RELATIVE TO WRIGHT'S INDIAN VEGETABLE PILLS, From the Camden Democrat.

WRIGHT'S INDIAN VEGETABLE PILLS.—These celebrated Pills, so universally used and admired, have become to be considered almost as necessary in families as water or fuel. In fact, the principle upon which this medicine has established its reputation—purgative—is now pretty generally acknowledged to be the only true one, by which health may be preserved, or restored when impaired. Wright's Pills are now a universal favorite.

From the Philadelphia Saturday Evening Post. WRIGHT'S INDIAN VEGETABLE PILLS, are attaining great celebrity in New England, as well as other parts of the United States. The attempt of persons to defraud the public by the sale of spurious articles meets with general reprobation. Dr. Wright is an indefatigable business man, and shows an array of cures by the medicine which warrant confidence in the virtues of his Indian Vegetable Pills.

From the Philadelphia Spirit of the Times. WRIGHT'S INDIAN VEGETABLE PILLS.—People are pretty well satisfied by this time that calomel, and the other thousand and one mineral preparations of the shops, are better adapted, as a general rule, to kill rather than cure the patient; as a matter of course, vegetable medicines are therefore in great request. There are many humbugs however, among the latter, and we would advise all those who have the least regard for their health, to try Wright's Indian Vegetable Pills of the North American College of Health, as they are the preparation of one intimately acquainted with the healing art.

From the Boston Daily Times. WRIGHT'S INDIAN VEGETABLE PILLS.—Of all the public advertised medicines of the day, we know of none that we can more safely recommend for the "ills that flesh is heir to," than the Pills that are sold at the depot of the North American College of Health, No. 198 Tremont street, Boston. Several instances we know of where they are used in families with the highest satisfaction; and no longer ago than yesterday, we heard an eminent physician of this city recommend them in high terms.

The following highly respectable storekeepers have been duly appointed agents for the sale of Wright's Indian Vegetable Pills, in Northumberland county:

- Henry Masser, Sunbury.
- E. & J. Kauffman, Augusta township.
- Samuel Herb, Little Mahony.
- William Deppen, Jackson.
- Beneville Holshoe, Upper Mahony.
- John G. Reen, Upper Mahony.
- Samuel John, Shamokin town.
- Forsythe, Wilson & Co., Northumberland.
- E. L. Piper, Watsonburg.
- Ireland & Haynes, McEwensville.
- James Peed, Pottsgrove.
- Wm. G. Scott, Rushville.
- Hartman Knoke, Elysburg P. O.
- Amos T. Beisel, Turberville.
- Gideon Shadel, Upper Mahony.
- Rhodes & Farrow, Snydertown.
- John King, Farmersville.
- Stiles C. Cook, Martin's Creek.
- J. De Young, Hicksville.
- Abraham Shier, Richmond.
- Samuel Taylor, Statesford.
- John H. Vincent, Chilisquoque.
- Wm. Heinen & Brother, Milton.

Beware of Counterfeits.—The public are cautioned against the many spurious medicines, which in order to deceive, are called by names similar to Wright's Indian Vegetable Pills.

The safest course is to purchase of the regular agents only, who are gentlemen that may be relied on.
