

# Indiana edges tankers

By JOYCE TOMANA  
Collegian Sports Writer

The Indiana (Pa.) Indians led a noisy attack on the Natatorium Saturday afternoon. When the battle was over, the Lions were left with a 61-52 loss.

Senior All-American Emilio Abreu led the Indian attack, easily winning the 200-yard individual medley in 1:59.55 and the 200-yard butterfly in 1:58.39.

The highlight for Penn State came in the 100-yard freestyle, in which freshman Doug King, of State College, set a new team record. His time of 0:48.45 broke the previous record of 0:48.50 set in 1975 by Will Metzger.

"It was a great race," coach Lou McNeill said. "We knew how strong King was but, except for Steve Rode setting a new one of his own, we didn't think we would have any new team records this season."

The meet was decided on the second and third places, since each team tallied six first places. Penn State won

both the one- and three-meter diving events, both the 400-yard medley and the 400-yard freestyle relays, the 100-yard breaststroke. Indiana took the 50-yard, 200-yard, 500-yard and 1,000-yard freestyle events, the 200-yard individual medley and the 200-yard butterfly.

Despite the illness of top Lion diver, Rich Maurone, Penn State was able to take both diving events. Pat McFadden won the one meter with 288.70 points, followed by Maurone's 266.90 points. Maurone was back in form for the three meter with 314.45 points and McFadden was close behind with 304.80 points.

"The last two meets have taken their toll on Maurone," coach Bob Goldberg said before the meet. "He's been sick since Wednesday night. I'm hoping that Pat (McFadden) and Scott (Linnon) can pull it together."

For the first time this season at the Natatorium,

there were five diving judges instead of the usual three. This was at the request of the Indiana team.

"They felt that they were cheated here two years ago and brought two of their own judges this year," Goldberg said. "We kept the two judges originally set for the meet and I had the fifth spot."

There are three dual meets left on the Lions' schedule before the Eastern Championships on March 3-5 in Morgantown, W. Va. The team will travel to West Virginia on Feb. 19, host Villanova on Feb. 23, and go on the road for their final meet at St. Bonaventure on Feb. 26.

Presently there are 10 Lions qualified for Easterns and about five more are expected to qualify in the three remaining meets, according to coach McNeill.

Goldberg is optimistic about his divers chances in Easterns. He said that Maurone and Pitt's Tom Faytol will be the only seniors in the field.

# INTRAMURALS Coder lone repeater in wrestling finals

Craig Coder of Beta Theta Pi was the only returning champion to regain a title in dormitory and fraternity intramural wrestling Friday night at Rec Hall.

Coder, last year's unlimited champion, decided Mark Reitz, Lambda Chi Alpha, 11-5 in the 190 weight division.

Friday night's title matches were the culmination of two weeks of wrestling.

Paul Suhey of Phi Gamma Delta won the unlimited division by deciding last year's 190 champion, Steve Geise of Chi Phi.

Other fraternity winners included Doug Bowersox, 128, Alpha Gamma Rho; Rich Plavidal, 135, Kappa Delta Rho; John Bartges,

142, Chi Phi; Jeff Grode, 150, Theta Kappa Gamma; Derek Robinson, 158, Pi Kappa Phi; Jonas Kaufman, 167, Chi Phi; and Eric Tilton, 176, Kappa Sigma.

In the dorm finals, Kevin Woodrow of Beech decided last year's 142-pound champion Mark Gazze of Hershey while Allan Darr of Potter pinned returning 158 pound champion John Hilliard Montour.

Other dorm winners were Dave Kaneda, 128, Linden; Paul Hallman, 135, Lancaster; Andrew Scrafford, 150, Liberty; Steve Davidson, 167, Jordan; Denny Marker, 176, Adams; Dan Balena, 190, Centre; and Eric Cunningham, unlimited, Schuylkill. —JL

# Lady tankers' first setback Pitt drops swimwomen

By JOYCE TOMANA  
Collegian Sports Writer

Lady Lion swimmers put their perfect 6-0 record on the line in Pittsburgh yesterday afternoon and the Pantherettes snatched it away by the score of 76-55.

"They were higher than I anticipated, and we just weren't as sharp as we were against Princeton," Penn State coach Ellen Perry said.

Despite the loss, Penn State set seven new team records. Only one of the new records was a winning time, which is an indication of the strength of the Pitt squad. Cindy Fry won the 50-yard butterfly, and placed second in the 200-yard backstroke. Lynn Ross-Scovazzo was second in the breaststroke, and Carol Mazzer was second in the 200-yard butterfly. Janice Fischer finished third in the 200-yard individual medley. Although both the 400-yard medley and 400-yard freestyle relays didn't score points, they were also new Penn State records.

Lady Lion freshman diver Lisa Pellow defeated Pitt's Connie Heister on the three meter board. Heister was fifth at Easterns last year and a National qualifier.

On the one meter board, Becky finished second to her old high school rival, Linda Hammer. Nineteen colleges recruited

Hammer before she chose Pitt. She was an All-American at W. T. Woodson near Binny's Fort Hunt high school.

Sophomore Cindy Fry was the only double winner for the Lady Lions, winning the 50-yard backstroke and the 50-yard butterfly.

Yesterday's meet was a long one which, according to coach Ellen Perry is Pitt's specialty. Penn State's strength is in the sprint meets.

Kathy Stetler, Pitt's top veteran and most valuable player last season, was particularly strong in yesterday's meet. She won both the 50-yard and 100-yard freestyle events. She also swam on the winning 400-yard medley and 400-yard freestyle relay teams.

"She's just fantastic," Perry said.

Yesterday's loss brought Penn State to a 6-1 slate, identical to Pitt's record. The Pantherettes' only loss went to Princeton, whom the Lady Lions defeated last weekend. Four teams remain on Penn State's schedule, all of which are home meets. They host Bucknell, Clarion and East Stroudsburg in a tri-meet, and Maryland before the Eastern Championship March 1-3 at the University of Delaware.

"Easterns will be a dog fight between us, Pitt, Rutgers, and Princeton," Perry predicts.
