POTTER'S VEGETABLE CATHOLICON.

ADVERTISEMENTS.—The unrivalled and extensive reputation acquired by this medicine, for the last five years, both in hospital and private practice, demands from the proprietor his grateful acknowledgments to a discerning public. Potter's Vegetable Catholicon is offered for the cure of Diseases of the Liver, Ulcerated Sore Throat, Debility resulting from Intemperance and Dissipation, Scrofula or King's Evil, Old and Inveterate Ulcers, Pains in the Bones, Rheumatism, Dyspepsia or Indigestion, Diseases of the Lungs, Syphilis, Blotches on the Face and Skin, White Swellings of the Joints, Tetter, Mercurial diseases, Piles, &c. &c.

The Catholicon consists exclusively of vegetable matter, and with a slight determination to the bowels, which it preserves in a soluble state, acts insensibly, is pleasant to the taste, and requires no particular regimen or confinement. As a gentle cathartic medicine, improving the appetite and restoring the general tone of the system, it is confidently recommended to ladies in a delicate situation.

The unrivalled and extensive character which this medicine has enjoyed, for the last six years, as a complete renovator, and purifier of the blood and humors, both in Hospital and Private Practice, is a substantial basis for its future support. It has obtained its present great distinction by the extraordinary success which has attended it in the Healing Art, while every avenue and track have been searched in vain for its parallel; indeed, its discovery may be considered one of the most sacred boons that can be afforded to the unfortunate; and I most sincerely hope the sympathy of the public will be excited to diffuse its invaluable merits. There are, at this time, several spurious mixtures in circulation abroad, and some vended in this city, assuming to possess the same, or equal virtues, of Potter's Catholicon. It is to be hoped that the unsuspecting will be placed on their guard against such impositions, much mischief has resulted from their use. They consist principally of sarsaparilla sirops, viz: Sirop de Cuisiner or Rob L'Alcedeur, and are sold for a much less price; you will therefore be particular and purchase of none but my authorized agents, where you can obtain the GENUINE CATHOLICON. W. W. POTTER, Philadelphia.

The following strong testimonial is furnished at the request of Dr. Davis, of Lynchburg, Va. by a gentleman residing in that place, whose original certificate, of which the following is an exact copy, is left with the proprietor of the Catholicon.

CASE. LYNCHBURG, Va., May 5th, 1828. At the request of D.—, I here give a statement of the effect of Potter's Catholicon in the restoration of my health. My constitution had been in a declining state for more than 18 months. I was much troubled with a short dry cough, slight difficulty of breathing, which was much increased by bodily exercise. At night, great oppression at the chest was experienced, with excessive colliquative sweats, soreness and pain in the sides and breast, with extreme languor and loss of appetite. In this situation, I travelled to the New England States by sea, but obtained no permanent relief. Some time after my return, by way of experiment I was induced to use Potter's Catholicon, and after using 2 bottles my health was perfectly restored. DAVID R. EDLEY.

CASE. PHILADELPHIA, March 28th, 1829. Dear Sir:—After many but ineffectual trials to relieve myself from a most severe and distressing attack of the dyspepsia, I have been completely cured by the use of, to me, your invaluable Catholicon, and I think it my duty thus publicly to state my case, and in order that others may profit thereby. The first symptoms of the disease were manifested in the spring of 1827. Warned at the approach of this destroyer of all ease, I had recourse to physician after physician, and remedy after remedy, but received little or no relief. I was recommended to retire into the country, where I so far recruited, that I began to think the enemy was dislodged. I returned to the city, where in a short time all my old symptoms returned with double violence. My stomach became so debilitated with drugs that I relinquished the regular system and entered on a course of Swamp's Panacea. It did me no good, and I went back to my Doctor, who examined me with pulverized oyster shells, etc. etc. My teeth became loose, and some actually fell out; there was a constant pain in my joints, particularly in damp weather, pains in my right side and shoulder, etc. I now submitted to another course of medical treatment, until the fall of 1829, when my physicians stated the case to be a schirrus of the liver. Then it was that I determined to try your Catholicon, a few doses of which improved my appetite, and gave me a feeling of ease and comfort, I cannot readily describe. In twelve days after using but one bottle, I found myself well—the few teeth I had left were firmly clasped by the gums and my appetite and digestion perfectly restored. I now enjoy as good health as I ever did, and I must say it is to your valuable Catholicon that I attribute this happy result. Respectfully yours, EZRA P. WILTBANK.

CASE. NORFOLK, Va. May 1st, 1828. Dear Sir:—I will shortly state my former case. I labored for six years under a violent Liver Complaint. It first manifested itself in the summer of 1821, and rendered frequent application to an eminent family physician necessary, by whose prescriptions I took three bottles, and thank God, I can truly say the disease of the liver entirely left me; and I have since been as well and hearty as man can be, in the fullest enjoyment of health and spirits. My cure was effected solely by your celebrated and agreeable Catholicon. Your friend, EDWARD L. LONG. To W. W. POTTER, Philadelphia.

CASE. WILMINGTON, May 22d, 1830. Dear Sir:—This was a case of Rheumatism in an intimate friend of mine, an old gentleman about sixty years of age, who had the Rheumatism for a number of years past, part of the time confined to bed; he took it merely through experiment, and was surprised to find himself entirely freed from his painful disorder by using only one bottle. Your well wisher, JEREMIAH NICHOLS.

An eminent physician says:—"I have known several cured performed by the use of your Catholicon, which had previously resisted the ordinary prescriptions of the faculty, and I have never known it to produce INJURIOUS EFFECTS."
