To Consumptives.

To all who desire it, he will send a copy of the prescription used, (free of charge,) with the directions for preparing and using the same, which they will find a sure cure for CONSUMPTION, ASTHMA, BRONCHITIS, COUGHS, COLDS &c. Manhood who Lost, how Restored.

Just published, new edition of Dr Culverwells Celebrated Essay on the radical cure (without medicine) of SPERMATORRHOEA, or seminal Weakness, Involuntary Seminal Losses, Impotence, Mental and Physical Incapacity, Impediments to Marriage, etc. ascertained by Consumption, Epilepsy, and Fits, induced by self-indulgence or sexual extravagance.

Price, in a sealed envelope, only 6 cents.

The celebrated author in this admirable essay clearly demonstrates, from a thirty years successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife—pointing out a mod. of cure, at once simple, certain and effectual, by means of which every sufferer no matter what his condition may be may cure himself cheaply, privately and radically.

This Lecture should be in the hands of every youth and every man in the land.

Sent, under seal, in a plain envelope, to any address, post-paid, on receipt of six cents, or two post stamps. Address the publishers,

Being a Hunting or Open Face or Lady's Gentleman's Watch Combining with or Patent Self-Winding Improvement a most Pleasing Novelty.

ONE OF THE PRETTIEST, MOST CONVENIENT, AND decidedly the best and cheapest time-piece for general and reliable use ever offered. It has within it and connected with its machinery, its own winding attachment, rendering a key entirely unnecessary. The cases of this Watch are composed of two metals, the outer one being of cast gold. It has the improved ratchet action lever movement, and is warranted accurate time-piece. Price superbly engraved, per case of half dozen, \$304. Sample Watches in neat morocco boxes, \$35.

SILVER WATCHES!

First Class Hunting Time-Pieces for accuracy of movement, beauty of material, and above all, cheapness in price, these watches must insure universal appreciation.

An indication so flawless that it can hardly be detected by the most experienced eye. The material being of two metals, the outer one first quality Sterling Silver, while the inner one is German Silver, it cannot be recognized by cutting or heavy engraving, making it, not in appearance, but indurability, the best resemblance of SOLID STERLING SILVER in existence.

The sale of these Watches in the Army is a source of enormous profit, retelling, as they very readily do, at \$25 and upwards. Many hundred dollars can be made in a single day by any one of ordinary business, and

AT WHOLESALE ONLY: In heavy hunting cases, beautifully engraved, while enamel dial, and fancy cut hands, in good running order, by the half dozen, \$72. Sold only by the case of six!

Upon receipt of two dollars, as guarantee of good faith, we will send watches by express to any part of the loyal States, collecting balance of bill on delivery. This ensures buyers against fraud, giving them their watches before payment is required.

Soldiers in the distant States may remit cash in advance, as the express companies permitably refuse making collections in such dangerous localities. Remember, Cash in advance from within the army lines to soldiers! We guarantee the safe delivery of all watches, whether they are sent by mail or express.
