Holloway's Pills .- When the complexm assumes a sallow appearance, and the whites of the eyes are tinged with yellow, there is mischief at work in the liver. A lose or two of the Pills will then arrest the progress of the disease, and save much pain and trouble; but should the malady have eached a more dangerous stage, and taken the shape of bilious fever or jaundice, and the functions of the stomach have become disordered, a course of the remedy may be necessary. The cure is merely a question of time,

for however violent the symptoms may be, however violent the symptoms may however long the patient may have suffered, this potent remedy will inevitably produce the desired effect if administered in accord-
