present was one of overconfidence.

determined, it's up to them at this point. The die is cast

Schier said the difference between '85 and the

"We were comfortably in first place throughout the

entire season," Schier explained. "And even though we

finished where we did, we still think we had a strong

team. This year we don't have that luxury of being in a

strong first place and maybe that's to our advantage."

As for individual gymnasts, they too learned from

overconfidence. After the '85 disappointment which

was followed by a 1985-86 season riddled with injury

and unfulfilled potential, the Lions had their mouths

full of humble pie to say the least; they went back for

But Laux said this year was different. After an

undefeated season, he said the team is unified like

"We're so hungry it's incredible," Laux said. "We're

definitely the team to watch. We've taken the charac-

ter we established last year and realized what we had

to do to be No. 1. We've put in a lot of hard work and

personally I'm really proud of the team."

in terms of how much effort we've put in so far."
